

Revolution And Religion

Bryan A. Banks, Erica Johnson

Revolution And Religion:

Religion and the American Revolution Katherine Carté,2021-04-20 For most of the eighteenth century British protestantism was driven neither by the primacy of denominations nor by fundamental discord between them Instead it thrived as part of a complex transatlantic system that bound religious institutions to imperial politics As Katherine Cart argues British imperial protestantism proved remarkably effective in advancing both the interests of empire and the cause of religion until the war for American independence disrupted it That Revolution forced a reassessment of the role of religion in public life on both sides of the Atlantic Religious communities struggled to reorganize within and across new national borders Religious leaders recalibrated their relationships to government If these shifts were more pronounced in the United States than in Britain the loss of a shared system nonetheless mattered to both nations Sweeping and explicitly transatlantic Religion and the American Revolution demonstrates that if religion helped set the terms through which Anglo Americans encountered the imperial crisis and the violence of war it likewise set the terms through which both nations could imagine the possibilities of a new world

God of Liberty Thomas S Kidd,2010-10-05 A thought provoking meticulously researched testament to evangelical Christians crucial contribution to American independence and a timely appeal for the same spiritual vitality today Washington Times At the dawn of the Revolutionary War America was already a nation of diverse faiths the First Great Awakening and Enlightenment concepts such as deism and atheism had endowed the colonists with varying and often opposed religious beliefs Despite their differences however Americans found common ground against British tyranny and formed an alliance that would power the American Revolution In God of Liberty historian Thomas S Kidd offers the first comprehensive account of religion s role during this transformative period and how it gave form to our nation and sustained it through its tumultuous birth and how it can be a force within our country during times of transition today

The French Revolution and Religion in Global Perspective Bryan A. Banks, Erica Johnson,2017-09-27 This volume examines the French Revolution s relationship with and impact on religious communities and religion in a transnational perspective It challenges the traditional secular narrative of the French Revolution exploring religious experience and representation during the Revolution as well as the religious legacies that spanned from the eighteenth century to the present Contributors explore the myriad ways that individuals communities and nation states reshaped religion in France Europe the Atlantic Ocean and around the world

Revolution and Religion in Modern China Frank Joseph Rawlinson,1929

The Religious Origins of the French Revolution Dale K. Van Kley,1996-01-01 Although the French Revolution is associated with efforts to dechristianize the French state and citizenry it actually had long term religious even Christian origins claims Dale Van Kley in this controversial new book Looking back at the two and a half centuries that preceded the revolution Van Kley explores the diverse often warring religious strands that influenced political events up to the revolution

Republican Religion G. Adolf Koch,2009-04-08

Revolution, Religion, and National Identity Peter M. Doll,2000-07 Starting from a

discussion of the constitutional and theological basis of the establishment of the Church of England Peter Doll relates how in response to the events of this period a colonial Anglican church establishment changed from a merely theoretical ideal to a cornerstone of post Revolutionary colonial policy in British North America BOOK JACKET *The Religious Revolution of To-day* James T. Shotwell, 1913

Religion and Revolution in France, 1780-1804 Nigel Aston, 2000 While the French Revolution has been much discussed and studied its impact on religious life in France is rather neglected Yet during this brief period religion underwent great changes that affected everyone clergy and laypeople men and women Catholics Protestants and Jews The Reigns of Terror of the Revolution drove the Church underground permanently altering the relationship between Church and State In this book Nigel Aston offers a readable guide to these tumultuous events While the structures and beliefs of the Catholic Church are central it does not neglect minority groups like Protestants and Jews Among other features the book discusses the Constitutional Church the end of state support for Catholicism the Dechristianization campaign and the Concordat of 1801 2 Key themes discussed include the capacity of all the Churches for survival and adaptation the role of religion in determining political allegiances during the Revolution and the turbulence of Church State relations In this masterly study based on the latest evidence Aston sheds new light on a dynamic period in European history and its impact on the next 200 years of religious life in France

Reformation to Revolution Margo Todd, 2002-01-31 Few periods of English history have been so subject to revisionism as the Tudors and Stuarts This volume offers a full introduction to the complex historiographical debates currently raging about politics and religion in early modern England It draws together thirteen articles culled from familiar and also less accessible sources embraces revisionist and counter revisionist viewpoints combines controversial works on both politics and religion covers Tudor as well as early Stuart England includes helpful glossary explanatory headnotes and suggestions for further reading These carefully edited and introduced essays draw on the new evidence of newsletters and ballads and ritual as well as the more traditional sources to offer a new and broader understanding of this transformative era of English history

Revolution as Reformation Peter C. Messer, William Harrison Taylor, 2021-01-19 Essays that explore how Protestants responded to the opportunities and perils of revolution in the transatlantic age Revolution as Reformation Protestant Faith in the Age of Revolutions 1688 1832 highlights the role that Protestantism played in shaping both individual and collective responses to revolution These essays explore the various ways that the Protestant tradition rooted in a perpetual process of recalibration and reformulation provided the lens through which Protestants experienced and understood social and political change in the Age of Revolutions In particular they call attention to how Protestants used those changes to continue or accelerate the Protestant imperative of refining their faith toward an improved vision of reformed religion The editors and contributors define faith broadly they incorporate individuals as well as specific sects and denominations and as much of life experience as possible not just life within a given church In this way the volume reveals how believers combined the practical demands of secular society with their personal

faith and how in turn their attempts to reform religion shaped secular society The wide ranging essays highlight the exchange of Protestant thinkers traditions and ideas across the Atlantic during this period These perspectives reveal similarities between revolutionary movements across and around the Atlantic The essays also emphasize the foundational role that religion played in people s attempts to make sense of their world and the importance they placed on harmonizing their ideas about religion and politics These efforts produced novel theories of government encouraged both revolution and counterrevolution and refined both personal and collective understandings of faith and its relationship to society

The Revolution Against the Church Michel Vovelle,1991 In Paris in the winter and spring of 1793 94 a sudden and violent attempt at dechristianization a willful endeavor to eradicate religious institutions practices and beliefs flared up crowned by the effort to set up a new cult that of Reason In this lively and well researched book Vovelle asks how we should evaluate this episode as little more than a tragic accident the folly of a day from which the profound faith of the masses nevertheless emerged intact Or as a momentous break in religious history which has lasted to the present day Or a third possibility as a symptom of the true state of popular indifference which had already begun with the philosophical propaganda of the Enlightenment Drawing on a rich body of documentary evidence Vovelle traces the growth of the revolutionary movement against the Church and uses several indicators the surrendering of Church silverware the taking down of bells acts of iconoclasm the burning of idols and the closure of churches He draws conclusions from these traumatic events about the history of the dechristianizing mentality in early modern Europe Written by one of the foremost authorities on the French Revolution The Revolution against the Church will be of interest to students and researchers in the history of France and the history of religion

Revolution, Revival, and Religious Conflict in Sandinista Nicaragua Calvin L. Smith,2007-03-31 This interdisciplinary study breaks new ground by exploring relations between Protestants mainly Pentecostals and the Sandinistas in revolutionary Nicaragua which to date have received scant attention It challenges the view that most Protestants supported the Sandinistas in fact the majority vigorously opposed them and establishes why many believed Nicaragua was heading towards communism or totalitarianism Meanwhile the Sandinistas expressed irritation with Pentecostalism s otherworldliness and support for Israel Pentecostals were harassed even brutally repressed in the northern highlands leading many to join the Contras That a minority of Protestants supported the Sandinistas caused further problems Pentecostals and Sandinistas were ideological rivals offering an alternative vision to the poor revolution or revival As Pentecostalism exploded a collision between the two was inevitable

The Religion of Revolution Herbert Seely Bigelow,1916

Religion and the American Revolution Jerald C. Brauer,1976-01-01

The Anthropology of Religion, Magic, and Witchcraft Rebecca L. Stein,Philip L. Stein,2017-05-08 This concise and accessible textbook introduces students to the anthropological study of religion Stein and Stein examine religious expression from a cross cultural perspective and expose students to the varying complexity of world religions The chapters incorporate key theoretical concepts and a rich

range of ethnographic material The fourth edition of *The Anthropology of Religion Magic and Witchcraft* offers increased coverage of new religious movements fundamentalism and religion and conflict violence fresh case study material with examples drawn from around the globe further resources via a comprehensive companion website This is an essential guide for students encountering anthropology of religion for the first time *The Future of Religion* Michael R. Ott, 2007-06-30 In the midst of the increasing antagonism between religion and secularity the sacred and the profane faith and reason currently described in terms of the clash of civilizations is religion any longer relevant or meaningful in the globalizing development of modern subjectivity inter subjectivity family society state and history If so how and to what end In the socio historical context of the highly secular neo liberal neo conservative globalization movement the question of the social meaning and relevancy of religion has entered directly into the contemporary discourse on the future of humanity This book gives expression to the research of international scholars as they wrestled with these issues during the Future of Religion courses held at the Inter university Center in Dubrovnik Croatia from 2001 2005 Contributors include Aleksandra Ba a Reimon Bachika Ale rni Anja Finger Helmut Fritzsche Denis Janz Hans Herbert K gler Werner Krieglstein Mislav Kuko Gottfried K enzlen Aurelia Margareti Michael R Ott Dunja Poto nik A James Reimer Kjartan Selnes Rudolf J Siebert Hans K Weitensteiner Brian Wilson Katarzyna Zielinska *The Anthropology of Religion, Magic, and Witchcraft -- Pearson eText* Rebecca L Stein, Philip Stein, 2015-08-07 This book emphasizes the major concepts of both anthropology and the anthropology of religion and examines religious expression from a cross cultural perspective while incorporating key theoretical concepts It is aimed at students encountering anthropology for the first time **A Documentary History of Religion in America** Edwin Scott Gaustad, Mark A. Noll, Heath W. Carter, 2018 Students and scholars have long turned to the two volume Documentary History of Religion in America for access to the most significant primary sources relating to American religious history Published here in a single volume for the first time the work in this fourth edition has been both updated and condensed allowing instructors to more easily use the material in one semester **Six Theories about the Islamic Revolution's Victory** Sadegh Haghighat, 2000
