Nationalism Violence And Democracy The Basque Clash Of Identities

Carrie Hamilton

Nationalism Violence And Democracy The Basque Clash Of Identities:

Nationalism, Violence and Democracy Ludger Mees, 2003-06-24 Ludger Mees offers the first comprehensive study of one of Europe's most protracted ethnic conflicts. He carefully analyzes both the historical roots of the conflict and its later growing violent dimension. Special attention is paid to the framing of a new opportunity structure during the 1990s which facilitated the first serious but ultimately frustrated attempt to broker a settlement. In the light of different theoretical and comparative approaches, the reasons for the dramatic return of terrorism and the possibilities of a more successful conflict de-escalation in the near future are discussed. *Basque Nationalism and the Spanish State* André Lecours, 2007-07-13 An examination of Basque nationalism from a historical perspective. Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country, but André Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state. His discussion employs one of the most debated approaches in the social sciences: historical institutionalism, and it includes an up-to-date examination of the circumstances for and consequences of recent events such as ETA's announcement in 2006 of a permanent cease-fire. Lecours also analyzes other aspects of Basque nationalism, including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state and how it deploys its own brand of nationalism. Finally, the book offers a comparative discussion of Basque, Catalan, Scottish, Flemish, and Québécois nationalist movements, suggesting that nationalism in the Basque Country, despite the historical presence of violence, is in many ways similar to nationalism in other industrialized democracies. *Basque Nationalism and the Spanish State* is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements. **Democracy and Violence** John Schwarzmantel, Hendrik Kraetzschmar, 2013-09-13 Illustrated most dramatically by the events of 9/11 and the subsequent war on terror, violence represents a challenge to democratic politics and to the establishment of liberal democratic regimes. Liberal democracies have themselves not hesitated to use violence and restrict civil liberties as a response to such challenges. These issues are at the centre of global politics and figure prominently in political debates today concerning multiculturalism, political exclusion, and the politics of gender. This book takes up these topics with reference to a wide range of case studies covering Latin America, the Middle East, Africa, Asia, and Europe. It provides a theoretical framework clarifying the relationship between democracy and violence and presents original research surveying current hot spots of violent conflict and the ways in which violence affects the prospects for democratic politics and for gender equality. Based on field work carried out by specialists in the areas covered, this volume will be of high interest to students of democratic politics and to all those concerned with ways in which the recourse to violence could be reduced in a global context. This book has significant implications for policy makers involved in attempts to develop safer and more peaceful ways of handling political and social conflict. This book was published as a

special issue of Democratizations The Basque Contention Ludger Mees, 2019-07-19 To the outside world for some half a century the words Basque Country have provoked an almost instant association with the Euskadi Ta Askatasuna ETA Basque Homeland and Liberty separatist group and violent conflict The Basque Contention Ethnicity Politics Violence attempts to undo this simplistic correlation and for the first time provide a definitive history of the wider political issues at the heart of the Basque Country Drawing on three decades of research on Basque nationalism Ludger Mees weaves together the various historical and contemporary strands of this contention from the late medieval kingdoms of Spain and France and the first articulations of a Basque ethno particularism to the dissolution of ETA in 2018 and all manner of dictatorships conflict peace civil war political intrigue hope and failure in between For anyone who has ever wanted to gain an insight into the Basque Country beyond the headlines of ETA and grasp the complexity of its relationship with Spain France and indeed itself this volume provides a detailed yet digestible basis for such an understanding **Contesting Spain? The Dynamics of Nationalist Movements in Catalonia and the Basque Country** Richard Gillespie, Caroline Gray, 2015-06-26 Contesting Spain The Dynamics of Nationalist Movements in Catalonia and the Basque Country offers an exploration of the dynamics behind contemporary shifts in the orientation of nationalist parties and movements with reference to Catalonia and the Basque country in Spain The chapters were originally papers presented at a workshop held at the Barcelona Centre for International Affairs CIDOB in September 2014 as part of a research project on The Dynamics of Nationalist Evolution in Contemporary Spain whose purpose was to gain a better understanding of why regionally based nationalist movements have experienced shifting relationships with the Spanish state over time in some periods appearing content with accommodation between central and regional government and at other times pushing to go beyond autonomist demands to seek sovereignty or even attain full independence The volume is one of the first to focus comparatively on the rise of pro sovereignty politics in mainstream nationalist parties whose evolution has also featured more traditional impulses towards territorial accommodation within the wider state Using the exceptionally rich laboratory provided by Spain the book explores the dynamics behind shifts in the orientation of nationalist parties and movements once they have established themselves as electorally successful at regional level Dimensions to the analysis include the interaction of nationalist parties with central government pressures from their support bases competition between parties within the home region and international influences This title is innovative in bringing together experts with a range of disciplinary approaches primarily political scientists but also historians and scholars located at the cusp between social sciences and humanities Living Beings Penelope Dransart, 2020-06-03 Living Beings examines the vital characteristics of social interactions between living beings including humans other animals and trees Many discussions of such relationships highlight the exceptional qualities of the human members of the category insisting for instance on their religious beliefs or creativity In contrast the international case studies in this volume dissect views based on hierarchical oppositions between human and other living beings Although

human practices may sometimes appear to exist in a realm beyond nature they are nevertheless subject to the pull of natural forces These forces may be brought into prominence through a consideration of the interactions between human beings and other inhabitants of the natural world The interplay in this book between social anthropologists philosophers and artists cuts across species divisions to examine the experiential dimensions of interspecies engagements In ethnographically and or historically contextualized chapters contributors examine the juxtaposition of human and other living beings in the light of themes such as wildlife safaris violence difference mimicry simulation spiritual renewal dress and language *Ending ETA's Armed Campaign* Imanol Murua, 2016-11-10 This book explains how and why the Basque separatist armed group ETA decided to end its armed campaign against the Spanish state The ETA s armed campaign for Basque independence lasted fifty years and led to more than 800 casualties This book analyzes the factors that led to ETA ending its campaign of violence in 2011 despite having yet to achieve its political objectives It explains how the Basque pro independence movement s political leadership won an internal battle and brought ETA to a position in which abandoning violence was the only feasible choice The work argues that the key factor leading to the cessation of violence was the loss of support for armed struggle within the pro independence social base and it examines why and how that support decreased so decisively Written by a former journalist the narrative is based on more than 30 interviews including former members of ETA Spanish judges former ministers of the Spanish government political leaders of all Basque political parties from the Nationalist Left to the Partido Popular PP and international mediators As such it is the first book to recount in detail the inside story of the internal struggle within the Nationalist Left movement and particularly between the political party Batasuna and ETA This book will be of much interest to students of political violence ethnic conflict nationalism Spanish politics security studies and IR

Endgame for ETA Teresa Whitfield, 2014-07-01 The violent Basque separatist group ETA took shape in Franco s Spain yet claimed the majority of its victims under democracy For most Spaniards it became an aberration a criminal and terrorist band whose persistence defied explanation Others mainly Basques but only some Basques understood ETA as the violent expression of a political conflict that remained the unfinished business of Spain s transition to democracy Such differences hindered efforts to defeat ETA s terrorism on the one hand and resolve the Basque conflict on the other for more than three decades *Endgame for ETA* offers a compelling account of the long path to ETA s declaration of a definitive end to its armed activity in October 2011 Its political surrogates remain as part of a resurgence of regional nationalism in the Basque Country as in Catalonia that is but one element of multiple crises confronting Spain The Basque case has been cited as an example of the perils of talking to terrorists Drawing on extensive field research Teresa Whitfield argues that while negotiations did not prosper a form of virtual peacemaking was an essential complement to robust police action and social condemnation Together they helped to bring ETA s violence to an end and return its grievances to the channels of normal politics

Women and ETA Carrie Hamilton, 2013-07-19 Drawing on a unique body of oral history interviews archival material and

published sources this book shows how women's participation in radical Basque nationalism has changed from the founding of ETA in 1959 to the present. It analyses several aspects of women's nationalist activism: collaboration and direct activism in ETA, cultural movements, motherhood, prison, and feminism. By focusing on gender politics, *Women and ETA* offers new perspectives on the history of ETA, including recruitment, the militarization of radical Basque nationalism, and the role of the media in shaping popular understandings of terrorism. These arguments are directly relevant to the study of women in other insurgence and terrorist movements. The book will be of interest to scholars and students of history, Hispanic studies, gender studies, anthropology, and politics, as well as to journalists and readers interested in women's participation in contemporary conflicts and terrorist movements.

Volatile Social Movements and the Origins of Terrorism Christine Sixta Rinehart, 2013

Although many scholars have studied terrorism, few scholars have ever studied terrorism from the aspect of its initial origins in social movements. Not only is research concerning this phenomenon outdated, but there has also been no consensus as to what causes terrorism. Many contemporary terrorist organizations were once social movements that formed for a specific purpose, using nonviolent tactics to accomplish their agenda. Eventually, terrorist tactics became the method of choice for these once peaceful social movements.

Volatile Social Movements and the Origins of Terrorism: The Radicalization of Change by Christine Sixta Rinehart focuses on why this transition occurred: why did a peaceful social movement transition to a terrorist organization? The case studies in this book include the Muslim Brotherhood, the ETA, the FARC, and the LTTE. The study focuses on the individual characteristics, group dynamics, and external forces that caused social movements to use terrorist tactics. It is ascertained who made the decision to use terrorism and why, and how that person or group of people ascended to a leadership position within the social movement. After the person, people, time, and place are found pertaining to the first decision to use terrorism, Sixta Rinehart examines why terrorism became an attractive option for each social movement.

Volatile Social Movements and the Origins of Terrorism asks a necessary question for scholars and researchers in counterterrorism and international policy: Under what conditions do social movements resort to the use of terrorist tactics?

Nationalism Violence And Democracy The Basque Clash Of Identities Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nationalism Violence And Democracy The Basque Clash Of Identities free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nationalism Violence And Democracy The Basque Clash Of Identities free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nationalism Violence And Democracy The Basque Clash Of Identities free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Nationalism Violence And Democracy The Basque Clash Of Identities. In

conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nationalism Violence And Democracy The Basque Clash Of Identities any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nationalism Violence And Democracy The Basque Clash Of Identities Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nationalism Violence And Democracy The Basque Clash Of Identities is one of the best book in our library for free trial. We provide copy of Nationalism Violence And Democracy The Basque Clash Of Identities in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nationalism Violence And Democracy The Basque Clash Of Identities. Where to download Nationalism Violence And Democracy The Basque Clash Of Identities online for free? Are you looking for Nationalism Violence And Democracy The Basque Clash Of Identities PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Nationalism Violence And Democracy The Basque Clash Of Identities. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Nationalism Violence And Democracy The Basque Clash Of Identities are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is

possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Nationalism Violence And Democracy The Basque Clash Of Identities. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Nationalism Violence And Democracy The Basque Clash Of Identities To get started finding Nationalism Violence And Democracy The Basque Clash Of Identities, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Nationalism Violence And Democracy The Basque Clash Of Identities So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Nationalism Violence And Democracy The Basque Clash Of Identities. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Nationalism Violence And Democracy The Basque Clash Of Identities, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Nationalism Violence And Democracy The Basque Clash Of Identities is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Nationalism Violence And Democracy The Basque Clash Of Identities is universally compatible with any devices to read.
