National Civic Review Fall 2004:

National Civic Review, Volume 97, Number 3, Fall 2008 Michael McGrath, 2008-10-28 The SAGE Guide to Key Issues in Mass Media Ethics and Law William A. Babcock, William H. Freivogel, 2015-03-23 The SAGE Guide to Key Issues in Mass Media Ethics and Law is an authoritative and rigorous two volume issues based reference set that surveys varied views on many of the most contentious issues involving mass media ethics and the law Divided into six thematic sections covering information from contrasting ethical responsibly and legal rights for both speech and press newsgathering and access and privacy to libelous reporting business considerations and changing rules with social media and the Internet the information in this guide is extremely relevant to a variety of audiences This guide specifically focuses on matters that are likely to be regular front page headlines concerning topics such as technological threats to privacy sensationalism in media coverage of high profile trials cameras in the courtroom use of confidential sources national security concerns and the press digital duplication and deception rights of celebrities plagiarism and more Collectively this guide assesses key contentious issues and legal precedents noting current ethical and legal trends and likely future directions Features Six thematic sections consist of approximately a dozen chapters each written by eminent scholars and practitioners active in the field Sections open with a general Introduction by the volume editors and conclude with a wrap up Outlook section to highlight likely future trends Chapters follow a common organizational outline of a brief overview of the issue at hand historical background and precedent and presentation of various perspectives pro con mixed to the issue See also cross references guide readers to related chapters and references and further readings guide users to more in depth resources for follow up This reference guide is an excellent source for the general public students and researchers who are interested in expanding their knowledge in mass media and the ethics and law surrounding it **Journalism, Online Comments, and the Future of Public Discourse** Marie K. Shanahan, 2017-09-13 Comments on digital news stories and on social media play an increasingly important role in public discourse as more citizens communicate through online networks The reasons for eliminating comments on news stories are plentiful Off topic posts and toxic commentary have been shown to undermine legitimate news reporting Yet the proliferation of digital communication technology has revolutionized the setting for democratic participation The digital exchange of ideas and opinions is now a vital component of the democratic landscape Marie K Shanahan s book argues that public digital discourse is crucial component of modern democracy one that journalists must stop treating with indifference or detachment and for news organizations to use journalistic rigor and better design to add value to citizens comments above the social layer Through original interviews anecdotes field observations and summaries of research literature Shanahan explains the obstacles of digital discourse as well as its promises for journalists in the digital age Votes That Count and Voters Who Don't Sharon E. Jarvis, Soo-Hye Han, 2018-08-28 For decades journalists have called the winners of U S presidential elections often in error well before the closing of the polls In Votes That Count and

Voters Who Don't Sharon E Jarvis and Soo Hye Han investigate what motivates journalists to call elections before the votes have been tallied and more importantly what this and similar practices signal to the electorate about the value of voter participation Jarvis and Han track how journalists have told the story of electoral participation during the last eighteen presidential elections revealing how the portrayal of voters in the popular press has evolved over the last half century from that of mobilized partisan actors vital to electoral outcomes to that of pawns of political elites and captives of a flawed electoral system The authors engage with experiments and focus groups to reveal the effects that these portrayals have on voters and share their findings in interviews with prominent journalists *Votes That Count* and *Voters Who Don't* not only explores the failings of the media but also shows how the story of electoral participation might be told in ways that support both democratic and journalistic values At a time when professional strategists are pressuring journalists to provide favorable coverage for their causes and candidates this book invites academics organizations the press and citizens alike to advocate for the voter's place in the news

L.A.'s Titans of Temple Street Tom Sitton, 2023-04-05 This book studies Los Angeles County and its government since World War II A special focus is given to the Titans of Temple Street the five member Board of Supervisors that determines policies and actions for many issues throughout the county especially for residents who do not live in the county's 88 cities It is the largest of all U.S. counties with a population of more than 10 million more residents than 41 states and an annual budget of more than 44 billion more than all but 19 states It has served as an innovative example of county government since the early 1900s

Interstate Disputes Joseph F. Zimmerman, 2012-02-16 With respect to controversies between two or more states the U.S. Constitution grants original jurisdiction to the U.S. Supreme Court and in 1789 Congress made exclusive the Court's jurisdiction over interstate disputes In this book Joseph F. Zimmerman examines the role of the Supreme Court in settling disputes between states the criteria developed by the Court to determine whether its original jurisdiction should be invoked and the function of special masters who as adjuncts to the Court facilitate negotiated settlements or provide the factual information needed by the Court to render sound decisions Zimmerman analyzes a wide range of specific disputes from boundary lines to financial matters to water allocation diversion and pollution To alleviate the Court's exceptionally heavy and critically important appellate workload the author proposes alternative mechanisms for resolving controversies between sister states including interstate boundary compacts interstate regulatory compacts and several congressional initiatives

Remaking American Communities David C. Soule, 2007-11-01 Urban sprawl has gained much national attention in recent years Sprawl involves not only land use issues but also legal political and social concerns It affects our schools the environment and race relations Comprehensive enough for high school students and also appropriate for college undergraduates *Remaking American Communities* delves into the challenges of urban sprawl by turning to some of America's top thinkers on the problem including Robert Yaro president of the Regional Plan Association Other cutting edge essays include a foreword about the

emergence of sprawl by nationally syndicated columnist Neal Peirce views about race and class by former mayor of Albuquerque David Rusk and a discussion of transportation dynamics by Curtis Johnson president of the Citistates Group The essays in this collection explore the core issues of sprawl and the agenda for dealing with it Complete with a glossary resources and contact information for smart growth alliances this book is extremely user friendly David C Soule offers an unbiased viewpoint of this national phenomenon in a way that will be accessible to students and those with little background in the issue

State of Resistance Manuel Pastor, 2018-04-03 Concise clear and convincing a vision for the country as a whole James Fallows The New York Times Book Review A leading sociologist's brilliant and revelatory argument that the future of politics work immigration and more may be found in California Once upon a time any mention of California triggered unpleasant reminders of Ronald Reagan and right wing tax revolts ballot propositions targeting undocumented immigrants and racist policing that sparked two of the nation's most devastating riots In fact California confronted many of the challenges the rest of the country faces now decades before the rest of us Today California is leading the way on addressing climate change low wage work immigrant integration overincarceration and more As white residents became a minority and job loss drove economic uncertainty California had its own Trump moment twenty five years ago but has become increasingly blue over each of the last seven presidential elections How did the Golden State manage to emerge from its unsavory past to become a bellwether for the rest of the country Thirty years after Mike Davis's hellish depiction of California in *City of Quartz* the award winning sociologist Manuel Pastor guides us through a new and improved California complete with lessons that the nation should heed Inspiring and expertly researched *State of Resistance* makes the case for honestly engaging racial anxiety in order to address our true economic and generational challenges a renewed commitment to public investments the cultivation of social movements and community organizing and more

Interstate Cooperation, Second Edition Joseph F. Zimmerman, 2012-06-14 Cooperative interstate relations are essential for maintaining the economic and political union established by the United States Constitution Despite this importance interstate compacts federal state compacts and interstate administrative agreements have generally been neglected by political scientists for more than half a century In this second edition of *Interstate Cooperation* Joseph F Zimmerman demonstrates that many public goals can be achieved by either a compact or an agreement Interstate administrative agreements moreover may be verbal or written and have increased sharply in number because their flexibility allows changes to be made quickly without legislative authorization Zimmerman aims to stimulate additional research on these forms of interstate cooperation in order to help formulate additional innovative solutions to our major interstate problems

The Facilitative Leader in City Hall James H. Svara, 2008-12-09 Providing a critical examination of government in American cities this volume presents the innovative view that mayors in council manager cities are better positioned to develop positive leadership than their peers in mayor council cities This book develops a deeper understanding of city government institutions with an examination of groundbreaking

conceptual model of leadership and how it relates to local government forms Based on the observation of mayors who have served in the past decade in cities ranging in size from 1500 to 1.5 million fourteen case studies evaluate factors that contribute to effective leadership and highlight emerging issues faced by today's cities *Managing America's Small Communities* David H. Folz, Edward P. French, 2005-08-25 *Managing America's Small Communities* charts several key aspects of the largely unexamined world of small city management This book describes the demographic trends structural features executive behavior and service quality among small communities Are small cities growing declining or have they remained untouched by the force of change To what extent have the structural changes and reforms that have swept through larger cities touched small communities What are the characteristics and behaviors of small city chief executives and how involved are different executives in the dimensions of the governmental process How do chief executives in small cities make decisions about local services and programs Are there differences in the extent to which appointed managers and elected mayors are responsive to community interests The book also examines the frequency with which small communities provide various services the quality of services provided and how small city officials can diagnose problems with service quality and performance The book's theme is the value added to small communities that evidence professionalism in city administration The benefits that accrue to having a professional city manager are most apparent in the extent to which city managers are engaged in decisions related to each of the dimensions of the governmental process the level of service quality provided and the prospects for measuring service performance **Acting Civically** Susan A. Ostrander, Kent E. Portney, 2007 New multidisciplinary scholarship on civic engagement in America *The Responsible Reporter* Bruce J. Evensen, 2008 The book is designed as an introductory text for journalism courses but would also be useful for related classes such as magazine and feature writing principles of journalism and news editing Jacket *The Education Mayor* Kenneth K. Wong, 2007 In 2002 the No Child Left Behind Act rocked America's schools with new initiatives for results based accountability But years before NCLB was signed a new movement was already under way by mayors to take control of city schools from school boards and integrate the management of public education with the overall governing of the city *The Education Mayor* is a critical look at mayoral control of urban school districts beginning with Boston's schools in 1992 and examining more than 100 school districts in 40 states The authors seek to answer four central questions What does school governance look like under mayoral leadership How does mayoral control affect school and student performance What are the key factors for success or failure of integrated governance How does mayoral control effect practical changes in schools and classrooms The results of their examination indicate that although mayoral control of schools may not be appropriate for every district it can successfully emphasize accountability across the education system providing more leverage for each school district to strengthen its educational infrastructure and improve student performance Based on extensive quantitative data as well as case studies this analytical study provides a balanced look at America's education reform As the first multidistrict empirical examination and

most comprehensive overall evaluation of mayoral school reform The Education Mayor is a must read for academics policymakers educational administrators and civic and political leaders concerned about public education Digital Governance Michael E. Milakovich, 2021-09-27 The application of digital information and communication technologies ICTs to reform governmental structures and public service is widely and perhaps naively viewed as the 21st century savior the enlightened way to reinvigorate democracy reduce costs and improve the quality of public services This book examines the transition from e government to digital governance in light of the financial exigencies and political controversies facing many governments The chapters concentrate on strategies for public sector organizational transformation and policies for improved and measurable government performance in the current contentious political environment This fully updated second edition of Digital Governance provides strategies for public officials to apply advanced technologies manage remote workforces measure performance and improve service delivery in current crisis driven administrative and political environments The full implementation of advanced digital governance requires fundamental changes in the relationship between citizens and their governments using ICTs as catalysts for political as well as administrative communication This entails attitudinal and behavioral changes secure networks and less dependence on formal bureaucratic structures covered in Part I of this book transformation of administrative educational and security systems to manage public services in a more citizen centric way covered in Part II the integration of advanced digital technologies with remote broadband wireless internet services Part III and the creation of new forms of global interactive citizenship and self governance covered in Part IV Author Michael E Milakovich offers recommendations for further improvement and civic actions to stimulate important instruments of governance and public administration This book is required reading for political science public administration and public policy courses as well as federal state and local government officials **Participatory Budgeting in the United States** Victoria Gordon, Jeffery L. Osgood, Jr., Daniel Boden, 2016-10-04 Although citizen engagement is a core public service value few public administrators receive training on how to share leadership with people outside the government Participatory Budgeting in the United States serves as a primer for those looking to understand a classic example of participatory governance engaging local citizens in examining budgetary constraints and priorities before making recommendations to local government Utilizing case studies and an original set of interviews with community members elected officials and city employees this book provides a rare window onto the participatory budgeting process through the words and experiences of the very individuals involved The central themes that emerge from these fascinating and detailed cases focus on three core areas creating the participatory budgeting infrastructure increasing citizen participation in participatory budgeting and assessing and increasing the impact of participatory budgeting This book provides students local government elected officials practitioners and citizens with a comprehensive understanding of participatory budgeting and straightforward guidelines to enhance the process of civic engagement and democratic values in local communities **Governing Metropolitan**

Regions in the 21st Century Donald Phares, 2015-01-28 While government provides the structure of public leadership governance is the art of public leadership This timely book examines current trends in metropolitan governance issues It analyzes specific cases from thirteen major metropolitan regions in the United States Canada and Mexico all woven together by an overall framework established in the first three chapters The distinguished contributors address such governance issues as city county consolidation local federal coordination annexation and special districting and private contracting with special attention to lessons learned from both successes and failures As urban governance innovations have clearly outpaced urban government structures in recent years the topics covered here are especially relevant Routledge Handbook of Internet Politics Andrew Chadwick, Philip N. Howard, 2010 The politics of the internet has entered the social science mainstream This volume is concerned with theoretical conceptual debates political institutions practices how the internet creates new policy problems for liberal democratic non liberal democratic states not to mention their roles in the global system *Handbook of Research on E-Government Readiness for Information and Service Exchange: Utilizing Progressive Information Communication Technologies* Rahman, Hakikur, 2009-07-31 This book assists its readers in formulation of ICT strategies for developing efficient and effective government systems and at the same time acknowledge the importance of e governance for building institutions to achieve transparency and accountability and eventually democratic governance Provided by publisher

Works about John Dewey, 1886-2012 Barbara Levine, 2013-11-05 Works of John Dewey 1886 2012 is an invaluable and meticulously compiled resource for the growing number of scholars and researchers seeking a deeper understanding of the work of the prominent American philosopher psychologist and educational reformer Dewey 1859 1952 an influential philosopher credited with the founding of pragmatism and also recognized as a pioneer in functional psychology and the progressive moment in education was hailed by Life magazine in 1990 as one of the one hundred most important Americans of the twentieth century This rich and continually expanding compendium of historical and more recent essays research and references is a testament to the growing interest in Dewey s intellectual work and his measurable impact in the United States and throughout the world In Works of John Dewey 1886 2012 some four thousand new entries are presented in ebook format in addition to those from earlier print and electronic editions dating back to 1995 Copies of most of the works have been obtained and are stored at the Center for Dewey Studies For the first time users can access all items from all editions in one user friendly format Jump links to alphabetical sections facilitate movement through the vast collection of entries Users can search by keyword and author

National Civic Review Fall 2004 Introduction

In today's digital age, the availability of National Civic Review Fall 2004 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of National Civic Review Fall 2004 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of National Civic Review Fall 2004 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing National Civic Review Fall 2004 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, National Civic Review Fall 2004 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing National Civic Review Fall 2004 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for National Civic Review Fall 2004 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, National Civic Review Fall 2004 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of National Civic Review Fall 2004 books and manuals for download and embark on your journey of knowledge?

FAQs About National Civic Review Fall 2004 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. National Civic Review Fall 2004 is one of the best book in our library for free trial. We provide copy of National Civic Review Fall 2004 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with National Civic Review Fall 2004. Where to download National Civic Review Fall 2004 online for free? Are you looking for National Civic Review Fall 2004 PDF? This is definitely going to save you time and cash in something you should think about.
