Run Oklahoma Run Jack White,2013-04-02 Jack White s intentions were to weave a story of a strong hearted people in a Territory of Greatness From the discovery of golden fields of tall grass in 1541 by Spanish explorer Francisco Vasquez de Coronado until the United States Congress made Oklahoma the 46th state in November 1907 Moving from family to family to transport the story from one generation to the next Jack intertwined enough mystery and intrigue to make the book a page turner This is definitely not a historical novel filled only with boring dates and unimaginative facts The story flows and meanders like a winding stream until President Teddy Roosevelt witnesses John Abernathy an Oklahoman grabbing angry Lobo wolves with his bare hands Jack White s goal from the first word typed was to put on paper a record of the history of the most interesting Territory in the greater United States Run Oklahoma Run is a book you will pass down to your great grandchildren

Cinderella's Slipper Mike Nemeth,2009-09 The Bowl Champion Series BCS is under fire from fans the media college coaches Congress and even our new President They worry that the two best teams in the country aren t consistently selected by the polls and the BCS computers to play for the National Championship At stake is prestige a place in history recruiting advantages and boatloads of cash The solution proposed most often is a playoff system to give more schools a shot at a title However the problem of team selection won t go away with a playoff system it will be exacerbated The lack of a credible ranking system is the Achilles heel of the current BCS system Cinderella s Slipper reveals why the polls get it wrong why the BCS computers can t be expected to get it right why traditional statistics aren t useful for ranking teams and why won lost records are misleading Cinderella s Slipper introduces the performance metrics necessary for team ranking and explains the rating system that can accurately rank teams with similar records When combined with NCAA sponsorship and an accurate ranking system a playoff scheme will produce deserving champions and will restore public confidence in the college football National Championship process

The Orphaned Land V. B. Price,2011-11-16 In this work the author presents New Mexico as a microcosm of global ecological degradation He states that the New Mexico environment is endangered by military corporate and urban polluters and consumers as hazerdous waste munitions testing

The Boy in the Book Nathan Penlington, 2014-05-22 When Nathan discovered a job lot of the first 106 adventures for sale on eBay there was never any question that he would place a bid When the books arrived he lost himself in the old adventures Yet as he flicked through the pages there was another story being written In the margins of each book were the scribbles of the little boy who had once owned them a little boy by the name of Terence John Prendergast Terence wrote jokes and hints for adventurers following the same stories as him More troubling among the notes were intimations of a tormented childhood of the boys and teachers who bullied him of the things he hated about himself and had to improve of his thoughts of suicide and his desperate need to find friends be liked and find somebody anybody to confide in THE BOY IN THE BOOK is Nathan s poignant recreation of the discovery of the fragments of Terence Prendergast s diary his quest to find the lost boy and the friendship that resulted from their first meeting In doing so Nathan is forced to examine his own childhood and as his relationship with Terence deepens he begins to believe that the two men are not so different and to reflect on the darkness that can exist in childhood
