Ol'ga Sedakova

Nashe Polozhenie:

Freedom to Believe Ol'ga Sedakova, 2010 Olga Sedakova one of Russia's great living poets is also a deep and brilliant thinker This collection of essays her first in English demonstrates that the legacy of such poet essayists as Osip Mandelstam and Joseph Brodsky lives on in Russian culture Andrew Wachtel Bertha and Max Dressler Professor of the Humanities Northwestern University

Guide to the Boris I. Nicolaevsky Collection in the Hoover Institution Archives Hoover Institution on War, Revolution, and Peace, 1989 Russian Colonial Society in Tashkent, 1865--1923 Jeff

Sahadeo, 2007-02-07 This intensively researched urban study dissects Russian Imperial and early Soviet rule in Islamic Central Asia from the diverse viewpoints of tsarist functionaries Soviet bureaucrats Russian workers and lower class women as well as Muslim notables and Central Asian traders Jeff Sahadeo's stimulating analysis reveals how political social cultural and demographic shifts altered the nature of this colonial community from the tsarist conquest of 1865 to 1923 when Bolshevik authorities subjected the region to strict Soviet rule In addition to placing the building of empire in Tashkent within a broader European context Sahadeo's account makes an important contribution to understanding the cultural impact of empire on Russia's periphery

Crossing Borders Michael David-Fox, 2015-05-19 Crossing Borders deconstructs contemporary theories of Soviet history from the revolution through the Stalin period and offers new interpretations based on a transnational perspective To Michael David Fox Soviet history was shaped by interactions across its borders By reexamining conceptions of modernity ideology and cultural transformation he challenges the polarizing camps of Soviet exceptionalism and shared modernity and instead strives for a theoretical and empirical middle ground as the basis for a creative and richly textured analysis Discussions of Soviet modernity have tended to see the Soviet state either as an archaic holdover from the Russian past or as merely another form of conventional modernity David Fox instead considers the Soviet Union in its own light as a seismic shift from tsarist society that attracted influential visitors from the pacifist Left to the fascist Right By reassembling Russian legacies as he shows the Soviet system evolved into a complex intelligentsia statist form that introduced an array of novel agendas and practices many embodied in the unique structures of the party state Crossing Borders demonstrates the need for a new interpretation of the Russian Soviet historical trajectory one that strikes a balance between the particular and the universal

Russian Rule in Samarkand 1868-1910 Alexander Morrison, 2008-09-11 Russian Rule in Samarkand examines the structures personnel and ideologies of Russian imperialism in Turkestan taking Samarkand and the surrounding region as a case study The creation of a colonial administration in Central Asia presented Russia with similar problems to those faced by the British in India but different approaches to governance meant that the two regimes often stood in stark contrast to one another While the Russian administration was characterised by corruption and inefficiency British rule in India was often more violent and its subjects much more heavily taxed Opening with the background to the political situation in Central Asia and a narrative of the Russian conquest itself the book moves on

to analyse official attitudes to Islam and to pre colonial elites and the earliest attempts to establish a functioning system of revenue collection Uncovering the religious and ethnic composition of the military bureaucracy and the social background education and training of its personnel Alexander Morrison assesses the competence of these officers vis vis their Anglo Indian counterparts Subsequent chapters look at the role of the so called native administration in governing the countryside and collecting taxes the attempt to administer the complex systems of irrigation leading from the Zarafshan and Syr Darya rivers and the nature and functions of the Islamic judiciary under colonial rule Based on extensive archival research in Russia India and Uzbekistan and containing much rare source material translated from the original Russian Russian Rule in Samarkand will be of interest to all those interested in the history of the Russian Empire and European Imperialism more generally

Everyday Life in Early Soviet Russia Christina Kiaer, Eric Naiman, 2006 How Soviet citizens in the 1920s and 1930s internalized Soviet ways of looking at the world and living their everyday lives **A History of Women's Writing in Russia** Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research this volume forces a re examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women's writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia's literary periods they look at how Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works

Russian Academicians and the Revolution Vera Tolz, 1997-10-13 An examination of the early Soviet period of the Russian Soviet Academy of Sciences which focuses on the reactions of individual members of the academy to the new situation in which they found themselves after October 1917 Based on the extensive use of documents from the Archives of the Russian Academy of Sciences the author discusses how the academicians justified their cooperation with the Bolsheviks and the ideological basis of the regime's policy towards the academy in the 1920s Turkestan and the Fate of the Russian Empire Daniel R. Brower, 2003 The central argument of this book is that the half century of Russian rule in Central Asia was shaped by traditions of authoritarian rule by Russian national interests and by a civic reform agenda that brought to Turkestan the principles that informed Alexander II's reform policies This civilizing mission sought to lay the foundations for a rejuvenated modern empire unified by imperial citizenship patriotism and a shared secular culture Evidence for Brower's thesis is drawn from major archives in Uzbekistan and Russia Use of these records permitted him to develop the first interpretation either in Russian or Western literature of Russian colonialism in Turkestan that draws on the extensive archival evidence of policy making imperial objectives and relations with subject peoples **The Poetry and Poetics of Olga Sedakova** Stephanie

Sandler, Maria Khotimsky, Margarita Krimmel, Oleg Novikov, 2019-02-12 Olga Sedakova stands out among contemporary Russian poets for the integrity erudition intellectual force and moral courage of her writing After years of flourishing quietly in the late Soviet underground she has increasingly brought her considered voice into public debates to speak out for freedom of belief and for those who have been treated unjustly This volume the first collection of scholarly essays to treat her work in English assesses her contributions as a poet and as a thinker presenting far reaching accounts of broad themes and patterns of thought across her writings as well as close readings of individual texts Essayists from Russia Ukraine Germany Italy and the United States show how Sedakova has contributed to ongoing aesthetic and cultural debates Like Sedakova's own work the volume affirms the capacity of words to convey meaning and to change our understanding of life itself The volume also includes dozens of elegant new translations of Sedakova's poems
