Rafael, from the Fr. by Mrs. C. Hoey Louis Marie Ernest Daudet, 1896 **The Gnostic New Age** April D.

DeConick, 2016-09-27 Gnosticism is a countercultural spirituality that forever changed the practice of Christianity. Before it emerged in the second century, passage to the afterlife required obedience to God, and King Gnosticism proposed that human beings were manifestations of the divine, unsettling the hierarchical foundations of the ancient world. Subversive and revolutionary, Gnostics taught that prayer and mediation could bring human beings into an ecstatic spiritual union with a transcendent deity. This mystical strain affected not just Christianity but many other religions, and it characterizes our understanding of the purpose and meaning of religion today. In *The Gnostic New Age*, April D. DeConick recovers this vibrant underground history to prove that Gnosticism was not suppressed or defeated by the Catholic Church long ago, nor was the movement a fabrication to justify the violent repression of alternative forms of Christianity. Gnosticism alleviated human suffering, soothing feelings of existential brokenness and alienation through the promise of renewal as God. DeConick begins in ancient Egypt and follows with the rise of Gnosticism in the Middle Ages, the advent of theosophy and other occult movements in the nineteenth and early twentieth centuries, and contemporary New Age spiritual philosophies. As these theories find expression in science fiction and fantasy films, DeConick sees evidence of Gnosticism's next incarnation. Her work emphasizes the universal countercultural appeal of a movement that embodies much more than a simple challenge to religious authority. *The Foreign Quarterly Review*, 1838 *They Are All Our Sons* Brad Zervas, 2017-05-25 Brad Zervas observed twenty years ago that the boys we once were are the men who we become, and the same is true today. It's a startling observation given that all is not well in America and around the world, especially for young men of color. *They Are All Our Sons* shares a series of tragic and uplifting stories that convey five key principles that can ignite these boys. These principles will lead them to a manhood rooted in grace, dignity, respect, community engagement, familial connection, and civility. With nearly forty years of experience as a leader, educator, community activist, and youth advocate, Zervas shares lessons from relationships with boys who have succeeded and soared, as well as insights from those who have been distracted, lost, and forgotten. Our nation faces a crisis of epic proportions, and it is time to recognize that these boys have value and merit our love, attention, and commitment. *Charles I* Arthur Butler, 2023-05-18 Reprint of the original first published in 1874. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

Relapse Nikki Turner, 2010-04-20 Nikki Turner, Queen of Hip Hop Lit, is back with one of her gutsiest female characters yet: a glamorous chick with a high-end hustle that can rival any man's game. As the respected, renowned concierge for a luxury hotel chain, Beijing Lee caters to the wealthy and famous. Whether it's securing a dinner reservation, a fleet of limos, or a

record deal or protecting her clients from the paparazzi there's nothing Beijing can't do. She's stacked up an impressive pile of IOUs from the world's elite and one day she decides it's time to start cashing in. Before long she's a five star diva running her own lucrative business where she secures her clients their most outrageous and increasingly illegal desires. But Beijing has her own addiction: a man named Lootchee who lavishes her with even more diamonds and luxury than she already has. But behind Lootchee's charm and over the top romantic gestures is a selfish high stakes hustler who lures Beijing into a dangerous web that takes even this seasoned enterpriser by surprise and breaks her heart in the process. Once the ball finally drops it'll take a ghost from Beijing's past to rescue her not only from those who are out to seriously harm her but from herself.

Natural Born Hustler Nikki Turner, 2010-10-05 BONUS This edition contains an excerpt from Nikki Turner's *Heartbreak of a Hustler's Wife*. The reigning Queen of Hip Hop Lit Nikki Turner returns with a fresh and fierce tale sure to satisfy longtime fans and create new ones. Desember Day is beautiful, confident and smart. She has more game in the streets than a basketball player does on the court and her boyfriend Fame loves every single inch of her. But unlike her mother who has been in one bad relationship after another, Desember is not going to wait on a knight in shining armor to save her and even her love for Fame can't stand in the way of Desember selling anything and everything legal or illegal that can turn a profit so that she never has to depend on a man. The only thing Desember feels she's lacking is a father to call her own. And her mother refuses to tell Desember who he is. When Fame finds himself at the wrong end of a gun fighting for his life, Desember wants nothing more than to stand by her man but Fame warns her from his hospital bed that she isn't safe. Desember wonders if she was the real target. Her mother, concerned for Desember's safety, arranges for her daughter to travel to Richmond, Virginia to live with Desember's father and his wife. And when her father's identity is finally revealed, Desember learns that she is a Natural Born Hustler. But are her troubles really over? Or is the worst yet to come?

Dictionary of Philosophy and Psychology James Mark Baldwin, 1901 *Free at Last* Ronald Coleman, 2004 The author takes you on a journey of political intrigue whereby Quebec achieves its independence in the year 2007. It is a convincing tale of political vengeance, intrigue, misunderstandings, foreign intervention, international muckracking, boundless egos, unbridled ambition, revenge and political folly. A country admired by most for its tolerance and pragmatism is destroyed by internal strife and turmoil caused by unattended divisions and progressing socialism. A concerned and antagonistic neighbour acting on the doctrine of preserving democracy uses subversion and covert operations in order to undermine authority and order. Internally, a series of first minister's meetings and a constitutional conference fail, creating an authority vacuum and generalized anxiety. Concurrently, the United States, the UK and France interfere to prevent potential solutions from saving the country. The ultimate result is not at all what Quebecers envisioned. It is, however, an ending that many Canadians would come to accept as inevitable. As an alternative, the author proposes two alternate endings resultant from the exercise of tolerance: good will, reasonable solutions to long standing problems and a change in outlook from internal conflict and age old

grievances to a future that engages in globalization and positive perspectives The book is a realistic but harsh look at Canadian politics told in a humorous satirical style that reveals what can happen when a country fails to confront its history and relies on illusions and favoritism in order to quell dissent It is chilling to think of how easy it would really be for Canada to disintegrate
