Revisionist A Novel:

The Revisionist Helen Schulman,1998 A stunning portrayal of the indelible shadow of the Holocaust on our century told the tragi comic story of a man s obsessive search for historical truth both universal and personal The Revisionist Tobias Roberts,2021-12-07 The Revisionist is a novel of many voices brilliantly arranged Its themes are mysterious its tone compassionate its conclusions beguiling In Tobias Roberts s first novel we are presented with a series of clinical historical and literary documents outlining the lives and tragedies of the psychiatrist Isaac Himmelfarb and his wife Sarah whose marriage is strained by the grief of a miscarriage At the same time Sarah s recently deceased father Doctor Zachary Weiss has bequeathed her still other papers which detail his psychoanalytic sessions with a patient of his named Pierce It seems this man Pierce claimed to have developed the ability to revise reality by means of his dreams This is an ability that the curious Doctor Weiss cannot help but put to the test and that a heartbroken Sarah cannot help but hope is real **The Epitome of Evil** M. Butter,2009-04-27 This study explores the literary representations of Adolf Hitler in American fiction and makes the case that his figure has slowly developed from a means of left wing critique into a device of right wing affirmation

Marginality in the Contemporary British Novel Nicola Allen,2011-10-27 The Marginal as a concept has become an integral part of the British novel as it stands at the turn of the century Both popular and literary fiction since the mid 1970s has seen an increasing emphasis on the marginal subject This study offers readings of a wide range of contemporary British novels that represent characters or communities at the margin of society Nicola Allen analyses three conceptual categories representing the marginal subject in the contemporary British novel the character of the misfit or outsider the emergence of the grotesque and the rediscovery of previously marginalized narratives such as myth and fantasy This innovative and original monograph focuses on the contention that the contemporary novel of marginality conveys a belief in the socially transformative powers of narrative and suggests that narrative has played a central role in bringing marginal politics and marginal issues to the fore in contemporary Britain *Pynchon's Against the Day* Jeffrey Severs,Christopher

Leise,2011-02-24 Thomas Pynchon s longest novel to date *Against the Day* 2006 excited diverse and energetic opinions when it appeared on bookstore shelves nine years after the critically acclaimed *Mason* its commentary on science belief and faith and its views on politics and economics the contributors contend that *Against the Day* is not only a major addition to Pynchon s already impressive body of work but also a defining moment in the emergence of twenty first century American literature

The Anglo-Irish Novel and the Big House Vera Kreilkamp, 1998-10-01 This book is a comprehensive study of the ascendancy novel from Maria Edgeworth's Castle Rackrent 1800 through contemporary reinventions of the form Kreilkamp argues that Irish fiction needs to be rescued from the critical assumptions underlying attacks on the historical mythologies of Yeats and the Literary Revival Exploring the uniquely Irish dimensions of colonial and post colonial societies Kreilkamp charts the self critical formulations of a gentry culture facing its extinction more often and more successfully with comic irony than nostalgia Kreilkamp positions the Big House novels within current debates in postcolonial criticism and theory She argues that these fictional representations of a beleaguered society provide a complex nuanced gaze into a hybrid colonial group that distanced itself from the self aggrandizements of the revivalists As she examines the gothic revisionist and postmodern permutations of an enduring national form she illustrates the ways ascendancy women transformed conventions of an English domestic genre into political fiction Her attention to Edgeworth's Irish works the fiction of the neglected Victorian novelist Charles Lever and the gothic forms of the Big House by Sheridan Le Fanu and Charles Maturin provide a historical context for later reformulations of the genre by Somerville and Ross Elizabeth Bowen Molly Keane William Trevor Jennifer Johnston Aidan Higgins and John Banville

Revis(it)ed Ina Bergmann,2020-12-29 The Nineteenth Century Revis it ed The New Historical Fiction explores the renaissance of the American historical novel at the turn of the twenty first century The study examines the revision of nineteenth century historical events in cultural products against the background of recent theoretical trends in American studies It combines insights of literary studies with scholarship on popular culture The focus of representation is the long nineteenth century a period from the early republic to World War I as a key epoch of the nation building project of the United States The study explores the constructedness of historical tradition and the cultural resonance of historical events within the discourse on the contemporary novel and the theory formation surrounding it At the center of the discussion are the unprecedented literary output and critical as well as popular success of historical fiction in the USA since 1995 An additional postcolonial and transatlantic perspective is provided by the incorporation of texts by British and Australian authors and especially by the inclusion of insights from neo Victorian studies The book provides a critical comment on current and topical developments in American literature culture and historiography *Friends and Enemies* Chris Bongie,2008-01-01 This

timely contribution to debates about the future of postcolonial theory explores the troubled relationship between politics and the discipline both in the sense of the radical political changes associated with the anti colonial struggle and the implication of literary writers in institutional discourses of power Using Haiti as a key example Chris Bongie explores issues of commemoration and commodification of the post colonial by pairing early nineteenth century Caribbean texts with contemporary works An apt volume for an age that struggles with the reality of memories of anti colonial resistance *Friends and Enemies* is a provocative take on postcolonial scholarship *Art, Imagination and Christian Hope* Gavin

Hopps,2016-12-05 In hope Christian faith reconfigures the shape of what is familiar in order to pattern the contours of God s promised future In this process the present is continuously re shaped by ventures of hopeful and expectant living In art this same poetic interplay between past present and future takes specific concrete forms furnishing vital resources for sustaining an imaginative ecology of hope This volume attends to the contributions that architecture drama literature music and painting can make as artists trace patterns of promise resisting the finality of modernity s despairing visions and generating hopeful living in a present which although marked by sin and death is grasped imaginatively as already pregnant with future
