Look! Pepper Stetler,2015-12-07 In the second half of the Weimar period 1918 33 photographers produced books consisting almost entirely of sequenced images The subjects ranged widely from plants and nature to the modern metropolis from exotic cultures to the German Volk from anonymous workers to historical figures While many of the books were created by key practitioners and theorists of modern photography scholars have rarely addressed the significance of the book format to modern conceptions of photographic meaning The term photo essay implies that these photographic books were equivalent to literary endeavors created by replacing text with images but such assumptions fail to explore the motivations of the books makers Stop Reading Look argues that Weimar photographic books stood at the center of debates about photography s ability to provide uniquely visual forms of perception and cognition that exceed the capacity of the textual realm Each chapter provides a sustained analysis of a photographic book while also bringing the cultural social and political context of the Weimar Republic to bear on its relevance and meaning **A Path, a Prayer and God's Presence** Phyllis L. Wernsing,2012-03 A selection of poems and short inspirational messages designed to have the reader slow down and take the time to hear God s voice in their own busy lives Phyllis L Wernsing shares thoughts that have come to her mostly during her

morning quiet time but can come at any time when you are still and open to God's guidance Designed for daily use and devotions A PATH A PRAYER AND GOD'S PRESENCE is written in a simple down to earth style that anyone can understand I never go anywhere without a pencil and something to write on writes the author You never know when or where God could inspire a thought or idea **The Prayers of Jesus** Matt Williams,2007 This unique in depth look at the prayers of Jesus will give you new insights into prayer the character of God and how to deepen your relationship with him DVD cover *Catalog of Copyright Entries.
