Revolution and Counter-revolution

Peter Calvert,1990 Revolution is a key concept in the social sciences and this book aims to show how revolution must by its nature be disputed It re examines the place of revolution in modern social theory and reasserts the need for systematic study in the social sciences Revolution in Iran Parviz Daneshvar,2016-07-27

Revolutions are watershed events that attempt to transform the existing political order and replace it with a new but better one Yet the hallmark of most revolutions has been violence war and dictatorship The Iranian Revolution of 1979 has been no exception This book offers a critical analysis of the Iranian Revolution It focuses on the upheavals that led to the fall of the Shah It provides the reader with an appreciation for the interplay of forces in the making of the 1979 revolution and the emergence of the Islamic regime **British Diplomacy**

and the Iranian Revolution, 1978-1981 Luman Ali,2018-07-19 This book investigates how British diplomats in Tehran and London reacted to the overthrow of the Shah and the creation of an Islamic Republic in Iran which had previously been a major political and commercial partner for London in the Middle East Making substantial use of recently declassified archival material the book explores the role of a significant diplomatic institution the resident embassy and the impact of revolutions on diplomatic relations It evaluates the performance of those charged with British diplomacy during the Iranian Revolution as Britain s position fell from favour under the post revolutionary regime Examining the views of key diplomatic personnel at the Foreign and Commonwealth Office and British ministers this study seeks to explain how British policy towards Iran was shaped and the means of diplomacy employed In charting the evolution of Britain s diplomatic relationship with Iran during this period a number of factors are considered including historical experience geography economics world politics and domestic concerns It also highlights the impact of events within the Iranian domestic political scene which were beyond London s control but which shaped British policy significantly **The Age of Counter-Revolution** Jamie

build a modern pro Western state and launch Iran onto the world stage as one of the world's top five powers. Readers get the story of the Shah's political career alongside the story of his courtship and marriage to Farah Diba who became a power in her own right, the beloved family they created and an exclusive look at life inside the palace during the Iranian Revolution. Cooper's investigative account ultimately delivers the fall of the Pahlavi dynasty through the eyes of those who were there: leading Iranian revolutionaries, President Jimmy Carter and White House officials, US Ambassador William Sullivan and his staff in the American embassy in Tehran, American families caught up in the drama, even Empress Farah herself and the rest of the Iranian Imperial family. Intimate and sweeping at once, *The Fall of Heaven* recreates in stunning detail the dramatic and final days of one of the world's most legendary ruling families, the unseating of which helped set the stage for the current state of the Middle East.

Women's Liberation and the Dialectics of Revolution Raya Dunayevskaya, 1996. This collection of 35 years of Dunayevskaya's writings based on active participation interviews and meetings develops the dialectics of revolution which emerges from masses in motion including not only women and men but the forces of labour, youth, the black dimension and women's liberation.

US Foreign Policy and the Iranian Revolution C. Emery, 2013-10-15. This book provides a fresh perspective on the origins of the confrontation between the US and Iran. It demonstrates that contrary to the claims of Iran's leaders, there was no instinctive American hostility towards the Revolution and explains why many assumptions guiding US policy were inappropriate for dealing with the new reality in Iran.

Monumental Conflicts Derek R. Mallett, 2017-11-13. *Monumental Conflicts* examines 20th century wars from the First World War to the First Gulf War, each chapter analyzing how public memory has evolved over time. The chapters raise fascinating questions about war and memory: Why are wars remembered as they are? What factors drive changes in public perception? What implications arise from remembering and commemorating a war or particular aspects of a war? What does public memory of a war say about us as a society? The volume is divided into three sections focusing on political evolution, negotiated memories of war and national pride, and covers international wars from Afghanistan to Vietnam and German deserter monuments to Vietnamese war tourism.
