Our Cry for Revival Nick Harrison, 2024-11-05 What Christian isn t hungering for revival Not just an emotional display of faith but a revival that changes lives renews churches and can even change history Such revivals as the Great Awakening the Welsh Revival and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active Even smaller revivals such as the recent revival at Asbury University in Wilmore Kentucky caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God The recent movie *The Jesus Revolution* was a surprise success at the box office as once again Christians flocked to hear about revival Make no mistake there is a worldwide hunger for revival and especially so among American Christians The great news is that every Christian has a part to play in bringing about revival That part is first last and always prayer Revivals are born from prayer But will Christians pray Do they really want revival If recent events are indications of that fresh hunger for God in our midst then the answer is a resounding yes With daily Scripture readings reflections prayer prompts and quotes from classic Christian leaders this 365 day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer Yes revival is on its way Will you be one of the prayer warriors to usher in this next great move of God

Counterfeit Revival Hank Hanegraaff, 2001-07-28 Hank Hanegraaff documents the danger of looking for God in all the wrong places and goes behind the scenes into the wildly popular and bizarre world of contemporary revivalism

Hanegraaff masterfully exposes the stark contrast between these deeds of the flesh and a genuine work of the Spirit by contrasting modern revivals with the scriptural examples of God's movement among His people **To Meet and Satisfy a Very Hungry People** Timothy B Walsh, 2014-07-08 A scholarly examination of the emergence of English Pentecostalism at the beginning of the twentieth century This study aims to elucidate the origins of how the Pentecostal message came to England highlighting reasons for its appeal to an initially small constituency while tracing its emergence in specific religious localities which ranged from Anglican vestry to mission hall platform to domestic drawing room Its chief purpose is to examine the origins and emergence of a distinctively English version of the Pentecostal phenomenon *Revival Fire, 150 Years of Revivals, Spiritual Awakenings and Moves of the Holy Spirit* Mathew Backholer, 2018-02-01 Updated in 2020 Revival Fire 150 Years of Revivals features twelve of the most potent heaven sent revivals that the world has seen in the past one hundred and fifty years Including the Prayer Meeting Revival of 1857 that reverberated around the world the Azusa Street Revival that ushered in the modern Pentecostal movement the Pyongyang Great Revival where the Korean church less than a generation old swept the country the Gold Coast Revival on the west coast of Africa and the Shillong Revival in India of the twenty first century Discover how Christians prayed the Scriptures that they pleaded the challenges faced and how they saw the blessing of God in their towns and cities as the Holy Spirit came down and convicted saints converted sinners and transformed lives unto the praise and glory of God The author makes many references to other lesser known revivals and brings facts to life through the use of detailed descriptions statistics interviews and eye witness accounts coupled with his broad and extensive knowledge of revival church history makes this book informative and a truly inspirational read Learn from the past be challenged for the present and be inspired for the future **Authentic Fire** Michael L. Brown, 2015-07-07 In response to Pastor John MacArthur's call for a collective war against charismatics Dr Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness of the Spirit As a charismatic biblical scholar and theologian Dr Brown responds to Pastor MacArthur's charges making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions theology and worship made by the charismatic Church worldwide He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics inviting readers to experience God afresh and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades Dr Brown speaks on behalf of millions who are not adequately trained to express in writing their own encounters with the supernatural power of God David Ravenhill I thank God for this biblically robust pastorally sensitive historically informed and graciously articulated account of the work of the Holy Spirit in the church of Jesus Christ Sam Storms Dr Michael Brown's Authentic Fire puts the brakes on John MacArthur's crusade against charismatics with irrefutable logic extraordinary insight Christ like graciousness and an undisputable handling of Scripture Frank Viola Michael Brown writes with clarity and courtesy as he confronts one of the most explosive issues among all those

Freedom's Coming Paul Harvey,2012-09-01 In a sweeping analysis of religion in the post Civil War and twentieth century South Freedom s Coming puts race and culture at the center describing southern Protestant cultures as both priestly and prophetic as southern formal theology sanctified dominant political and social hierarchies evangelical belief and practice subtly undermined them The seeds of subversion Paul Harvey argues were embedded in the passionate individualism exuberant expressive forms and profound faith of believers in the region Harvey explains how black and white religious folk within and outside of mainstream religious groups formed a southern evangelical counterculture of Christian interracialism that challenged the theologically grounded racism pervasive among white southerners and ultimately helped to end Jim Crow in the South Moving from the folk theology of segregation to the women who organized the Montgomery bus boycott from the hymn inspired freedom songs of the 1960s to the influence of black Pentecostal preachers on Elvis Presley Harvey deploys cultural history in fresh and innovative ways and fills a decades old need for a comprehensive history of Protestant religion and its relationship to the central question of race in the South for the postbellum and twentieth century period

Pentecostal Power Calvin Smith,2010-11-26 During the 1980s an explosion of Pentecostalism across Latin America attracted considerable attention among sociologists political scientists and regional experts eventually spreading to other academic disciplines Indeed ongoing spectacular growth and the social and political impact of the movement have strongly challenged secularization theory Yet while studies exploring the phenomenon are plentiful many limit their analysis to a single country issue or the perspective of a particular discipline Thus this edited volume provides readers with a multidisciplinary and continent wide treatment of the nature and effects of Latin American Pentecostalism including a theological analysis notably absent in most studies by various experts with published work in the field and as such represents an important contribution to the current literature Return to the Upper Room Riaan Engelbrecht,2023-01-27 A Return to the Upper Room continues to be an in depth study into the Holy Spirit who is not a mere force He is not energy The Holy Spirit is a person and part of the Trinity along with the Father and the Son God is Sovereign and just so God wills and moves according to His will Just so the Spirit of the Lord moves and acts never out of His own accord but always follows the leading of the Father So the Spirit is interdependent as there is a mutual dependency within the Trinity The work of the Spirit is far greater in scope than merely the spiritual gifts for the Spirit of the Lord leads us in our calling on the narrow path to the glory of the Lord It is of utmost necessity for the Church to be one that is utterly and completely Spirit filled and not led by the flesh For only in the Spirit can we fulfil the Great Commission be true disciples and walk in His truth His way and His life This volume of work explores in greater depth the Holy Spirit s role in the church thus in the life of disciples It explores how revival is directly connected to the flow of the Spirit
