

Mid-August at Sourdough Mountain Lookout

Down valley a smoke haze
Three days heat, after five days rain
Pitch glows on the fir-cones
Across rocks and meadows
Swarms of new flies.

I cannot remember things I once read
A few friends, but they are in cities.
Drinking cold snow-water from a tin cup
Looking down for miles
Through high still air.

Lookout Poems:

Lookout Monica Taylor, 2005-01-01 The Lookout and Other Poems Charles Chase Lord, 1891 *The Lookout and Other Poems (Classic Reprint)* Charles Chase Lord, 2015-07-11 Excerpt from The Lookout and Other Poems The earth has voices low and meek For each who in its pathway strays But accents yet more gently speak In language that through nature plays Than lightest warbling of a bird Or whisper of a leafy tree A softer utterance is heard A breath inbreathed o'er land and sea Who walks in time's events and cares His thought with deep concerns replete Perceives it floating on the airs And deems no other sound so sweet The heart receives in solemn pause The crowning sentiment it brings Love's wording of life's inward cause The message of the soul of things About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Lookout Man** Stuart Dischell, 2022-03-28 Sometimes elegiac sometimes deadly comic but always vivid and surprising The Lookout Man embodies the mastery spirit and craft that we have come to depend upon in Stuart Dischell's poetry In a mix of recognizable lyric forms and set in diverse locales from the middle of the ocean to the summit of Mont Blanc from America's back yard to the streets of international cities there is a hesitant almost encroaching wisdom in The Lookout Man alternately nostalgic and fierce in nature The poet doesn't shy away from taking on the big risky some would say played out topics but the poems never lead us where we expect to go Rather Dischell allows messy contradictions to exist in the drama and action of the poems even while maintaining the beautiful form and music of polished verse In a wonderful example that closes the book and that typifies Dischell's work he writes I will ask the dogwoods to remind me What it means to live along the edges of the woods To be promiscuous but bear white flowers LOOKOUT & OTHER POEMS Charles Chase 1841-1911 Lord, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you

By a Traveller ,1849 **The Lookout** Charles C. Lord,2021-06-11 *The Oxford Handbook of British and Irish War*

Poetry Tim Kendall,2007-02-22 Thirty seven chapters written by leading literary critics from across the world describe the latest thinking about twentieth century war poetry The book maps both the uniqueness of each war and the continuities between poets of different wars while the interconnections between the literatures of war and peacetime and between combatant and civilian poets are fully considered The focus is on Britain and Ireland but links are drawn with the poetry of the United States and continental Europe The Oxford Handbook feeds a growing interest in war poetry and offers in toto a definitive survey of the terrain It is intended for a broad audience made up of specialists and also graduates and undergraduates and is an essential resource for both scholars of particular poets and for those interested in wider debates about modern poetry This scholarly and readable assessment of the field will provide an important point of reference for decades to come Lookout John Steffler,2010-03-16 The first collection of new poems in more than a decade from one of

Heaney Helen Vendler,1998 The most astute and eloquent critic of poetry at work today Michiko Kakutani New York Times A renowned American critic charts the creative evolution of the greatest Irish poet since Yeats If other books on Nobel laureate Seamus Heaney have dwelled on the biographical geographical and political aspects of his writing Helen Vendler looks squarely and deeply at his poetic art Tracing the eminent poet's development from his beginnings in *Death of a Naturalist* 1966 through *The Spirit Level* 1996 Seamus Heaney is an inspired and nuanced portrait of an Irish chronicler of public as well as private life whose work has given voice to his troubled times With characteristic discernment and eloquence Vendler considers an often neglected but crucial part of Heaney's evolving talent self revision Here we see how later poems return to the themes or genres of the earlier works and reconceive them in light of the poet's later attitudes or techniques Vendler surveys all of Heaney's efforts in the classical forms genre scene elegy sonnet parable confessional poem poem of perception and brings to light his aesthetic and moral attitudes Seamus Heaney's development as a poet is inextricably connected to the violent struggle that racked Northern Ireland during his lifetime Vendler shows how in each volume Heaney

strived to find a precise language for the turbulence he was living through symbols adequate for our predicament as he once said The worldwide response to those discovered symbols suggests that their relevance extends far beyond their original context *Writer's Monthly*, 1926 **The Temple of Words** Han Yongun and others, *The Temple of Words* An Anthology of Modern Korean Buddhist Poetry is a collection of one hundred and thirty two Buddhist poems by fifteen poets including Seon monks This volume which is composed of highly praised poetry in modern Korean literature offers an opportunity to appreciate the aesthetic world of Buddhism that is embedded in sentiments of the modern intellectuals The majority of the poems 120 pieces in this book are written by monastics monks and nuns The list of the monks and the number of their poems included in this collection are as follows Gyeongheo 9 poems Yongseong 6 poems Hanyeong 14 poems Guha 1 poem Man gong 8 poems Hanam 5 poems Manhae 48 poems Hyobong 3 poems Gyeongbong 11 poems and Iryeop 14 poems The other poets include O Sangsun 1 poem Shin Seokjeong 3 poems Gim Daljin 3 poems Seo Jeongju 2 poems and Jo Jihun 4 poems Manhae s Nim ui Chimmuk My Love s Silence Seo Jeongju s Gukhwa yeop eseo Beside a Chrysanthemum and Jo Jihun s Seungmu Monk s Dance are widely known to the general public in Korea The monastic poetry represents the unconventional features of Seon and their insights attained by the traditional practice of meditative contemplation The other poetry by the secular Buddhist writers also attempts to express the subtle truth of Buddhism in the Korean script Han geul thereby making a great contribution in causing the masses to know the Buddhist way of thinking and feeling and leading them to empathize with the religion *The Temple of Words* An Anthology of Modern Korean Buddhist Poetry helps us to understand the colors of the modern Korean Buddhist intellectuals lyrical sensitivity and the codes in which they were communicating with the public
