**Telos** Aurelia Louise Jones,2004-01-01      *Telos Volume 1* Aurelia Louise Jones,2014 Telos channeled spiritual messages from the Earth's Interior. Timely and fascinating messages from the people of the ancient civilization of Lemuria living in the fifth dimensional city of Telos beneath Mount Shasta, CA. Telos is an ancient Lemurian City of Light that is real and still exists to this day in the physical realm underneath Mount Shasta. Reacquaint yourself with Adama, the High Priest of Telos, and your eternal father as he describes the kind of earthly paradise they have forged for themselves as they raised their consciousness to a fifth dimensional reality. They are the survivors of the lost continent of Mu who perished beneath the waves of the Pacific Ocean over 12,000 years ago. Our Lemurian brothers and sisters of Telos and our former family of ancient times are soon looking forward to coming out when we are ready to teach us how to do the same here on the surface. Due to their isolation from the surface population, they have succeeded in creating a civilization of peace and abundance with no sickness, aging, or death. They have mastered immortality in physical expression and they wish to teach us to do the same. Vividly and heroically, Telos delivers a clear understanding of what is required on the surface to create a prosperous society and a healthy environment. The Telosians and many other spiritually advanced civilizations are very real inside the Earth. They are coming forward at this time to inspire us to follow in their footsteps. The return of the Lemurians and their eventual emergence among us is nothing less than the Second Coming that we have been waiting for for so very long. The Lemurians have long achieved the fullness of the Christ consciousness, and as we are ready to receive them among us, they will teach us how to implement right here on the surface of this planet the type of paradise they have forged for themselves in Telos. They will assist us in building a golden age that will manifest the fullness of the Christ consciousness, which is the divinity that has always been there within our hearts. The indwelling Christ of our being becoming tangibly manifested on this planet and in our daily lives.

**Lemuria** Una Marcotte,2018-10-25 Before Atlantis, there was Lemuria. No one is certain as to when this civilization existed, but an educated guess is around 300,000 BC. It was a time when people began to live in communities and build shelters by the sea, for water was very sacred to them. The Lemurians were a highly spiritual people and practiced equality as it has never been practiced since. Everyone was equal regardless of what labor they provided for the welfare and comfort of everyone else. There was a Council of Elders, wise men and women who offered advice and suggestions to those asking for help, but even this group had no jurisdiction over anyone else in their village. The Lemurians possessed a group mind where no individuality existed or was even thought about, and where no one belonged to anyone else. Even children did not belong to their mothers but to everyone residing in the community. The concept of marriage and family simply did not exist. No one owned anything; either land, homes, and even possessions belonged to everyone in the community. It was also a matriarchal society where women were highly respected and had an equal voice with men. Learning about their lifestyle and culture, it quickly becomes apparent that modern humans would have a difficult time understanding the people of this ancient

civilization Yet it is important for humans of today to learn about Lemuria as this shift in thinking in consciousness that is permeating the world is actually a return to this kind loving compassionate Lemurian energy The whole world is now slowly stepping up or ascending into this higher vibrational energy of love as exhibited by the earth s first civilization namely Lemuria *Mass Awakening* Shoshi Herscu,2018-10-08 The Truth has been hidden from us while a global policy of mass depopulation and exploitation has been carried out behind the scenes for the past half century The author an independent journalist became aware of this agenda only in the past few years She found it hard to believe but in depth research and the testimony of whistleblowers worldwide have exposed these strategies They include geoengineering chemtrails fluoridation of water supplies GMOs vaccinations false flag terrorist attacks and economic warfare by the group David Wilcock calls the Cabal However despite this grim reality a positive shift of mass awakening is occurring worldwide Tribunals are being established to prosecute elite offenders revelations of hidden technology like free energy and new economic models are being put forth The author shows how humanity is claiming its rightful heritage as spiritual beings and charts the course of our elevation of consciousness MASS AWAKENING gives us all real hope for an amazing future Mass Awakening is Shoshi Herscu s well researched and yet profoundly personal handling of intensely shocking material rarely covered in print It is both a true inspiration and a much needed breath of fresh air Ada Tourtsakis PrepareForChangeLeadership.org [The Book of Apocalypse explained by Archangel Michael and the Family of Light](#) Giovanni Orlando,2010 [The Spirit of Transition](#) ,
