Millman, 2007 In the early days of swing dancing Frankie Manning stood out for his moves and his innovative routines he created the air step in the Lindy hop a dance that took the U S and then the world by storm In this fascinating autobiography choreographer and Tony Award winner Black and Blue Frankie Manning recalls how his first years of dancing as a teenager at Harlem's Savoy Ballroom led to his becoming chief choreographer and a lead dancer for Whitey's Lindy Hoppers a group that appeared on Broadway in Hollywood musicals and on stages around the globe Manning brings the Swing Era vividly back to life with his recollections of crowded ballrooms and of Lindy hoppers trying to outdo each other in spectacular performances His memories of the many headliners and film stars as well as uncelebrated dancers with whom he shared the stage create a unique portrait of an era in which African American performers enjoyed the spotlight if not a star's prerogatives and salary With collaborator Cynthia Millman Manning traces the evolution of swing dancing from its early days in Harlem through the post World War II period until it was eclipsed by rock n roll and then disco When swing made a comeback Manning s 30 year hiatus ended He has been performing choreographing and teaching ever since Whole Works of the Late Reverend Thomas Boston ...
