MacArthur,2006-09-03 The book of Revelation unveils Jesus Christ in glory Written by the apostle John Revelation was a letter to churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides This book was a reminder that encouraged them to remain faithful Through vivid imagery John writes Revelation to reveal the end of human history the return of Christ and the establishment of a new heaven and a new earth Revelation message of hope assures Christians that God is in sovereign control of all past present and future events and that Jesus Christ will judge the lost and rule in ultimate victory over all human and demonic opposition The Mac Arthur Study Guide Series provides a twelve week verse by verse examination of the books of the New Testament This revised and updated series continues to be one of the best selling study guides currently available for individuals or small groups Features Include Twelve week study Thought provoking questions Verse by verse commentary Space provided for note taking **The Revelation of John, Volume Two** William Barclay,2004-04-01 Here

James L. Resseguie, 2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike

Thoughts on Revelation John Campbell, 2024-01-12 Reprint of the original first published in 1874 **A Commentary on the Revelation of St. John, the Divine** Thomas Whittemore, 1848 **How John Wrote the Book of Revelation: From Concept to Publication** Kim Mark Lewis, 2015-11-22 How John Wrote the Book of Revelation is the first of its kind and introduces genetic literary reconstruction to Biblical studies It enables the reader to produce prior drafts of Hebrew and Christian Scriptures thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written from the very first line to the final parallel This provides the reader for the first time with the experience of observing how a Biblical book was written and does this from an intimate perspective as though they were looking over John's shoulders as he crafted it How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written After centuries of blind guess work trying to divine meaning and weak interpretations of symbols this book finally presents a clear precise and consistent method It is a guidebook to identify all the rich symbols and their meanings within Revelation Inside the pages of this book is the all encompassing theory of construction for the book of Revelation It includes three prior drafts of the book of Revelation along with hundreds of charts and illustrations How John Wrote the Book of Revelation is like no other book that has been written before and sets a new
