*The Revelation Unlocked* Carolyn M. Prince, 2017-04-30 Prophetic events in The Revelation of Jesus Christ have been locked from our understanding ever since they were given to John about AD 95 However God has never intended that His people be in darkness during the fulfillment of latter day prophecies Daniel was told that the words of his latter day prophecy were closed up and sealed till the time of the end Then none of the wicked will understand but the wise will understand This is the time of the end Now at last symbols in Revelation as well as other parts of the Bible are explained from Scripture in a way that can be easily understood The Revelation Unlocked tells about the redemption of Israel and explains the series of events by which Almighty God will bring into effect His promises given in Genesis to Abraham Isaac and Jacob ultimately revealing His supreme power over all creation This enlightening thought provoking and easy to read book includes many end time details never before pointed out in scripture

**The Road To Hell** Dwayne Mattingly, 2022-12-15 Many people today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away

**The Human Faces of God** Thom Stark,2011-01-01 Does accepting the doctrine of biblical inspiration necessitate belief in biblical inerrancy The Bible has always functioned authoritatively in the life of the church but what exactly should that mean Must it mean the Bible is without error in all historical details and ethical teachings What should thoughtful Christians do with texts that propose God is pleased by human sacrifice or that God commanded Israel to commit acts of genocide What about texts that contain historical errors or predictions that have gone unfulfilled long beyond their expiration dates In *The Human Faces of God* Thom Stark moves beyond notions of inerrancy in order to confront such problematic texts and open up a conversation about new ways they can be used in service of the church and its moral witness today Readers looking for an academically informed yet accessible discussion of the Bible s thorniest texts will find a thought provoking and indispensable resource in *The Human Faces of God*

**Unlock Grace Power** Chris Cree,2022-08-24 Passivity is a disease crippling much of the Body of Christ today A great many believers are sitting back passively waiting for God to move on their behalf without realizing they are receiving God s grace in vain Jesus strongly condemned passivity At the same time He often praised those who boldly took the Kingdom of God by force This idea of taking the Kingdom of God by force is a radically different mindset than many believers have today But we see that passionate determination to receive a miracle from Jesus repeated throughout the gospel accounts We do well to learn from those examples in the gospels It is time for believers to unlock grace power by recognizing that the righteous are bold as a lion stepping up and taking the Kingdom of God by force
