also be a great subject for debate Indeed this entire book is a great subject for debate *The Gift from God - Revelations - Extasium - Secret of the Apocalypse* Alain Gabriel,2020-01-21 A stunning Discovery bearing Hope and Happiness through its Beauty The most extraordinary masterpiece as transmitted in the book of Revelation by God Himself **Unfolding the Mysteries of Revelation** Roger Hartman,2006-05 Hartman offers a guide to understanding the mysteries of Revelation and what it takes to be prepared to meet Jesus face to face *The Mysteries of God Revealed* Roy Dixon,2010-07-27 This Book of Redemption is God s master plan to redeem his children back from the fall of sin caused by the serpent Satan in the beginning Satan has deceived the whole world with his lies and has caused the people to sin against their creator This book will reveal that Jesus is both Lord and Christ Father Son and Holy Ghost in One PERSON manifested in flesh and existed from eternity past to eternity future and that He is Supreme not God in three persons blessed trinity but One God One Person who created the heavens and the earth in the beginning with three major titles with three Dispensations manifesting those titles *The Book of Life Secrets for Today's World* Rai Flowers,Rasheed Flowers,2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year Each day s entry includes a focus point and that point is emphasized and supported by specific citations from The Bible The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God s words Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God s words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God s words support this thought *Guardians: Keepers of God's Secret Code* Donald Alexander,2020-02-18 Theories of evolution origin of the Universe and deep time have led many scientists like my former self to conclude that Creation is just a chance sequence of events that can ultimately be explained by natural laws I was skeptical and even tried to disprove God s existence until I found a Secret Code embedded in the Scriptures This code provides undeniable evidence of God based upon event sequences in the lives of a Great Cloud of Witnesses like Joseph Samson David Jonah Elisha Moses and Joshua By unlocking the Earthly Sanctuary pattern given to Moses I ve found that it reveals events of the Exodus from Egypt to the Promised Land which even applies to Spiritual Israel today The veil to the Holy Place aligns with the Exodus opening of the Red Sea And the veil to the Holiest Place points to the opening of the Jordan where we now stand waiting to cross at the End of Time The code reveals probabilities of the existence of God far greater than finding an atom in Planet Earth by chance **The Mystery of God** C. C. Rowland,Christopher R. A. Morray-Jones,2009 This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the

development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts the Pauline Letters and finally the key theological themes in the later books of the New Testament The second and third parts explore the character of early Jewish mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the Divine Body to demonstrate the relevance of this material to New Testament interpretation

The Secrets God Kept John Van Diest, Alton Gansky, 2005 God does keep secrets Even great heroes of faith like Abraham Moses and the Old Testament prophets faced mysteries about God and his kingdom Understanding God's plans is like watching a train emerge from a tunnel you can see the cars that have emerged and get a sense of where the train is going but you can't see the cars still in the tunnel While many details of God's revelation train are still shrouded secrets hidden for centuries are now revealed to us John Van Diest and Alton Gansky help us see and understand these secrets which are hiding in plain sight in the words of Jesus and throughout the Bible

The Genesis of Revelation Aerik Vondenburg, 2012-03-18 According to Jesus the primary underlying message of his teachings was hidden from those who were not ready to know the truth Mark 4:22 and Luke 19:42 This special knowledge is related to what is referred to in the Old Testament as the secret things of the Lord Deuteronomy 29:29 Until now the sacred secrets of the kingdom of God Luke 8:10 Matthew 13:11 have never been made public to the world However clues left to us in the writings of the ancient Gnostic Christians as well as the Bible itself have made it possible to understand and reveal these incredible hidden matters for the first time in the modern era The result will shake the very foundations of Judeo Christianity What the ground breaking findings reveal is that almost everything that the world knows about the Bible were formulated by men who did not understand the true underlying history and teachings of God and Jesus What the findings reveal is that almost everything that the world knows about God Jesus and the Bible is wrong

The God of Jesus Christ Walter Kasper, 2012-03-01 Kasper is a master synthesiser and his display of erudition alone makes this book a worthy read and an invaluable resource for questions of God and Trinity Using admittedly polemical language he calls for a theological theology which makes the explanation of the confession of the triune God its first priority not only for speculative but also for pastoral reasons This is the reissue of a theological work of considerable importance for which Cardinal Kasper has written an entirely new introduction taking modern developments in theology fully into account

The Secret Life of God Rabbi David Aaron, 2005-07-12 How much does our perception of God really matter Many of us aren't conscious of our image of a higher power For some of us that unspoken image is a Judgmental Parent or an exacting Old Man in the Sky For others God is an Imaginary Friend who is there to fix problems after we create them David Aaron can help you discover a mature new understanding of God and lead you to discover the wellspring of Divinity within you By drawing on teachings of Kabbalah that were secret for millennia he helps you to reclaim the power you've given away to negative images of God or passive images of yourself These mystical secrets of Judaism can offer reassuring guidance meaning and purpose to the lives of
