Revived Church:

Anatomy of a Revived Church Thom S. Rainer, 2022-08 There is hope God can save your church In this book Thom Rainer reveals seven findings of revived churches Through new research he figuratively dissects hundreds of churches that were on the path toward death But they turned around They revitalized They did so in the face of facts and naysayers who told them it could not be done Today three out of four churches are declining in our nation and twenty percent of churches are close to death What are the secrets of the churches who avoided this fate and experienced revival In Anatomy of a Revived Church Thom will show you how these churches experienced renewal He will cover everything from expanding the scorecard to dealing with toxins to choosing meaningful membership When you finish reading this book you will have the tools to strengthen restore and energize your church You can choose life for your church

Reviving the Black Church Thabiti Anyabwile, 2015-10-01 Is the Black Church dying The picture is mixed and there are many challenges The church needs spiritual revival But reviving and strengthening the Black Church will require great wisdom and courage Reviving the Black Church calls us back to another time borrowing the wisdom of earlier faithful Christians But more importantly it calls us back to the Bible itself For there we find the divine wisdom needed to see all quarters of the Black Church live again thriving in the Spirit of God It s pastor and church planter Thabiti Anyabwile s humble prayer that this book might be useful to pastors and faithful lay members in reviving at least some quarters of the Black Church and churches of every ethnicity and context all for the glory of God

Revival Martyn Lloyd-Jones, 1987-02-01 In every era the church needs revival certainly today as much as ever And in the heart of every committed Christian there is the longing for personal revival to know the quality and depths of spiritual reality and the presence of God in one s personal life This was the deepest desire of Dr Martyn Lloyd Jones one of the great 20th century Bible expositors It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales and swept across England and throughout the United States and to the far corners of the world As Dr Lloyd Jones recognized it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit and a time of special interest of every Christian who longs for revival today As Dr J I Packer writes in his foreword Dr Lloyd Jones believed in the necessity of revival that is a quickening divine visitation as the only vent that can avert ultimate spiritual disaster The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all Dr Lloyd Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible Clearly and forcefully he presents a masterful exposition of the circumstances accompanying revival in the past why each generation needs it and how it will come about today We must come to the sovereign God forsake our sin and wait upon Him for this special essential outpouring God bring us revival
