Herbert Donald Lincoln is a stunning portrait of Abraham Lincoln s life and presidency Donald brilliantly depicts Lincoln s gradual ascent from humble beginnings in rural Kentucky to the ever expanding political circles in Illinois and finally to the presidency of a country divided by civil war Donald goes beyond biography illuminating the gradual development of Lincoln s character chronicling his tremendous capacity for evolution and growth thus illustrating what made it possible for a man so inexperienced and so unprepared for the presidency to become a great moral leader In the most troubled of times here was a man who led the country out of slavery and preserved a shattered Union in short one of the greatest presidents this country has ever seen *Reunion Without Compromise* Michael Perman,1973-07-27 A study of the political leadership of the Southern States during the decisive three years immediately after the American Civil War This was the crucial moment when the terms and shape of the post war sectional settlement were being deliberated and determined and its outcome depended on the policy pursued by the Federal government towards the leaders of the Confederacy as well as on the Southerners

response to whatever course was adopted Consequently the Southern politicians were at the centre of the whole problem of reunion It is very surprising therefore that until this study there has been virtually no analysis by historians of the goals strategies and priorities of the Confederates Yet without this the struggle over Southern readmission cannot properly be understood A Reference Guide for English Studies Michael J.
