Martov Political Biography Of A Russian Social Democrat

Israel Getzler

Martov Political Biography Of A Russian Social Democrat:

Martov Getzler, Israel Getzler, 2003-09-18 This is the first biography of Martov the founder and leader of Menshevism It records his revolutionary apprenticeship in Vilno and St Petersburg in 1893 6 his early friendship and partnership with Lenin in Siberian exile and on the revolutionary newspaper Iskra in Munich and London the dramatic break up of that partnership at the Second Congress of Russian Social Democrats in 1903 and the division between Mensheviks and Bolsheviks the ensuing feud between Martov and Lenin Martov's role in the 1905 revolutions his later activities as leader of the Menshevik Internationalists then of the socialist opposition in Bolshevik Russia until 1920 and of the Mensheviks in exile until his death Martov is shown as a noble and tragic figure of modern Russian and Jewish history and of international socialism and as a key figure to the understanding of all three

Martov Israel Getzler, 1967-06-01 This is the first biography of Martov the founder and leader of Menshevism It records his revolutionary apprenticeship in Vilno and St Petersburg in 1893 6 his early friendship and partnership with Lenin in Siberian exile and on the revolutionary newspaper Iskra in Munich and London the dramatic break up of that partnership at the Second Congress of Russian Social Democrats in 1903 and the division between Mensheviks and Bolsheviks the ensuing feud between Martov and Lenin Martov's role in the 1905 revolutions his later activities as leader of the Menshevik Internationalists then of the socialist opposition in Bolshevik Russia until 1920 and of the Mensheviks in exile until his death Martov is shown as a noble and tragic figure of modern Russian and Jewish history and of international socialism and as a key figure to the understanding of all three

The Russian Social-Democratic Labour Party, 1899–1904 Richard Mullin, 2015-03-31 Much has been written about the activity of Lenin and his colleagues on the editorial board of the Iskra newspaper whereas little has been said about the opponents of Leninism who unsuccessfully fought for control of the Russian Social Democratic Labour Party during the Iskra period To redress the balance Richard Mullin has translated 25 documents from this period most of which express an anti Lenin view They include articles from Rabochee Delo the Jewish Bund's Poslednie Izvestiia and the post Lenin Iskra pamphlets by Plekhanov and Martov the resolutions of Party meetings and some very revealing private correspondence However the result is not an anti Bolshevik polemic through these documents a clearer and curiously flattering picture of Lenin's thought and activity is obtained

Hendrik de Man and Social Democracy Tommaso Milani, 2020-06-15 The book investigates the intellectual and political trajectory of the Belgian theorist Hendrik de Man 1885 1953 by examining the impact that his works and activism had on Western European social democracy between the two world wars Based on multinational archival research the book highlights how the idea of economic planning became part of a wider effort to address an ideological crisis within the socialist movement and revitalise the latter amidst the Great Depression A heavily controversial figure also because of his subsequent involvement in Belgian wartime collaboration de Man played a pivotal role in challenging traditional Marxist assumptions about the role of the state under capitalism and in promoting transnational exchanges between unorthodox

social democrats across Europe Starting from de Man s experience in World War I the book analyses his departure from Marxism his elaboration of an alternative social democratic paradigm his entry in Belgian politics as well as the reception of his thought in France and Britain Revolutionary Social Democracy: Working-Class Politics Across the Russian Empire (1882-1917) Eric Blanc,2021-06-29 This groundbreaking study rediscovers the socialists of Tsarist Russia s imperial borderlands upending conventional interpretations of working class politics the Russian Revolution and Second International socialism Based on archival research in eight languages Revolutionary Social Democracy is the first comparative account of the numerous socialist parties that fought for democracy and workers power across the entire span of the Russian Empire from the factories of Warsaw to the oil fields of Baku to the autonomous parliament of Finland By demonstrating that the Russian Revolution was far less Russian than commonly assumed Eric Blanc challenges long held assumptions of historians sociologists and activists about the dynamics of revolutionary change under autocratic and democratic conditions Listen to Lay Led Unions episode on Revolutionary Social Democracy Working Class Politics Across the Russian Empire 1882 1917 featuring Eric Blanc Also listen to a panel discussion of Eric Blanc s groundbreaking new book **Family Networks and the Russian Revolutionary Movement, 1870-1940** Katy Turton,2017-12-04 This book explores the role played by families in the Russian revolutionary movement and the first decades of the Soviet regime While revolutionaries were expected to sever all family ties or at the very least put political concerns before personal ones in practice this was rarely achieved In the underground revolutionaries of all stripes from populists to social democrats relied on siblings spouses children and parents to help them conduct party tasks with the appearance of domesticity regularly thwarting police interference Family networks were also vital when the worst happened and revolutionaries were imprisoned or exiled After the revolution these family networks continued to function in the building of the new Soviet regime and amongst the socialist opponents who tried to resist the Bolsheviks As the Party persecuted its socialist enemies and eventually turned on threats perceived within its ranks it deliberately included the spouses and relatives of its opponents in an attempt to destroy family networks for good *An Intellectual Biography of N.A. Rozhkov* John A. González,2016-09-19 An Intellectual Biography of N A Rozhkov is the first English language study to follow Russia s most gifted and important historian to emerge from the school of V O Kliuchevskii through the transformative decades that bridged the nineteenth and twentieth centuries Rozhkov s early philosophical influences are examined to explain his radicalisation from middle class intellectual academic to Leninist Bolshevik to Menshevik social democrat His Marxist socialist beliefs landed him in gaol several times and eventually he was exiled to Siberia for a decade where he was able to refine his political worldview and develop his theory of historical development Critical of Lenin and the 1917 revolution he spent the last decade of his life being persecuted by the Bolshevik regime

Russia in Revolution Stephen Anthony Smith,2017 Russia in Revolution gives a full account of the Russian empire from the last years of the nineteenth century through revolution and civil war to the brutal collectivization and crash

industrialization under Stalin in the late 1920s Problems of Communism ,1967 **Russia in the Age of Modernisation and Revolution 1881 - 1917** H. Rogger,2014-07-30 Hans Rogger's study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years European Labour Protest 1848-1939 Dick Geary,2021-09-05 This book first published in 1981 examines the issues inspiring working class movements after 1848 in France Germany and Britain with some consideration also of Austria Italy Spain and Russia It concentrates on the attitudes of the ordinary working men rather than the ideologies and the leaders and considers the many different forms and manifestations of their grievances and means of expression What emerges is the complexity of the connection between economic circumstances and protest and the existence of wide divergences of behaviour amongst the European working class **Leninism** Neil Harding,1996 In this volume Neil Harding presents the first comprehensive reinterpretation of Leninism to be produced in many years Challenging much of the conventional wisdom regarding Leninism's effectiveness as a mobilizing body of ideas its substance and its origins and evolution Harding offers both a controversial exposition of this ideology and a critical engagement with its consequences for the politics of contemporary communism Rather than tracing the roots of Leninism to the details of Lenin's biography Harding shows how it emerged as a revolutionary Marxist response to the First World War and to the perceived treachery the support of that war by social democratic leaders The economics politics and philosophy of Leninism he argues were rapidly theorized between 1914 and 1918 and deeply imprinted with the peculiarities of the wartime experience Its complementary metaphysics of history and science was as intrinsic to its confidence and sureness of purpose as it was to its contempt for democratic practice and tolerance But as Harding also shows although Leninism articulated a complex and coherent critique of capitalist civilization and held a powerful appeal to a variety of constituencies it was itself caught in a timewarp that fatally limited its capacity to adapt This book will engage not only Russian and Soviet specialists but also readers concerned with the varieties of twentieth century socialism **Russia and Eastern Europe, 1789-1985** Raymond Pearson,1989 *Jewish Nationality and Soviet Politics* Zvi Gitelman,2015-03-08 In order to Bolshevize the Jewish population the Soviets created within the Party a number of special Jewish Sections Charged with the task of integrating the largely hostile or indifferent Jews into the new state the Sections programs are in effect a case study of the modernization and secularization of an ethnic and religious minority Zvi Gitelman's analysis of the Sections during the first decade of Soviet rule examines the nature of the challenge that modernization posed the crises it created and the responses it evoked Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich

scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Russia Under Western Eyes Martin Malia, 1999-04-15 A dazzling work of intellectual history by a world renowned scholar spanning the years from Peter the Great to the fall of the Soviet Union this book gives us a clear and sweeping view of Russia not as an eternal barbarian menace but as an outermost if laggard member in the continuum of European nations

The French Revolution and the Russian Anti-Democratic Tradition Dmitry Shlapentokh, 2018-01-31 The political uncertainty following the collapse of the Soviet Union and the rejection of the revolutionary model has brought Russian political thought full circle as democratic forces contend with authoritarian nationalism This volume is essential to understanding the antidemocratic tradition in Russia and the persistent danger of totalitarianism

Lenin Beryl Williams, 2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin's years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin's life and work this is an up to date evaluation of recent historiographical debates and literature in the context of the period

How Russia Learned to Talk Stephen Lovell, 2020-02-27 Russia in the late nineteenth century may have been an autocracy but it was far from silent In the 1860s new venues for public speech sprang up local and municipal assemblies the courtroom and universities and learned societies Theatre became more lively and vernacular while the Orthodox Church exhorted its priests to become better preachers Although the tsarist government attempted to restrain Russia's emerging orators the empire was entering an era of vigorous modern politics All the while the spoken word was amplified by the written the new institutions of the 1860s brought with them the adoption of stenography Russian political culture reached a new peak of intensity with the 1905 revolution and the creation of a parliament the State Duma whose debates were printed in the major newspapers Sometimes considered a failure as a legislative body the Duma was a formidable school of modern political rhetoric It was followed by the cacophonous freedom of 1917 when Aleksandr Kerensky dubbed Russia's persuader in chief emerged as Russia's leading orator only to see his charisma wane The Bolsheviks could boast charismatic orators of their own but after the October Revolution they also turned public speaking into a core ritual of Soviet democracy The Party's own gatherings remained vigorous if also sometimes vicious throughout the 1920s and here again the stenographer was in attendance to disseminate proceedings to a public of newspaper readers or Party functionaries *How Russia Learned to Talk* offers an entirely new perspective on Russian political culture showing that the era from Alexander II's Great Reforms to early Stalinism can usefully be seen as a single stenographic age All Russia's rulers whether tsars or Bolsheviks were grappling with the challenges and opportunities of mass politics and modern communications In the process they gave a new lease of life to the age old rhetorical technique of oratory

A History of Marxian Economics, Volume I Michael Charles Howard, John Edward King, 2014-07-14 The first volume of this critical history

covers the social political and theoretical forces behind the development of Marxian economics from Marx's death in 1883 until 1929 the year marking the onset of Stalin's revolution from above which subsequently transformed the Soviet Union into a modern superpower During these years Marxists in both Russia and Germany found their economic ideas inextricably linked with practical political problems and treated theory as a guide to action This book systematically examines the important theoretical literature of the period including insightful works by political functionaries outside academia journalists party organizers underground activists and teachers in the labor movement presented here as the primary forgers of Marxian economic thought Beginning with Engels's writings this book analyzes the work of leading Marxist economists in the Second International then concludes with a review of the intellectual movements within the Marxian political economy during the 1920s A second volume treating the period from 1929 to the present will follow Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Russian Jews Between the Reds and the Whites, 1917-1920 Oleg Budnitskii, 2012-07-24

In the years following the Russian Revolution a bitter civil war was waged between the Bolsheviks with their Red Army of Workers and Peasants on the one side and the various groups that constituted the anti Bolshevik movement on the other The major anti Bolshevik force was the White Army whose leadership consisted of former officers of the Russian imperial army In the received and simplified version of this history those Jews who were drawn into the political and military conflict were overwhelmingly affiliated with the Reds while from the start the Whites orchestrated campaigns of anti Jewish violence leading to the deaths of thousands of Jews in pogroms in the Ukraine and elsewhere In *Russian Jews Between the Reds and the Whites 1917-1920* Oleg Budnitskii provides the first comprehensive historical account of the role of Jews in the Russian Civil War According to Budnitskii Jews were both victims and executioners and while they were among the founders of the Soviet state they also played an important role in the establishment of the anti Bolshevik factions He offers a far more nuanced picture of the policies of the White leadership toward the Jews than has been previously available exploring such issues as the role of prominent Jewish politicians in the establishment of the White movement of southern Russia the Jewish Question in the White ideology and its international aspects and the attempts of the Russian Orthodox Church and White diplomacy to forestall the establishment of a Jewish state in Palestine The relationship between the Jews and the Reds was no less complicated Nearly all of the Jewish political parties severely disapproved of the Bolshevik coup and the Red Army was hardly without sin when it came to pogroms against the Jews Budnitskii offers a fresh assessment of the part played by Jews in the establishment of the Soviet state of the turn in the policies of Jewish socialist parties after the first wave of mass

pogroms and their efforts to attract Jews to the Red Army of Bolshevik policies concerning the Jewish population and of how these stances changed radically over the course of the Civil War

Martov Political Biography Of A Russian Social Democrat Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Martov Political Biography Of A Russian Social Democrat PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Martov Political Biography Of A Russian Social Democrat PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Martov Political Biography Of A Russian Social Democrat free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
