Учебное пособие для вузов* Зоя Прошина, 2020-03-05 *Multimodal Approaches to Chinese-English Translation and Interpreting* Meifang Zhang, Dezheng

(William) Feng,2020-12-29 Nowadays discourse analysis deals with not only texts but also paratexts and images so do translation and interpreting studies Therefore the concept of multimodality has become an increasingly important topic in the subject areas of linguistics discourse analysis and translation studies However up to now not much research has been done systematically on multimodal factors in translation and interpreting and even less in exploring research models or methodologies for multimodal analysis in translation and interpreting This book aims to introduce and apply different theories of the multimodal discourse analysis to the study of translations with case studies on Chinese classics such as the Monkey King Mulan and The Art of War as well as on interpretations of up to date issues including the Chinese Belt and Road Initiatives and Macao tourism The chapters reflect the first attempts to apply multimodal approaches to translation and interpreting with a special focus on Chinese English translations and interpreting They provide new understandings of transformations in the multimodal translation process and useful reference models for researchers who are interested in doing research of a similar kind especially for those who are interested in looking into translations related to Chinese language literature and culture

A Manual for Teaching English in China Bill Burkett,2009-05 Come with us now to the first day of class to teach English in China Both students and teacher s hearts pound with anticipation as students file into the room chatting and pretending not to notice the foreign teacher standing behind his desk But they can t help glancing at him anyway for a first look Laughter mingles with the sound of books and chairs clanking together A buzzer sounds in the hall and Bill Burkett affectionately known in China by his students as Mr Bill begins *A Manual for Teaching English in China* takes us from the first day s buzzer through the first weeks months and semesters of teaching English in China sharing numerous stories laughs interesting facts and many effective ways of teaching ESL *A Manual for Teaching English in China* is packed with Bill Burkett s practical ideas methods and teaching techniques that can actually be used to teach ESL anywhere Bill Burkett recently returned from a seven year stint of teaching English in the universities and training schools of Henan China An internationally renowned public speaker Burkett has lived in 46 nations in the last 43 years He developed a strong interest in linguistics which was fueled by his close association with interpreters In Chinese classrooms where he taught English he conducted active research experimenting and taking student polls He concentrated on eliminating speech impediments and strong accents His education experiences and research shaped his philosophy of teaching English as a Second Language and formed the basis of his first ESL book *A Manual for Teaching English in China* Following the manual is *Secrets to Better English* which reveals a proven method of teaching ESL without accent Although Burkett s doctorate is in philosophy his love is making a difference in his students lives by teaching diction and the skills of speech

International Books in Print, 1995 Barbara Hopkinson,[Anonymus AC01401231],1995 *Bilingual Lexicography from a Communicative Perspective* Heming Yong,Jing Peng,2007 This stimulating new book as the premier work introducing bilingual lexicography from a communicative perspective is launched to represent original thinking and innovative theorization in the field of

bilingual lexicography It treats the bilingual dictionary as a system of intercultural communication and bilingual dictionary making as a dynamic process realized by sets of choices characterizing the overall nature of the dictionary It examines the dictionary and dictionary making by using a model of lexicography which stresses the three way relationship of compiler dictionary context and user and incorporates them into a unified coherent framework Throughout the study special focus is on English and Chinese bilingual lexicography It will serve not only as a valuable guide to those interested in dictionary compilation and theoretical inquiries but also as a textbook for undergraduate and postgraduate courses in bilingual lexicography

Cognitive Processing of the Chinese and the Japanese Languages C.K. Leong,Katsuo Tamaoka,2013-03-09 The area of cognitive processing of Chinese and Japanese is currently attracting a great deal of attention by leading cognitive psychologists They aim to find out the similarities and differences in processing the morphosyllabic Chinese and Japanese syllabary as compared with alphabetic language systems Topics under the processing of Chinese include the use of phonological codes in visual identification of Chinese words the constraint on such phonological activation recognition of Chinese homophones Chinese sentence comprehension and children s errors in writing Chinese characters Topics under the processing of Japanese include the automatic recognition of kanji within an interactive activation framework On reading and Kun reading of kanji characters processing differences between hiragana and kanji the effect of polysemy on katakana script and the writing behavior of Japanese and non Japanese speakers The interactive activation model provides the phonologic orthographic links in processing both language systems The present volume should add greatly to our understanding of this topic Many of the contributors are internationally known for their experimental psychological work
