Revelation Revisited St Johns Visions Of The Fu:

The Revelation to John Stephen S. Smalley, 2012-07-05 Stephen S Smalley demonstrates the fruitfulness of reading John s Apocalypse like a two act drama with a marked sevenfold patterning His theological and literary analysis of the Greek text puts Revelation squarely in the hands of contemporary readers demonstrating its power to transcend barriers of culture and history Now in paperback *The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church* Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **The Revelation of Saint John** Ian Boxall, 2009 Replacing George B Caird s earlier volume fellow Oxford scholar Ian Boxall s new edition in this popular series offers a clear and lucid study of St John s apocalypse Arising out of a critical awareness of the historical and theological issues surrounding the interpretation of Revelation Boxall s exposition opens with an enlightening introduction to the first century context of this difficult book Now available in paperback **"Revelation! What Did The First Audience Hear?"** Rev. Roger Phillip Drews, 2012-11 No Rapture No Armeggedon What was the meaning of this Revelation in St John s time a view of Revelation you ve never heard before **Coastal Management Revisited** Bernhard Glaeser, Marion Glaser, 2023-01-31 The book presents an overview and historic perspectives of a novel scientific field coming

The Rosicrucian Enlightenment Revisited John Matthews, 1999 A gathering of well informed scholars provides a sober sensible and fascinating overview of the history of the Rosicrucian movement still one of the most controversial and least understood byways of European philosophy and thought The volume includes four of the foundational documents of the original Rosicrucians from the early 17th century and carries the Rosicrucians influence down to the later 19th century Publisher's description

God Is Not a Story Francesca Aran Murphy, 2007-07-19 This is a challenging critique of narrative theologies Murphy argues that the widespread notion that the role of the theologian is to tell God's story has not helped theology to advance the reality of its doctrines She offers her own alternative approach making use of cinema and film theory

Parabola, 1976 *The Well of Loneliness* Radclyffe Hall, 2024-09-10 If our love is a sin then heaven must be full of such tender and selfless sinning as ours *The Well of Loneliness* is among the most famous banned books in history A pioneering work of literature Radclyffe Hall's novel charts the development of a female sexual invert Stephen Gordon who from childhood feels an innate sense of masculinity and desire for women After relocating from Malvern to London and then to Paris Stephen encounters fellow queer characters from all walks of life from the sapphic salon hostess Val rie Seymour to the miserable army of outcasts that frequents the merciless drug dealing death dealing bars of Montmartre Although Stephen and her acquaintances allies and antagonists are of their time Hall's novel has offered support and solidarity to generations of LGBTQ readers and it continues to shape debates about gender and sexuality today This edition highlights previously overlooked points of influence inspiration and connections with other texts as well as situating the novel in historical contexts In addition the editors provide vital insights into Hall's engagement with religion sexology literary history and popular culture

A Big Gospel in Small Places Stephen Witmer, 2019-11-05 Christian ministries increasingly prioritize urban areas big cities and suburbs are considered more strategic more influential and more desirable places to live and work As a ministry strategy focusing on big places makes sense But the gospel of Jesus is often unstrategic

Pastor Stephen Witmer using helpful stories and practical advice lays out an integrated theological vision for small place ministry today *Biblical Eschatology, Second Edition* Jonathan Menn, 2018-03-07 *Biblical Eschatology* provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives *Biblical Eschatology* makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible *God and Mystery in Words* David Brown, 2008-03-20 In this wide ranging book that moves from Greek drama to modern poetry David Brown explores the ways in which the poetry and drama of the past were rooted in religious questions He posits that their creative potential needs to be rediscovered to bring present day worship and experience of God alive **The Dutch Dissenters: A Critical Companion to their History and Ideas** Irvin Buckwalter Horst, 2018-12-24 **God After Darwin** John F. Haught, 2018-05-04 In *God After Darwin* eminent theologian John F Haught argues that the ongoing debate between Darwinian evolutionists and Christian apologists is fundamentally misdirected Both sides persist in focusing on an explanation of underlying design and order in the universe Haught suggests that what is lacking in both of these competing ideologies is the notion of novelty a necessary component of evolution and the essence of the unfolding of the divine mystery He argues that Darwin's disturbing picture of life instead of being hostile to religion as scientific skeptics and many believers have thought it to be actually provides a most fertile setting for mature reflection on the idea of God Solidly grounded in scholarship Haught's explanation of the relationship between theology and evolution is both accessible and engaging The second edition of *God After Darwin* features an entirely new chapter on the ongoing controversial debate between intelligent design and evolution including an assessment of Haught's experience as an expert witness in the landmark case of *Kitzmiller v Dover Area School District* on teaching evolution and intelligent design in schools *Biblical Foundations of Spirituality* Barbara E. Bowe, 2017-01-26 *Biblical Foundations of Spirituality* invites readers to touch a finger to the flame of the Bible by offering guidance on what how and why to read Scripture as a source of spiritual nourishment The second edition builds on Barbara Bowe's acclaimed book with two new chapters by Laurie Brink and John R Barker introducing key theological concepts and exploring how biblical spirituality was first experienced and

expressed in early Christian communities The book begins by exploring the many meanings of the word spirituality then leads readers through the Bible from Genesis to Revelation to develop a biblically based spirituality that can serve as a compass in the challenges of life Updated to reference the latest scholarship this book helps make the Bible more accessible and shows how it can be relevant to life today The book stresses the spiritual dimension of biblical figures search for God and shows how their insights about God from successes to dead ends can reflect our contemporary searching and struggles Biblical Foundations of Spirituality reveals the spiritual wisdom of the Bible connecting it with everyday life and spirituality With a chronology reflection questions a glossary and updated notes and bibliography as well as two new chapters the second edition of Biblical Foundations of Spirituality is ideal for classroom parish or individual reading The Churchman ,1882 **The American Tyler-keystone** ,1907 **A John Haught Reader** John F. Haught,2018-11-06 Classical Christian theologies came to expression at a time when the universe seemed relatively fixed and unchanging The otherworldly spiritual instincts of many religions reflected a static vertical and hierarchical understanding of the natural world Today however especially because of developments in the sciences it appears that the universe is still coming into being The writings offered in this book reflect their author's belief that if the universe is unfinished new thoughts about God and all the traditional theological topics are essential to make sense of it all John Haught argues that the universe is best understood according to the metaphor of drama rather than design This means that the most important question in science and theology today is not whether the intricate complexity of life points to a deity or even how God acts in nature but whether the cosmic drama as a whole carries a meaning Unfortunately the devotional life of most religious people on our planet still presupposes an essentially immobile universe Christian instruction for example continues to nurture an otherworldly piety that estranges nature unnecessarily from God The readings in this book however suggest that the ancient Abrahamic hope for the coming of God from out of the future may now become the foundation of a scientifically up to date theology of nature that affirms divine transcendence without robbing nature of its significance *Models of Heaven* M. Francis Mannion,2023-08-31 Many people nowadays are confused about the topic of heaven skeptical about it or think it beyond description This book argues that without venturing into the esoteric or fanciful we can know more about heaven than we think Did you know for instance that heavenly rest will be exciting and dynamic That we will be overwhelmed and transformed by the beauty of God That we will dance with the Trinity sing with the angels and enjoy the delightful company of the saints including the saints we have known and loved on earth The book will deal with what we will be doing in the Holy City and in the magnificence of the new creation and what it means to say that we will feast at the heavenly banquet If you want answers to these questions at once inspired by Christian tradition and modern insight and presented in a fresh and compelling manner this book is for you It is written not only for theologians and specialists but also for inquiring Catholics and other Christians seeking to deepen their understanding of life after death It will serve theology students seminarians clergy religious educators and parish study
