

The Nascent
Mind of
Shelley
A.M.D. Hughes

Nascent Mind Of Shelley

Barbara Charlesworth Gelpi

Nascent Mind Of Shelley:

The Nascent Mind of Shelley Arthur Montague D'Urban Hughes, 1947 **The Nascent Mind of Shelley** Arthur M. Hughes, 1971 **Shelley's Goddess** Barbara Charlesworth Gelpi, 1992 The subject of Gelpi's new book is the importance of the mother-infant relationship in Percy Bysshe Shelley's poetry and life. However, her book also uses Shelley as a touchstone by which to examine the rich historical and theoretical issues relevant to motherhood in the Romantic period. Gelpi offers a detailed account of the historical rise in attention paid to mothering, the changing cultural attitudes towards the role of the mother, and the resulting effect on the nature of family life. She further discusses the psychoanalytic, Marxist, and developmental approaches to the mother-infant relationship, particularly to the connection each makes between that relationship and the acquisition of language. By combining psychoanalytic, poststructuralist, and feminist theory with extensive biographical material on Shelley and information on the position of mothers in England after 1790, Gelpi offers an important reassessment of Shelley's avowed feminism and the failure of his utopian vision.

Shelley's Process Jerrold E. Hogle, 1989-01-12 In this set of thorough and revisionary readings of Percy Bysshe Shelley's best-known writings in verse and prose, Hogle argues that the logic and style in all these works are governed by a movement in every thought, memory, image, or word pattern whereby each is seen and sees itself in terms of a radically different form. For any specified entity or figure to be known for what it is, it must be reconfigured by and in terms of another one at another level which must then be dislocated itself. In so delineating Shelley's process, Hogle reveals the revisionary procedure in the poet's various texts and demonstrates the powerful effects of radical transference in Shelley's visions of human possibility.

Albert Verwey's Translations from Shelley's Poetical Works Baxter, 2024-09-23 *The Dark Angel: Gothic Elements in Shelley's Works* John V. Murphy, 1975 By establishing a relationship between Shelley's works and the Gothic tradition, this study offers a new way of approaching the center of Shelley's thought. Consideration of Shelley's application of the Gothic mode as an agency for psychological analysis is preceded by a brief introduction to Gothic sensibility.

Shelley's Intellectual System and its Epicurean Background Michael Vicario, 2017-09-25 Scholars do not agree on how best to describe Shelley's philosophical stance. His work has been variously taken to be that of a skeptic or a skeptical and subjective idealist. The study presents a new interpretation of Shelley's thinking, an interpretation that places intellectual system squarely within the Epicurean tradition of Lucretius, casting both poets as theistic empiricists. To establish Shelley as working in the Epicurean tradition, this study explores Lucretius' *De Rerum Natura* as edited, translated, and interpreted by two Epicurean scholars roughly contemporary with Shelley: Gilbert Wakefield and John Mason Good. These scholars rehabilitated Lucretius by drawing on three major seventeenth-century thinkers: Pierre Gassendi, Ralph Cudworth, and Nicholas Malebranche. Like Shelley, each of these thinkers rejected the reduction of philosophy to mechanical and atomistic elements, a reduction which Shelley referred to as materialism or popular dualism. What Shelley rejected is a clue to what he embraced: a fusion of Enlightenment Rationalism with British

Empiricism Such a fusion is the distinguishing mark of the work of Sir William Drummond the only contemporary philosopher that Shelley consistently praised This is the tradition within which Shelley ultimately stands one that brings into balance what is given to the mind a priori and what the mind creates **The Cambridge History of English Literature** Sir Adolphus William Ward, Alfred Rayney Waller, 1916 **The Carl H. Pforzheimer Library Shelly and His Circle** ,
 Shelley's Venomed Melody Nora Crook, Derek Guiton, 1986 This provocative study assesses Shelley s health and how it affected his poetry

Whispering the Techniques of Language: An Psychological Journey through **Nascent Mind Of Shelley**

In a digitally-driven world where monitors reign supreme and instant transmission drowns out the subtleties of language, the profound strategies and mental subtleties hidden within phrases frequently go unheard. However, located within the pages of **Nascent Mind Of Shelley** a captivating literary prize pulsing with organic thoughts, lies an extraordinary journey waiting to be undertaken. Penned by a skilled wordsmith, this charming opus invites visitors on an introspective journey, softly unraveling the veiled truths and profound affect resonating within the very material of every word. Within the emotional depths of this touching review, we shall embark upon a sincere exploration of the book's core themes, dissect its charming writing style, and fail to the effective resonance it evokes serious within the recesses of readers' hearts.
