Fyodor Sologub, 1916 Sologub is a pseudonym the author's real name is Feodor Kuzmich Teternikov He was born in 1863 He completed a scholastic course at Petrograd His first published story appeared in the periodical *Severny Viestnik* in 1894 but it was not until about a dozen years later that he came into his fame which he has since then further enhanced This is all the biographical knowledge we have of a living novelist whose place in Russian literature is secure beyond all question the scantiness of our knowledge is all the more amazing when we consider that the author is over fifty and that his complete works are in their twentieth volume These include almost every possible form of literary expression the fairy tale the poem the play the essay the novel and the short story Sologub's place as a poet is hardly less assured than his place as a novelist

The Gipsies, and Other Stories Helen Shaw, 1978 A Soothsayer's Prophecy and Other Stories Mahesh Kulkarni, Nikhil Dambal, 2016-05-06 A man curious about his future goes to an astrologer The astrologer prophesies that his wife will meet with an accident Destiny decides to test whether the astrologer will remain true to his craft even though it entails ruin Will the astrologer pass the test A sculptor creates a very beautiful statue The statue is infected with the praise hurled upon it Is beauty a source of inspiration or cause of destruction Or are creation and destruction the two great imposters There is theft in the house of a businessman An engineering student confesses to the police yet the investigation starts There is a dilapidated medieval fort where poltergeist phenomena are reported Six friends visit the fort some out of curiosity and some out of compulsion What happens inside the fort will haunt the ghosts for eternity Stories that are uninhibited by the constraints of grammar by the considerations of syntactic propriety by the rigidities of morals and messages is a dream destination We believe that a story belongs more to a reader than its writer We have tried our best to refrain ourselves from force feeding the reader with matters that are too peripheral to matter in spite of the many temptations to do so and have made naive attempts to act as

facilitators and allow the reader to paint his own environs and at times draw his own conclusions This book is more a sincere than a scholarly attempt to do this *Sounds of a New Generation* Deborah Wallrabenstein, 2017-10-15 This book offers insight into the approaches of a new generation of Jewish American writers Whether they reimagine their ancestors shtetl life or invent their own kind of Jewishness they have a common curiosity in what makes them Jewish Is it because most of them are third generation Americans who don t worry about assimilation as their parents generation did If so how does the writing of recent Jewish immigrants from the former Soviet Union fit into the picture Unlike Irving Howe predicted in 1977 Jewish American literature did not fade after immigration It always finds new paths drawing from the vast scope of Jewish life in America
