Karl Wolfgang Deutsch,1969 *Nationalism and Social Communication: an Inquiry Into the Foundations of Nationality. 2nd Ed* Karl Wolfgang DEUTSCH,1966 **Nationalism and Social Communication** Karl Wolfgang Deutsch,1951 The New Nationalism in America and Beyond Robert S. Schertzer,Eric Taylor Woods,2022 A careful analysis of the social media campaigns of Donald Trump Marine Le Pen and the Brexit campaigners which shows how today s new nationalists are cultivating support from white majorities by tapping into their history and culture Across the West there has been a resurgence of ethnic nationalism populism and anti immigrant sentiment a phenomenon that many commentators have called the new nationalism In *The New Nationalism in America and Beyond* Robert Schertzer and Eric Taylor Woods seek to understand why the bastions of liberalism are proving to be fertile ground for a decidedly illiberal ideology To do so they examine the social media campaigns of three of the most successful exemplars of the new nationalism Donald Trump in the US Marine Le Pen in France and Brexit in the UK Schertzer and Woods show how today s new nationalists are cultivating support from white majorities by drawing from long standing myths and symbols to construct an image of the nation as an ethnic community Their cutting edge and multidisciplinary approach combines elements of political science sociology history and communication and media studies to show how leaders today are updating the historical foundations of ethnic nationalism for the digital age
