foremost the emphasis of this managerial accounting text is decision making as opposed to number crunching Additionally this text is unique in its first person discovery learning approach using a 4 step decision making model throughout It truly conveys a management perspective by including coverage of topics such as ABM the value chain and balanced scorecard evaluation techniques It is also the first managerial text to incorporate coverage on knowledge management Ch 13

highlighting the latest developments for improved managerial decision making *Loose Leaf for Fundamental Managerial Accounting Concepts* Thomas P. Edmonds,Mark A. Edmonds,Christopher Edmonds,Philip R. Olds,2022-01-27

FundamentalManagerial Accounting Concepts focuses on the development ofdecision making skills helping students to truly understand managerialaccounting concepts and improving their ability to make sound businessdecisions The text places a heavy emphasis on service and merchandisingcompanies For example the budgeting chapter uses a merchandising business while most traditional texts use a manufacturing company Using a servicecompany is not only more relevant but also simplifies the learningenvironment thereby making it easier for students to focus on budgetingconcepts rather than procedural details The Edmonds author team alsopromotes a student s understanding of concepts by isolating and introducing theconcepts individually in decision making contexts This allows for students tonot only comprehend the concepts but also to understand how business conceptsinterrelate which is a very critical part of seeing the bigger picture inaccounting Utilizing a heavy emphasis ondecision making and a unique approach to how accounting concepts are introducedwill provide your students the foundational knowledge they need to succeed inthe classroom and beyond
