## Long Way To Shiloh:

*A Long Way to Shiloh* Lionel Davidson, 1966      *From Gaelic to Romantic*, 2023-12-21 The appearance of James Macpherson's Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson's versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson's texts and to examine their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson's achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson's work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender      *A Woman's Voice* Marcella Bakur Weiner, Blema Feinstein, 2001 *A Woman's Voice* examines the themes reflected in the stories of women in the Bible and relates these motifs directly to the lives of women today Marcella Bakur Weiner and Blema Feinstein celebrate the ideas and lessons found in traditional Jewish sources and explain their relevance for contemporary women      *The Stars for a Light* Lynn Morris, 2011-09-01 She had a dream but reaching her goal seemed as dark as night Fresh from medical school in the 1860s and a woman at that the young Dr Cheney Duvall struggles to find a position She has almost given up hope when Asa Mercer turns up He wants her services to chaperone and care for two hundred brides to be on a sea voyage from New York to Washington Territory Cheney jumps at the opportunity Accompanied by an unlikely nurse Shiloh Irons Cheney finds herself facing an arduous voyage and dangers for which her medical training didn't prepare her      *Shiloh's Well* Fred Sherrod, 2012-07-25 When a woman from Samaria comes to draw water at Jacob's well Jesus known prophetically as Shiloh Prince of Peace offers her an incredible gift living water All she has to do is ask which by the way still applies today Jesus explains that everyone who drinks from His well even those of questionable character like her will never be thirsty again and the water will become a spring welling up to eternal life NIV In Shiloh's Well you can read all about an overflowing abundant life that is available to all those who drink of this miraculous living water My prayer is that these pages will proclaim a clear unequivocal message of eternal hope and spiritual truth

pointing to the God who has sustained and blessed me my entire life May Shilohs Well make you smile touch your heart lead you humbly to the feet of Christ enlighten your spiritual understanding and challenge your commitment to Christian service

than Nomi's. He's not looking for a wife not after his ex-fiance stole his company. But Nomi has always been the one person he could count on. There's no way he's going to turn his back on her when she needs him the most. It's a simple plan. Only pretend. That's what they told themselves anyway. But that was before they realized their friendship was on the line if their marriage of convenience went south. Before the kiss that changed everything. More Than A T V Husband. On camera they're the perfect bride and groom. Too bad she doesn't know who he really is. When Lilith Parker's business is threatened it's a no-brainer to gain extra publicity by appearing on a reality TV show that marries her to a complete stranger. Her fake groom Dane McClarren has undergone a total makeover which guarantees Lilith won't recognize him as the nerd she rejected in high school. It's the perfect revenge. But in an unforeseen plot twist Lilith is a lot different than he remembers. When he falls for her can he stop the scheme he's put into motion before it's too late. More Than Her Bodyguard. She's his best friend's sister. Off limits for so many reasons. So why did he agree to a fake engagement that will make it impossible to keep his feelings for her a secret. Shiloh Anderson is done with men who can't spell commitment. She'd rather focus on opening her own business instead of wading back into the dating pool in hopes of meeting a unicorn of a man who won't run the other way the moment things get serious. But that was before someone starts stalking her. Her brother plunks down a solution in the form of a fake engagement to his best friend the one man he trusts to keep her safe. Suddenly she has a pretend fiancé who's treating her like his cherished bride. It's all an act. Right. Except someone needs to explain to her lonely commitment starved heart that none of this is real.
