Revelation and Mystery in Ancient Judaism and Pauline Christianity Markus N. A. Bockmuehl, 1990 Based on the author's thesis Ph D University of Cambridge 1987 **Revelation and Mystery in Ancient Judaism and Pauline Christianity** Markus Bockmuehl, 2019 **Revelation and Mystery in Ancient Judaism and Pauline Christianity** M. N. A. Bockmuehl, 1987 **Fallen Angels and the History of Judaism and Christianity** Annette Yoshiko Reed, 2005-11-28 This book considers the early history of Jewish Christian relations focussing on the fallen angels Mystery and the Making of a Christian Historical Consciousness T. J. Lang, 2015-10-16 In general theological terms this study examines the interplay of early Christian understandings of history revelation and identity The book explores this interaction through detailed analysis of appeals to mystery in the Pauline letter collection and then the discourse of previously hidden but newly revealed mysteries in various second century thinkers T J Lang argues that the historical coordination of the concealed revealed binary the mystery previously hidden but presently revealed enabled these early Christian authors to ground Christian claims particularly key ecclesial hermeneutical and christological claims in Israel's history and in the eternal design of God while at the same time accounting for their revelatory newness This particular Christian conception of time gives birth to a new and totalizing historical consciousness and one that has significant implications for the construction of Christian identity particularly vis vis Judaism *The Consciousness of the Historical Jesus* Austin Stevenson, 2024-02-22 In this book Austin Stevenson argues that it is not the divinity of Jesus that causes problems for historians but his humanity To insist that Jesus was fully human as both theologians and historians do still leaves us with the question of what it means to be human It turns out that theologians and historians often have different answers to this question on both a philosophical and a theological register Furthermore historians frequently misunderstand the historiographical implications of classical Christology and thus the compatibility between traditional beliefs about Jesus and critical historical inquiry Through close engagement with the thought of Thomas Aquinas c 1225-74 this book offers a new path toward the reconciliation of these disciplines by focusing on human knowledge and subjectivity which are central issues in both historical method and Christology By interrogating and challenging the normative metaphysical assumptions operative in Jesus scholarship a range of possibility is opened up for approaches to Jesus that are genuinely historical but not naturalistic **A Theology of Paul and His Letters** Douglas J. Discerning the "Word of the Lord" Michael W. Pahl,2009-05-07 In 1 Thessalonians 4 15 the Apostle Paul appeals to a word of the Lord to provide authority for his eschatological encouragement This appeal has left a perplexing problem related to the nature and function of the specific authority to which the phrase refers Two theories have predominated in the history of interpretation either 1 it refers to a directly received prophetic revelation whether to Paul or to another Christian prophet or 2 it refers to a teaching of Jesus received as tradition whether preserved in the Gospel tradition or otherwise unknown This book investigates this problem from three angles epistemological analysis examining Paul s authorities for his knowledge particularly in his eschatology linguistic analysis including both grammatical and lexical study of the phrase and contextual analysis setting the statement within its historical and literary contexts These approaches converge to suggest a fresh solution to the problem while Paul does appear to employ traditional Christian eschatological teaching in his response to the Thessalonian crisis 4 16 17a the phrase does not refer to this tradition but rather refers to the proclaimed gospel message about Jesus centred on his

death and resurrection which forms the theological foundation of Paul's response cf 4:14

The First Epistle to the Corinthians Anthony C. Thiselton, 2000-11-22 This superb volume in the New International Greek Testament Commentary series provides the most detailed definitive and distinctive commentary on 1 Corinthians available in English to date. One of the world's most respected Christian theologians, Anthony Thiselton, here provides in depth discussion of the language of 1 Corinthians, presents his own careful translation of the Greek, traces the main issues of interpretation from the church fathers to the present, and highlights topics of theological, ethical, and sociohistorical interest today, including ethics and rights, marriage, divorce, and remarriage, headship, gender, prophecy, and many others. No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton's work, which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout. In his commentary, Thiselton indeed addresses virtually every question that thoughtful, serious readers, scholars, students, pastors, teachers may wish to ask of or about the text of 1 Corinthians. His work truly offers a fresh, comprehensive, and original contribution to our understanding of this major epistle and its contemporary relevance.

The Idea of Biblical Interpretation James L. Kugel, Judith H. Newman, Judith Hood Newman, 2004 In this Festschrift, James Kugel's creative scholarship in biblical interpretation provides the inspiration for a wide-ranging collection of essays that treat the history of Jewish and Christian scriptural interpretation from antiquity to the present.

Paul Among the Apocalypses? J. P. Davies, 2016-06-16 A vibrant and growing field of discussion in contemporary New Testament studies is the question of apocalyptic thought in Paul. What is often lacking in this discussion, however, is a close comparison of Paul's would-be apocalyptic theology with the Jewish and Christian apocalyptic literature of his time and the worldview that literature expresses. This book addresses that challenge. Covering four key theological themes: epistemology, eschatology, cosmology, and soteriology, J. P. Davies places Paul among the apocalypses in order to evaluate recent attempts at outlining an apocalyptic approach to his letters. While affirming much of what those approaches have argued and agreeing that apocalyptic is a crucial category for an understanding of the apostle, Davies also raises some important questions about the dichotomies which lie at the heart of the apocalyptic Paul movement.

Uncovering the Theme of Revelation in Romans 1:16-3:26 Marcus A. Mininger, 2017-09-19 Past study of Rom 1:16-3:26 focuses on individual salvation or on social relations, and also produces a host of interpretative quandaries. Marcus A. Mininger develops a new approach which includes but goes beyond these foci by unearthing the theme of revelation that runs throughout Paul's argument, largely unnoticed. More than a proof of sin or of social equality, Paul provides a survey of numerous visible revelations in which otherwise invisible realities like God's wrath, the power of sin, and God's righteousness are seen through the observable effects they produce in different people. Read this way, the rationale of Paul's argument becomes quite clear, including for problem texts like Rom 2 and 3:1-8, as Paul proves that the gospel, not the law, overcomes sin's power, and that God's righteousness always exists in contrast to the human condition in this age. From publisher's description.

Scientific

Theology: Theory Alister E. McGrath, 2006-11-23 Noting the important parallels between scientific theory and Christian doctrine McGrath offers a sustained defense of the necessity of doctrine within Christian theology against those who argue for a non dogmatic Christianity The approach developed within this volume builds on the work of writers such as Heidegger and Habermas and argues that theory is to be conceived in terms of the communal beholding of reality The many theoretical issues to be addressed in this volume include the manner in which closure is secured in theological theorizing the implications of the stratification of reality for its representation the place of metaphysics in Christian theology and the nature of revelation itself Viewed as a whole Theory represents a fresh evaluation of the origins and place of theory in Christian theology which is certain to provoke discussion and debate This third volume completes the A Scientific Theology series A Scientific Theology is a groundbreaking work of systematic theology in three volumes Nature Reality and Theory Now available as a three volume set **A Scientific Theology** Alister E. McGrath, 2003-01-01 The third volume of an extended and systematic exploration of the relation between Christian theology and the natural sciences focussing on the origins and place of theory in Christian theology **A Heritage Of Holy Wood** Barbara Baert, 2004-01-01 This fascinating study reconstructs the tradition of the Legend of the True Cross in text and image from its tentative beginnings in 4th century Jerusalem to the culminating expression of its multi layered cosmic content in 14th and 15th century monumental cycles in Germany and Italy John Among the Apocalypses Benjamin E. Reynolds, 2020 John among the Apocalypses explains John s distinctive narrative of Jesus s life by comparing it to Jewish apocalypses and highlighting the central place of revelation in the Gospel By engaging with modern genre theory Reynolds reveals surprising similarities of form content and function between John s Gospel and Jewish apocalypses **Paradise Now** April D. De Conick, 2006 **The Theological Role of Paradox in the Gospel of Mark** Laura C. Sweat, 2013-08-15 Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes christology and discipleship This book argues that paradoxical language pervades the entire narrative and that it serves a theological purpose in describing God s activity Part One focuses on divine action present in Mark 4 10 12 In the first paradox Mark portrays God s revelatory acts as consistently accompanied by concealment The second paradox is shown in the various ways in which divine action confirms yet counters scripture Finally Mark describes God s actions in ways that indicate both wastefulness and goodness deeds that are further illuminated by the ongoing yet defeated presence of evil Part Two demonstrates that this paradoxical language is widely attested across Mark s passion narrative as he continues to depict God s activity with the use of the three paradoxes observed in Mark 4 Through paradoxical narrative Mark emphasizes God s transcendence and presence showing that even though Jesus has brought revelation a complete understanding of God remains tantalizingly out of their grasp until the eschaton 4 22
