National Party Platforms Of 1980:

National Party Platforms of 1980 ,1982 Party Ideologies in America, 1828-1996 John Gerring,2001-02-05 This book first published in 1998 presents historical analysis of the ideologies of major American parties from the early nineteenth century onwards The Right and the Righteous Duane Murray Oldfield,1996 In this book author Duane Oldfield presents the most comprehensive account to date of the Christian Right s arrival as a major force on the political landscape

National Party Conventions, 1831-1996 Congressional Quarterly, inc,1997 This volume provides historical data and facts on US nominating conventions and political parties from 1831 to 1996 Chronological summaries of all major party conventions with excerpts from party platforms and key convention ballots form the heart of the text **The Gatekeepers** Kevin Lyles,1997-10-28 There are more than 600 Federal district judges serving today and they decide some 230 000 civil cases each year About 90% of the decisions they reach are final Lyles argues that these lower court judges not only influence the flow of information to the judicial hierarchy but they formulate questions that influence how higher courts including the Supreme Court respond As such they are key elements in the formulation and implementation of public policy To cite a few examples they desegregate school districts run mental institutions and prisons break up monopolies and reapportion legislatures Lyles begins by examining the structure and function of federal courts and detailing the history operation and purpose of the district courts He then turns to the selection nomination and appointment of district judges Lyles then analyzes the extent to which presidents might advance policy objectives through their judicial appointments to the district courts After examining how African American Latino and white judges male and female view their roles as policy actors Lyles concludes with a discussion of the implications of the study Important for students and scholars of contemporary public policy and the court system **National Party Conventions, 1831-1984** ,1987 Traces the history of national political conventions in the U S and looks at platforms roll call results and candidate profiles Issue Evolution Edward G. Carmines,James A. Stimson,2020-09-01 The description for this book Issue Evolution Race and the Transformation of American Politics will be forthcoming **Gay and Lesbian Americans and Political Participation** Raymond A. Smith,Donald P. Haider-Markel,2002-05-01 A groundbreaking volume surveying the contributions that gay and lesbian Americans have made to the democratic process In 1969 when lesbian gay bisexual and transgender LGBT people first participated as a group in the political process they faced an imposing array of obstacles Everything from personal rejection and violence state anti sodomy laws exclusion from the armed forces and legal discrimination in employment housing credit consumer service and public accommodations Nevertheless by the end of the millennium LGBT people had transformed themselves into a well organized and begrudgingly respected political force In the process they dramatically changed laws and attitudes across the nation This new volume tells the story of the rapid growth and remarkable successes of the LGBT movement a record that makes it one of the most successful social movements in U S history and ironically the least studied

Ocean Resources And U.S. Intergovernmental Relations In The 1980s Maynard Silva, 2021-11-28 This book examines the U S system of intergovernmental relations pertaining to ocean resources The exploitation of the oceans with regard to fisheries marine mammals hydrocarbons and economic minerals waste disposal and coastal zone management is analyzed in the context of the Reagan administration s New Federalism The contributors document the relationships that exist between the various levels of government federal state and local involved in regulating ocean resources and explore the problems associated with the use of specific resources The analyses suggest no single pattern of government guidelines during the Reagan years and they explain existing federal systems in relation to improve the management and conservation of ocean resources

Governments, Parties, and Public Sector Employees André Blais, Donald E. Blake, Stéphane Dion, 1997 Adopting a comparative approach and covering four countries over the period 1950 1990 studies the relationship between parties government and public sector employees Examines how different parties and governments treat public sector employees with regard to level of employment wages workers rights and the right to engage in political activity focusing on whether parties and governments of the left are more generous towards public sector employees than those of the right
