Nathans Valley:

Toys in the Closet Trent D. Pendley, 2015-08-24 *Toys in the Closet* is a historical fiction set in the sensuous singing sands of the Indiana dunes on the southern shores of Lake Michigan This is the journey of Nathan Franklin whose family participated in the most vicious confrontation between environmentalists and industrialist over the Hoosier coast Nathan a Jewish writer is out of season visiting his beach home on Christmas Day 97 and exploring the story book rooms of Brighton House a repository of so many works of art by artists who have painted the dunes and a treasury of family heirlooms each with vignettes of a landed past Nathan though lonesome on Christmas in the aftermath of a winter blizzard realizes he isn't alone at all surrounded by his treasures and a very protecting lost lover A story full of Hoosier pride social justice as viewed through the eyes of an accomplished Jewish contemporary at the end of his family's American Dream Tristram's Treasures Sally Coffin, 2018-01-19 I have created this artistic expression of a storybook version of the Coffin Family legacy with original paintings collages with vintage photos into illustrations for a special coffee table book the true story of the seafaring Coffin Family legacy connecting their historical homes historical museums and events beginning in Normandy France The Norman Coffins lived in possession of Chateau Cortiton in 1066 which still stands today After migrating to England with William the Conqueror in the 1200s Sir Richard Coffin built Portledge Manor in Devonshire England also still standing today In 1642 Tristram Coffin Sr of Devonshire England with his family left a civil war and was among the first of the race that settled in America Living alternatively in the colony of Massachusetts he arranged for the purchase of Nantucket and Martha's Vineyard by a company he organized of nine men on July 2 1659 The fourth son of Tristram Coffin Sr was John Tristram Coffin who was the first of the Coffins to take up residence on Martha's Vineyard and was a notable blacksmith and considerable owner of real estate My family line is directly linked to John Coffin He died on September 11 1711 leaving the oldest headstone on Martha's Vineyard Continuing is the story of Abigail Starbuck Coffin doctor midwife She was a daughter of the Mormon pioneers who was caught in the western swirl of migration Another connection is automobile magnate Howard E Coffin the Father of Standardization predecessor of United Airlines a prince of Detroit and the king of the Georgia Coast He shared in the visionary influence of his ancestors from Nantucket Island in the 1600s and thus extended Tristram Coffin's legacy to the southeastern Atlantic coast of Georgia In this way the original owners of Nantucket Island Martha's Vineyard and Sea Island Georgia connect over three hundred years just one of many Coffin connections To me my ancestors are timeless They are like a rare and treasured collection of antiques from a time gone by They could be called Tristram's Treasures Time can be eerie especially when our ancestors have left behind so many indelible footprints all throughout American history It's as though a part of them will never really be gone and that has inspired me to create a special storybook where they all belong with their historical homes museums famous and epic stories along with their outstanding achievements monuments and headstones that even time can never erase I invite you the reader through

my original collages of artwork to follow me on this epic journey as we look at the Coffin Family legacy and the many connections they share throughout American history **The Blue Valley** Robert Morgan,2000-10-02 A collection of stories based on life in the Southern Appalachians **The Nathan Hale Boy's Club** Duwayne K. The days of choosing between a handful of imports and a convenience store six pack are long gone The beer landscape in America has changed dramatically in the twenty first century as the nation has experienced an explosion in craft beer brewing and consumption Nowhere is this truer than in Virginia where more than two hundred independent breweries create beers of an unprecedented variety and serve an increasingly knowledgeable and thirsty population of beer enthusiasts As Lee Graves shows in his definitive new guide to Virginia beer the Old Dominion s central role in the current beer boom is no accident Beer was on board when English settlers landed at Jamestown in 1607 and the taste for beer and expertise in brewing have only grown in the generations since Graves offers an invaluable survey of key breweries throughout the Virginia profiling the people and the businesses in each region that have made the state a rising star in the industry The book is extensively illustrated and suggests numerous brewery tours that will point you in the right direction for your statewide beer crawl From small farm breweries in the shadow of the Blue Ridge Mountains to cavernous facilities in urban rings around the state Virginians have created a golden age for flavorful beer This book shows you how to best appreciate it

FIVE YEARS AFTER THE AMERICAN REVOLUTION MAGIC IS LOOSE IN THE BACKWOODS The forces of evil are poised to prey on the folk of the hamlets and hollows witches demons and red handed men but first they ll have to overcome Old Nathan the Wizard He doesn t claim much for his magical powers but they re real enough for what they are and besides he hasn t forgotten how to use his long flintlock rifle Enter the gritty realistic world of Old Nathan a backwoodsman who talks to animals and says he ll face The Devil himself and who in the end will have to face The Devil in very fact At the publisher s request this title is sold without DRM Digital Rights Management David Drake is one of those rare authors who seems capable of switching from one mode of writing to another hard science near future political thriller to high fantasy with a smooth meshing of gears Science Fiction Chronicle **The Feud** Dean King,2013-05-14 For more than a century the enduring feud between the Hatfields and the McCoys has been American shorthand for passionate unyielding and even

violent confrontation Yet despite numerous articles books television shows and feature films nobody has ever told the in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia Drawing upon years of original research including the discovery of previously lost and ignored documents and interviews with relatives of both families bestselling author Dean King finally gives us the full unvarnished tale one vastly more enthralling than the myth Unlike previous accounts King s begins in the mid nineteenth century when the Hatfields and McCoys lived side by side in relative harmony Theirs was a hardscrabble life of farming and hunting timbering and moonshining and raising large and boisterous families in the rugged hollows and hills of Virginia and Kentucky Cut off from much of the outside world these descendants of Scots Irish and English pioneers spoke a language many Americans would find hard to understand Yet contrary to popular belief the Hatfields and McCoys were established and influential landowners who had intermarried and worked together for decades When the Civil War came and the outside world crashed into their lives family members were forced to choose sides After the war the lines that had been drawn remained and the violence not only lived on but became personal By the time the fury finally subsided a dozen family members would be in the grave The hostilities grew to be a national spectacle and the cycle of killing kidnapping stalking by bounty hunters and skirmishing between governors spawned a legal battle that went all the way to the United States Supreme Court and still influences us today Filled with bitter quarrels reckless affairs treacherous betrayals relentless mercenaries and courageous detectives The Feud is the riveting story of two frontier families struggling for survival within the narrow confines of an unforgiving land It is a formative American tale and in it we see the reflection of our own family bonds and the lengths to which we might go in order to defend our honor our loyalties and our livelihood
