Revelations Alabamas Visionary Folk Artists:

Revelations Kathy Kemp, 1994 Visionary folk art is typified by an artist's ability to create without training or traditional materials. These vivid, fresh, primitive and spiritually inspired works have collectors flocking to drink from the wellspring of visionary folk works. *Revelations* covers Alabama's key visionary folk artists such as Howard Finster, Thornton Dial, Bill Taylor and Lonnie Holley. *American Folk Art* Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place, informed by innovation and grounded in cultural context. The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays. *American Folk Art: A Regional Reference* offers a collection of fascinating essays on the life and work of 300 individual artists. Some of the men and women profiled in these two volumes are well known, while others are important practitioners who have yet to receive the notice they merit. Because many of the artists in both categories have a clear identity with their land and culture, the work is organized by geographical region and includes an essay on each region to help make connections visible. There is also an introductory essay on U.S. folk art as a whole. Those writing about folk art to date tend to view each artist as either traditional or innovative. One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits: they are grounded in their cultural context and creative in the way they make work their own. Such insights expand the study of folk art even as they readjust readers' understanding of who folk artists are. *Alabama in the Twentieth Century* Wayne Flynt, 2004-10-10 A native son and accomplished historian does not flinch from pointing out Alabama's failures from the past 100 years; neither is he restrained in calling attention to the state's triumphs in this authoritative popular history of the past 100 years. **Alabama Creates** Elliot A. Knight, 2019-07-02 A visually rich survey of two hundred years of Alabama fine arts and artists. Alabama artists have been an integral part of the story of the state, reflecting a wide-ranging and multihued sense of place through images of the land and its people. Quilts, pottery, visionary paintings, sculpture, photography, folk art and abstract art have all contributed to diverse visions of Alabama's culture and environment. The works of art included in this volume have all emerged from a distinctive milieu that has nourished the creation of powerful visual expressions, statements that are both universal and indigenous. Published to coincide with the state's bicentennial, *Alabama Creates: 200 Years of Art and Artists* features ninety-four of Alabama's most accomplished, noteworthy and influential practitioners of the fine arts from 1819 to the present. The book highlights a broad spectrum of artists who worked in the state from its early days to its current and contemporary scene, exhibiting the full scope and breadth of Alabama art. This retrospective volume features biographical sketches and representative examples of each artist's most masterful works. Alabamians like Gay Burke, William Christenberry, Roger Brown, Thornton Dial, Frank Fleming, the Gee's Bend Quilters, Lonnie Holley, Dale Kennington, Charlie Lucas, Kerry James Marshall, David Parrish and Bill Traylor are compared and considered with other nationally significant artists. *Alabama Creates* is divided into four historical periods, each spanning roughly fifty years and introduced by editor

Elliot A Knight Knight contextualizes each era with information about the development of Alabama art museums and institutions and the evolution of college and university art departments The book also contains an overview of the state s artistic heritage by Gail C Andrews director emerita of the Birmingham Museum of Art Alabama Creates conveys in a sweeping and captivating way the depth of talent the range of creativity and the lasting contributions these artists have made to Alabama s extraordinarily rich visual and artistic heritage **The Story Quilts of Yvonne Wells** Stacy I. Morgan, Yvonne Thomas Wells, 2024-09-05 A comprehensive and richly illustrated survey of one of the most significant and intriguing quilters of the 21st century featuring 109 color plates of Wells s narrative quilts with intimate commentaries by Wells herself

Folk Art, 2000 *Souls Grown Deep* William Arnett, 2000 The first comprehensive overview of an important genre of American art *Souls Grown Deep* explores the visual arts genius of the black South This first work in a multivolume study introduces 40 African American self taught artists who without significant formal training often employ the most unpretentious and unlikely materials Like blues and jazz artists they create powerful statements amplifying the call for freedom and vision [Encyclopedia of American Folk Art](#) Gerard C.
