Revelation Three Viewpoints:

Revelation : three viewpoints Herschel H. Hobbs,1977 **Three Perspectives** Steven H. Propp,2009-12 You re Jewish aren t you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the author s earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world A Tale of Three Cities D. K. Matthews,2024-08-20 A central question for Judeo Christian faithful is Are we living in the age of antichristism or kingdom influence Can we salt and light entire cities and civilizations as Martin Luther King Jr hoped or with D L Moody should we simply save as many as we can from our rapidly sinking planet Over the years Christians have wrestled with the question and reached different conclusions Augustine s and Oliver O Donovan s answer to the question birthed The City of God and The Desire of Nations Miguez Bonino s and Grace Ji Sun Kim s Marxist influenced liberationist answers produced Toward a Christian Political Ethics and the post truth Intersectional Theology Former socialist Michael Novak s plea was to revive The True Spirit of Democratic Capitalism Jonathan Cahn and Frank Peretti by contrast predicted that we have entered the age of This Present Darkness amidst The Return of the Gods Peretti s and Cahn s wildly popular future visions built upon Hal Lindsey s dated assurance and false prediction that true believers would be raptured in the last decade of The Terminal Generation 1980s Douglas Matthews offers a new route through the maze and discerningly answers this perennial question by boldly offering a Third City future vision option for effective kingdom influence amidst accelerating global antichristism A View from Above J. W. Murphy,2014-10-10 Imagine what your Christian development would be like if you grasped the

true character of God you were captivated by appreciation of and love for God's Word you were not frightened away by the haunted house of Revelation you appreciated how the early church's experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus' sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self-serving style of society you enjoyed the blessings of those who keep the words of Revelation's message your anticipation of Jesus' return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us [Catalog of Copyright Entries. Third Series](#) Library of Congress. Copyright Office, 1979 **Three Perspectives of Anthroposophy** Rudolf Steiner, 2021-04-28 What is truly real Rudolf Steiner sheds light on everyday reality through spiritual knowledge repeatedly urging us to bring anthroposophy into daily human existence We might consciously experience the difference between consuming a potato as compared to cereals such as rye for example or we could grasp ordinary phenomena such as sleepwalking through an understanding of the threefold human being Likewise we might strive to comprehend how our head is the transformed organism of our previous life Throughout Steiner emphasizes that we can achieve spirituality on earth if only we make anthroposophy real The twelve lectures here were delivered during the portentous year of 1923 in the context of increasing attacks from Steiner's opponents His architectural masterpiece the first Goetheanum had already been destroyed by fire but he was yet to refound the Anthroposophical Society at the Christmas Conference In these uncertain times Steiner speaks of the decline of European culture and the development of materialism as a philosophy leaving anthroposophy with no exoteric foundation on which to build But Rudolf Steiner strikes a positive note with an exciting and constructive way forward providing us with the tools to see the world through three key perspectives of anthroposophy the physical the soul and the spiritual dimensions of reality This previously unpublished volume is translated by Elizabeth Marshall and includes an introduction notes and index **Angel in Your Future** Robert Manson Wood, 2002-03 *Modern Freedom* Adriaan T Peperzak, 2012-12-06 This book the result of 40 years of Hegel research gives an integral interpretation of G W F Hegel's mature practical philosophy as contained in his textbook *Grundlinien der Philosophie des Rechts* published in 1820 and the courses he gave on the same subject between 1817 and 1830 **King James Version Bible Commentary** Thomas Nelson, 2005-09-18 The King James Version Bible Commentary is a complete verse by verse commentary

Counterimaging in the Apocalypse Joe E. Lunceford,2009-10-01 As numerous scholars have noted The Revelation was first received orally Directed not merely to the intellect its author deliberately employed different literary schemes and devices to evoke the imagination of his audience In this new study Joe Lunceford examines the specific use of parody and counterimaging in The Revelation arguing that this often overlooked device was an essential means by which its author engaged the imagination of his readers and hearers In light of the best of recent scholarship on The Revelation Lunceford examines over thirty uses of this device most notably the contrasting images of the evil trinity of dragon beast from the sea and beast from the earth and the Holy Trinity *Argument is War: Relevance-Theoretic Comprehension of the Conceptual*

Metaphor of War in the Apocalypse Clifford Winters,2020-09-25 In *Argument is War Relevance Theoretic Comprehension of the Conceptual Metaphor of War in the Apocalypse* Clifford T Winters demonstrates that the apparent war in the Apocalypse is rather telling the story of the gospel how Christ will restore Israel and through them the rest of the world When Revelation is viewed through the corrective lens of cognitive linguistics its violence becomes victory its violent characters become Christ and its bloody end becomes the blessed beginning of the New Jerusalem Revelation is simply telling the story of the early church the Gospels and Acts to the early church and it is using a conceptual metaphor ARGUMENT IS WAR to do it *The*
