

National Trust Of British Castles

John Paul Davis

National Trust Of British Castles:

The National Trust Book of British Castles Paul Johnson, 1984 Traces each step of the development of Britain's rich and varied collection of castles Cover Britain's Medieval Castles Lise E. Hull, 2005-12-30 The widespread construction of castles in Britain began as soon as Duke William of Normandy set foot on the shores of southern England in 1066 The castles that were constructed in the ensuing centuries and whose ruins still scatter the British countryside today provide us with an enduring record of the needs and ambitions of the times But the essence of the medieval castle a structure that is equal parts military residential and symbolic reveals itself not only through the grandeur of such architectural masterpieces as the Tower of London and the imposing nature of such royal residences as Windsor but also in the aging masonry carvings enduring battlements and more modest earthen ramparts that have survived alongside them Through a feature by feature account of the architectural elements and techniques used in constructing the medieval castle author Lise Hull allows the multiple functions of these multifarious forms to shine through and in so doing lends a new vitality to the thousand faces that the medieval world assumed to discourage its enemies inspire its friends and control its subjects This compelling investigation takes a unique look at each of the medieval castle's main roles as an offensive presentation and defensive fortification as a residential and administrative building and as a symbolic structure demonstrating the status of its owner Each chapter focuses on one specific role and uses concrete architectural features to demonstrate that aspect of the medieval castle in Britain A wealth of illustrations is also provided as is a glossary explaining the distinct parts of the castle and their functions This book should be of interest to students researching architecture the Middle Ages or military history as well as general readers interested in castles or considering a trip to Britain to observe some of these magnificent sites themselves **The National Trust Historical Atlas of Britain** National Trust (Great Britain), 1997 This illustrated history of the development of British society looks particularly at the properties of the National Trust and the National Trust for Scotland These include Avebury in Wiltshire Fountains Abbey in Yorkshire and Kellie Castle in Fife The text includes cameo pieces on life at Chedworth Roman Villa in Gloucestershire monasticism at Mount Grace Priory and the medieval diet while maps help convey historical and archaeological information with clarity **Exploring English Castles** Edd Morris, 2015-04-07 A guide to some of the most historical and picturesque castles in England for romantics and Anglophiles alike Castles have shaped England For almost one thousand years castles have been the settings of siege and battle dens of plotting and intrigue and refuges for troubled kings Today the romantic yet ruinous shapes of once grand fortresses stud the English countryside a reminder of turbulent times past Exploring English Castles provides readers with a breathtaking tour through the grandest castles of England It brings ruins to life through true stories of royalty chivalry deception and intrigue played out within formerly majestic walls Uncover the secret of Bodiam Castle Sussex a fortress seemingly from a fairy tale built for a knight returning from the Hundred Years War Discover how Mary Tudor first queen of England took refuge in Framlingham Castle

Suffolk overturning a wily plot to deny her the throne Unearth a delicate love story between Queen Elizabeth I and Robert Dudley which unfolds against the genteel backdrop of Kenilworth Castle Warwickshire Filled with evocative photographs awe inspiring historical tales and gentle humor Exploring English Castles will delight any armchair historian travel aficionado or fan of historical fiction British Sources of Information P. Jackson, 2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual **Understanding the Castle Ruins of England and Wales** Lise Hull, 2016-03-15 Medieval castles were not just showcases for the royal and powerful they were also the centerpieces of many people s daily lives A travel guide as well as a historical text this volume looks at castles not just as ruined buildings but as part of the cultural and scenic landscape The 88 photographs illustrate the different architectural concepts and castle features discussed in the text The book includes glossaries of terminology an appendix listing all the castles mentioned and their locations notes bibliography and index **British and Irish Paintings in Public Collections** Christopher Wright, Catherine May Gordon, 2006-01-01 This book sets a new standard as a work of reference It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9 000 painters and 90 000 paintings in more than 1 700 separate collections The book includes as well pictures that are now lost some as a consequence of the Second World War and others because of deaccessioning mostly from 1950 to about 1975 when Victorian art was out of fashion By listing many tens of thousands of previously unpublished works including around 13 000 which do not yet have any form of attribution this book becomes a unique and indispensable work of reference one that will transform the study of British and Irish painting *English Castles* Adrian Pettifer, 1995 A comprehensive and concise guide to all medieval English castles of which something can still be seen today ranging from the massive keeps which still dominate the landscape to grassy earthworks and Border pele towers and spanning the centuries from the Norman Conquest to the accession of the Tudors A well written contribution to the literature on the subject and will interest both the historically minded tourist and as a reference book the scholar WAR IN HISTORY A comprehensive and concise guide to all medieval English castles of which something can still be seen today ranging from the massive keeps which still dominate the landscape to grassy earthworks and Border pele towers and spanning the centuries from the Norman Conquest to the accession of the Tudors English Castles contains over five hundred main entries in county order each giving a brief history and description of the castle A short introduction supplies the historical background to the explosion of castle building in the middle ages and there is a glossary covering all aspects of castles in some detail There are

also full Ordnance Survey map references *Directory of Rare Book and Special Collections in the UK and Republic of Ireland* Karen Attar, 2016-05-31 This directory is a handy on volume discovery tool that will allow readers to locate rare book and special collections in the British Isles Fully updated since the second edition was published in 1997 this comprehensive and up to date guide encompasses collections held in libraries archives museums and private hands The Directory Provides a national overview of rare book and special collections for those interested in seeing quickly and easily what a library holds Directs researchers to the libraries most relevant for their research Assists libraries considering acquiring new special collections to assess the value of such collections beyond the institution showing how they fit into a unique and distinctive model Each entry in the Directory provides background information on the library and its purpose full contact details the quantity of early printed books information about particular subject and language strengths information about unique works and important acquisitions descriptions of named special collections and deposited collections Readership Researchers academic liaison librarians and library managers

Castles of Wales John Paul Davis, 2022-04-06 In 1277 Llywelyn ap Gruffudd Prince of Gwynedd met with Edward I of England in Aberconwy to finalise a treaty that would change the fate of both nations His hand forced by Edward s invasion earlier that year Llywelyn s acceptance of the terms confirmed not only short term peace but also that the rule of Wales would pass to Edward on his death To augment his rising dominance the English king embarked on a building project that saw the rise of some of the most recognisable fortresses in Europe Quite literally an Iron Ring of castles Even before the construction of Edward s infamous Iron Ring castles were by no means rare in Wales Both before and simultaneous to William the Conqueror s establishment of timber and stone fortresses in the south and borderlands a process continued by many of his descendants native structures also existed Though often more palatial than protective such constructions proved decisive to the ongoing wars and were often chosen as sites for future castles Just as had been the case in England the story of the castle crosses many centuries Many began as Roman forts whereas others date from more modern times While many are now romantic ruins others remain cherished family homes if not hotels or museums By adopting an identical approach to that seen in Castles of England the purpose of this book is to throw light on the stories behind them For as long as there have been castles in Wales there have been mysteries within their walls Murders that remain unsolved treasures unfound prisoners left to rot in the darkest pits and valiant warriors whose heroic deeds have become a cherished part of the Welsh identity From blood soaked heroes to long lost legends despotic pirates to wailing hags Castles of Wales offers a fresh investigation into many of its fascinating fortresses No country has more castles per square mile than Wales Even today there are more than 200 to be enjoyed Inspired by such a rich tapestry of tales this book provides an essential introduction to the nation many regard as The Land of Castles

Recognizing the habit ways to get this books **National Trust Of British Castles** is additionally useful. You have remained in right site to begin getting this info. get the National Trust Of British Castles partner that we pay for here and check out the link.
