Duewel, 1996 Beginning with Elijah and God s tremendous one day revival of Israel Wesley Duewel tells stories of revivals spanning the globe from America to China to Africa all brought by obedience and heartfelt prayer He illustrates how God has used revival fire through the centuries to revive the church and reveal the glorious presence of the Holy Spirit Every Christian MUST read this most unusual account of revivals      Fire of Revival Ryan LeStrange, 2012-01-24 What is Revival It is the absolute manifestation of the presence of God Almighty in the midst of His people Revival is a wave that overtakes churches cities and regions with the power of God When revival rushes into a community it turns things upside down and ushers hearts back into the deeper things of God Revival is a city shaking      Letters on Revival Charles G. Finney, 1845 Revivals of religion have been gradually becoming more and more superficial All the phenomena which they exhibit testify to this as a general fact There is very much less deep conviction of sin and deep depth of humility and much less strength in all the graces exhibited by converts in late revivals than in the converts from the revivals which occurred about 1830 and 1831 and for some time previous I have observed as have others also that revivals are of much shorter duration and that a reaction comes on much more suddenly and disastrously than formerly Also that fewer of the converts make stable and efficient Christians that those who do persevere appear to have less of the Spirit of Christ than in former revivals not so much of the spirit of prayer and are not so modest and humble In short all the phenomena of the more recent revivals judging from my own experience and observation and from the testimony of other witnesses show that they have at least very extensively taken on a much less desirable type than formerly Christians are much less spiritual in revivals much less prevalent in prayer not so deeply humbled and quickened and thoroughly baptized with the Holy Ghost as they were formerly These statements I do not suppose to be universally

applicable to modern revivals but I do believe them to be applicable generally As revivals now exist I believe ministers are not nearly as desirous of seeing them in their congregations as they formerly were nor have they good reason to be Those ministers who have witnessed none but the later revivals of which I speak are almost afraid of revivals They have seen the disastrous results of modern revivals so frequently that they honestly entertain the doubt whether they are upon the whole desirable Those as I have good reason to know who saw the revivals which occurred ten or twenty years ago greatly prefer revivals of that type They are distressed with the superficiality of many recent revivals I make this as a general not a universal remark and state only my own opinion of public sentiment I have often heard it said both among ministers and private Christians we long to see the days return when we shall have such revivals as we saw years ago I have been anxiously watching the progress of things in this direction and inquiring as carefully and prayerfully as I could into the causes which are operating to produce these results If I am not misinformed and have not greatly misapprehended the case the following will be found among them      **Revival Fire** Charles G. Finney,192?      *The Fire of God* Joy Dawson,2011-07-28 Fires produce warmth comfort and distinctive beauty Because our God is a consuming fire He produces all that and much more Understanding the fire of God allows you to pass through everyday scorching ordeals into the light of His empowering embrace without being burned The Fire of God Frees you from carnal desires Tests and purifies you Provides perseverance and strength Reveals His justice grace and mercy For our God is a consuming fire Hebrews 12 29 Filled with powerful biblical teaching and personal illustrations author Joy Dawson shares how you can quench the inevitable fiery trials of life

*The Revival Fire of God* Babatunmishe Oke,2010-01-08 This is a prayer handbook that expolres how the Revival anointing of God through the medium of fire is used to solve various problems and correct situations in the reader s life      **Spiritual Mapping in the United States and Argentina** René Holvast,2009 Referring to U S Evangelicalism and Neo Pentecostalism this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping with special attention to theological and anthropological concepts The result is a facinating picture of modern Christian Americanism

**Fire From Heaven** Mark I. Bubeck, Craig Bubeck, 2010-01-01 There is a great awakening on the 21st century church's horizon and it depends on you All the signs of history and culture point to the certainty of God bringing about revival to his people one by one and soon Satan knows that to resist broad scope revival the spiritual battlefield is ironically very personal You must understand your vital part in the immanent battle and equip yourself enthusiastically to answer the call The corporate body of Christ's war is very personal battle it is in a real sense an army of one
