National Variations In Jewish Identity Implications For Jewish Education

Sol Encel, Leslie Stein

National Variations In Jewish Identity Implications For Jewish Education:

National Variations in Jewish Identity Steven M. Cohen, Gabriel Horenczyk, 1999-11-18 Explores how and why Jewish identity varies in different locations around the world and examines the implications of these variations for Jewish education

National Variations in Jewish Identity Steven M. Cohen, Gabriel Horenczyk, 2012-02-01 A collaboration of the world's leading contemporary Jewish scholars this book explains how and why Jewish identity differs in various societies and regions and the impact of these variations on the theory and practice of Jewish education The authors discuss differences that extend beyond such immediately obvious variations as language and dress Included is an examination of what Jews believe they share and what sets them apart from others what specific elements of Judaism which conceptualizations and which interpretations acquire special emphasis and the extent to which and the manner in which Jews are to function as part of the larger societies in which they dwell

Continuity, Commitment, and Survival Sol Encel, Leslie Stein, 2003-11-30 Issues of continuity survival and identity have generated apparently unending debates throughout the Jewish world for centuries While similar issues arise in all Jewish communities there are significant differences between them This collection was designed to highlight differences as well as similarities by devoting a chapter to each of seven countries Argentina Australia Canada France South Africa the United Kingdom and the United States In four communities those in Australia Canada the United Kingdom and the United States debates about continuity are mainly concerned with the loss of Jewish identity through assimilation In Argentina and South Africa the main issue is with physical survival in the face of chaotic social conditions In France although the situation is less dire the community feels threatened by the rise of xenophobic political movements and the hostility of Arab groups Apart from external factors all the contributors review debates over the relative importance of religion and ethnic identity and the contrasting positions taken by religious leaders and secularists While the study offers no clear cut answers it does aim to broaden the debate by exposing national differences

International Handbook of Jewish Education Helena Miller, Lisa D. Grant, Alex Pomson, 2011-04-02 The International Handbook of Jewish Education a two volume publication brings together scholars and practitioners engaged in the field of Jewish Education and its cognate fields world wide Their submissions make a significant contribution to our knowledge of the field of Jewish Education as we start the second decade of the 21st century The Handbook is divided broadly into four main sections Vision and Practice focusing on issues of philosophy identity and planning the big issues of Jewish Education Teaching and Learning focusing on areas of curriculum and engagement Applications focusing on the ways that Jewish Education is transmitted in particular contexts both formal and informal for children and adults Geographical focusing on historical demographic social and other issues that are specific to a region or where an issue or range of issues can be compared and contrasted between two or more locations This comprehensive collection of articles providing high quality content constitutes a definitive statement on the state of Jewish Education world wide as well as through a wide variety of lenses and contexts It is written in a style that is

accessible to a global community of academics and professionals

Jewish Education Ari Y Kelman, 2024-05-17 Most writing about Jewish education has been preoccupied with two questions What ought to be taught And what is the best way to teach it Ari Y Kelman upends these conventional approaches by asking a different question How do people learn to engage in Jewish life This book by centering learning provides an innovative way of approaching the questions that are central to Jewish education specifically and to religious education more generally At the heart of Jewish Education is an innovative alphabetical primer of Jewish educational values qualities frameworks catalysts and technologies which explore the historical ways in which Jewish communities have produced and transmitted knowledge The book examines the tension between Jewish education and Jewish Studies to argue that shifting the locus of inquiry from what people ought to know to how do people learn can provide an understanding of Jewish education that both draws on historical precedent and points to the future of Jewish knowledge

Mediating Modernity Lauren B. Strauss, Michael Brenner, 2008 A landmark collection of essays by prominent academics in modern Jewish and German Jewish history honoring Michael A Meyer a pioneer in those fields In *Mediating Modernity* contemporary Jewish scholars pay tribute to Michael A Meyer scholar of German Jewish history and the history of Reform Judaism with a collection of essays that highlight growing diversity within the discipline of Jewish studies The occasion of Meyer's seventieth birthday has served as motivation for his colleagues Lauren B Strauss and Michael Brenner to compile this volume with essays by twenty four leading academics representing institutions in five countries *Mediating Modernity* is introduced by an overview of modern Jewish historiography largely drawing on Meyer's work in that field delineating important connections between the writing of history and the environment in which it is written Meyer's own areas of specialization are reflected in essays on Moses Mendelssohn German Jewish historiography the religious and social practices of German Jews Reform Judaism and various Jewish communities in America The volume's field of inquiry is broadened by essays that deal with gender issues literary analysis and the historical relationship of Israel and the Palestinians Though other volumes have been compiled to honor Jewish historians *Mediating Modernity* is unique in the personal and intellectual relationships shared by its contributors and Michael A Meyer Scholars of Jewish studies German history and religious history will appreciate this timely volume

Religion and LGBTQ Sexualities Stephen Hunt, 2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number

of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes

Contemporary Jewries: Convergence and Divergence Eliezer Ben-Rafael, Yosef Gorny, Yaacov Ro'i, 2003-03-01 This is a book about Klal Yisrael the worldwide commonwealth of the Jewish people The main question asked is whether one can still speak of one Jewish people encompassing all Jews in the world The Jewish collective identity stands at new crossroads of multicultural ideologies and transnational diasporism Jewry is experiencing an existential problem in today's changing society shifting between convergence and unity on the one hand and divergence and division on the other hand Quo vadis O Jewish people Rather than fully answering this question researchers from Israel the United States Brazil Argentina Ukraine Russia France and Belgium try to open up the discussion in this book

Jewish Population and Identity Sergio DellaPergola, Uzi Rebhun, 2018-09-19 This book examines the fundamentals of Jewish demography and sociology around the world It is not only concerned with documenting patterns of population change but also with an intriguing and ever present issue like Who is a Jew The latter transcends the limits of quantitative assessment and deeply delves into the nature boundaries and quality of group identification A growing challenge is how to bridge between concept related to ideals and theory and reality reflecting field research Divided into six sections the book discusses historical demography immigration and settlement population dynamics social stratification and economy family and Jewish identity in the U S and Jewish identity in Israel The volume represents the dynamic and diverse nature of the study of world and local Jewish populations It shows how that field of study provides an important contribution to the broader and now rapidly expanding study of religious and ethnic groups Scholars in disciplines such as history geography sociology economics political science and especially demography follow and analyze the social and cultural patterns of Jews in different places around the globe at various times and from complementary perspectives They make use of historical sources that have recently become accessible utilize new censuses and surveys and adopt advanced analytical methods While some of their observations attest to consistency in the Jews demographic and identificational patterns others evolve and ramify in new directions that reflect general processes in the areas and societies that Jews inhabit internal changes within Jewish communities and intergenerational trends in personal preferences of religious and ethnic orientations This volume brings together contributions from scholars around the world and presents new and updated research and insights

The Jews of Contemporary Post-Soviet States Vladimir Ze'ev Khanin, 2023-10-24 Since the end of the USSR post Soviet Jewry has evolved into an ethnically and culturally diverse Russian speaking community This process is taking place against the gradual inflation of a collective identity among Russian speaking Jews that survived the first post Soviet decade The infrastructure for this new entity is provided by new local or ethno civic groups of East European Ashkenazi Jewry with specific communal subcultural and ethno political identities Ukrainian Moldavian or Russian Jews e g

These communities demonstrate a changing balance of identification between their countries of residence and the transnational Russian Jewish community and they absorb a significant number of persons of non Jewish and ethnically heterogeneous origins as well This book discusses identity community modes migration dynamics socioeconomic status attitudes toward Israel social and political environments and other parameters framing these trends using the results of a comprehensive sociological study of the extended Jewish population conducted in 2019 2020 by this author in the five former Soviet Union countries Russia Ukraine Belarus Moldova and Kazakhstan
