Revelation Of Jesus:

The Revelation of Jesus Christ Stephen Kaung, The book of revelation is the last of the sixty six books of the Bible As such it is the concluding word of God and therefore occupies a special position Whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of God s word The content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on Revelation spoken by the author in respectively the year 2007 and back during the 1950s After these many years and inasmuch as we sense the return of the Lord Jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of God s people may receive the promised blessing It is our prayer that all who shall read this book will receive God s blessing in their being better prepared for the imminent return to the earth of our blessed Lord Jesus Christ

The Revelation of Jesus Christ Alfred J. Chomppf,2013-05-07 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book

Barker,2000-11-02 A new and transforming approach to the Book of Revelation Margaret Barker bases her study on a fresh reading of the primary sources As an Old Testament scholar she can read Revelation as Hebrew prophecy ancient temple oracles which inspired Jesus and his own prophecies and influenced the whole Jerusalem Church Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee This expectation fuelled the revolt against Rome Josephus who deserted to Rome was the false prophet John who escaped to Patmos compiled Revelation as a record of the first generation In the future he taught the Lord would return to his people in the Eucharist This work illuminates the formative years of Christianity in the social religious and political situation of mid first century Palestine in a quite remarkable way It will have profound implications for the understanding of Christian origins and the development of Christian liturgy **The Revelation of Jesus Christ** Ray F. Robbins,2005-01-13 What New Testament book bewilders most

Christians Of course the book of Revelation Many people ignore it because it seems unreal and unrelated to Christian living Others see it as a fascinating enigma and they propose a variety of schemes to answer every symbolic reference While fully aware of the various theories of interpretation Dr Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers He provides a practical exposition with little attention given to critical problems He feels that the basic message is timeless full of hope and promise in every age Here is fresh clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters **The Revelation of Jesus Christ** Ralph Dorman,2016-01-13

The Revelation of Jesus Christ David Hall,Denise Hall,2018-10-24 Not found on any map the Valley of Decision is a place of indecision a quagmire of noncommitment stalling forward motion It s the anxious middle place whose occupants include the multitudes who are still not sure what exactly to do with Jesus Christ Polarized by life and the ways of the world they stand here unconvinced at the end of times when wickedness is great and the harvest is ripe Yet perhaps knowing more about what tomorrow brings would help those still undecided make the clear choice to freely stand with God The Revelation of Jesus Christ Standing in the Valley of Decision explores the book of Revelation as the source of God s true prophecy for what our future holds Authors David and Denise Hall offer verse by verse commentaries on Christ s revelation omitting nothing and using the Bible to interpret itself with scriptural citations supporting every point Believers are invited to take notes and engage in active Bible study as they learn how end time prophecies are being fulfilled today In what time is left the choice is clear personal and simple freely stand with God and have your sins washed away and your ransom paid or face the eternal consequence of separation Choose now and soon because the time of His return draws near The time to study Revelation is now and The Revelation of Jesus Christ Standing in the Valley of Decision will help all those seeking truth in the name of the Father the Son and the Holy Spirit The Revelation of Jesus Christ Victor Conkle,2016-06-25 THE

REVELATION CAN SEEM complex and difficult to read much less to understand Seven of this three of that and 200 million of them all mixed in with bowls woes and scrolls it can be daunting It makes a person wonder why this strange mysterious book was ever added to the biblical canon Was the Revelation ultimately slapped onto the end of the Bible with a groan and the utterance Let someone down the road figure it out In fact Revelation is pretty much the opposite of hidden or mystery as indicated by the very title Apocalypse Revelation or revealed The title of the book itself means to reveal or to make known In Matthew 24 Jesus said But concerning that day and hour no one knows not even the angels of heaven nor the Son but the Father only verse 36 Father God will reveal it and He did He revealed it to His Son who then revealed it to John The only difference between the Olivet Discourse in the books of Matthew and Luke and the words in Revelation is that in the Gospel passages Jesus talks about what will happen down the road a bit not a prediction or vague apocalyptic vision whereas in Revelation he tells John that it has now been revealed and will happen shortly Very soon The Revelation of Jesus Christ which

God gave Him to show to His bond servants the things which must soon take place and He sent and communicated it by His angel to His bond servant John who testified to the word of God and to the testimony of Jesus Christ even to all that he saw Revelation 1 1 2

The Revelation of Jesus Christ Wallace Shows,2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are

The Churches of Revelation Dr. David Bernhard Bowers,2023-02-09 Every student of the Bible approaches the book of Revelation with a sense of awe as they attempt to fold the greatness of God within the mind of humanity Many rush to examine the significant prophecies without adequately dealing with the introductory chapters Exploring the beginning chapters of the Revelation of Jesus Christ with a modern application Dr David B Bowers examines the initial communicate given by our Lord to the Apostle John The churches of Revelation within reflect not only the status of the true Christian church throughout history but also reveal significant elements of the church in modern times that must not be missed

A View from Above J. W. Murphy,2014-10-10 Imagine what your Christian development would be like if you grasped the true character of God you were captivated by appreciation of and love for God s Word you were not frightened away by the haunted house of Revelation you appreciated how the early church s experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self serving style of society you enjoyed the blessings of those who keep the words of Revelation s message your anticipation of Jesus return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us
