MAKING AND REMAKING A JAPANESE CITY

JENNIFER ROBERTSON

Native And Newcomer Making And Remaking A Japanese City

Joshua Hotaka Roth

Native And Newcomer Making And Remaking A Japanese City:

Native and Newcomer Jennifer Robertson, 1991 This expertly crafted ethnography examines the ways in which native and new citizens of Kodaira a Tokyo suburb have both remade the past and imagined the future of their city in a quest for an authentic Japanese community *Escaping Japan* Blai Guarné, Paul Hansen, 2017-10-12 The idea that Japan is a socially homogenous uniform society has been increasingly challenged in recent years This book takes the resulting view further by highlighting how Japan far from singular or monolithic is socially and culturally complex It engages with particular life situations exploring the extent to which personal experiences and lifestyle choices influence this contemporary multifaceted nation state Adopting a theoretically engaged ethnographic approach and considering a range of escapes both physical and metaphorical this book provides a rich picture of the fusions and fissures that comprise Japan and Japaneseness today

After Writing Culture Andrew Dawson, Jenny Hockey, Allison James, 2003-12-16 With fourteen articles written by well known anthropologists this book addresses the theme of representation in anthropology and explores the directions in which anthropology is moving following the debates of the 1980s Enduring Identities John K. Nelson, 2000-03-01 *Enduring Identities* is an attempt to understand the continuing relevance of Shinto to the cultural identity of contemporary Japanese The enduring significance of this ancient yet innovative religion is evidenced each year by the millions of Japanese who visit its shrines They might come merely seeking a park like setting or to make a request of the shrine s deities asking for a marriage partner a baby or success at school or work or they might come to give thanks for benefits received through the intercession of deities or to legitimate and sacralize civic and political activities Through an investigation of one of Japan s most important and venerated Shinto shrines Kamo Wake Ikazuchi Jinja more commonly Kamigamo Jinja the book addresses what appears through Western and some Asian eyes to be an exotic and incongruous blend of superstition and reason as well as a photogenic juxtaposition of present and past Combining theoretical sophistication with extensive fieldwork and a deep knowledge of Japan John Nelson documents and interprets the ancient Kyoto shrine s yearly cycle of rituals and festivals its sanctified landscapes and the people who make it viable At local and regional levels Kamigamo Shrine s ritual traditions such as the famous Hollyhock Festival and the strategies for their perpetuation and implementation provide points of departure for issues that anthropologists historians and scholars of religion will recognize as central to their disciplines These include the formation of social memory the role of individual agency within institutional politics religious practice and performance the shaping of sacred space and place ethnic versus cultural identity and the politics of historical representation and cultural nationalism Nelson links these themes through a detailed ethnography about a significant place and institution which until now has been largely closed to both Japanese and foreign scholars In contrast to conventional notions of ideology and institutions he shows how a religious tradition s lack of centralized dogma charismatic leaders and sacred texts promotes rather than hinders a broad based public participation with a variety of institutional agendas most of which have very little to

do with belief He concludes that it is this structural flexibility coupled with ample economic human and cultural resources that nurtures a reworking of multiple identities all of which resonate with the past fully engage the present and with care will endure well into the future Planning for Cities and Regions in Japan Philip Shapira,Ian Masser,David W.

Edgington,1994-01-01 This book brings together a series of contributions which examine the processes of contemporary city development and urban planning in Japan A central theme of the book is to consider from a range of perspectives and situations the role policies methods and effectiveness of planning in guiding city development in Japan and in addressing present and emerging urban issues Areas of particular concern include inner city development the urban periphery the institutional and regulatory context of planning and planning for urban and regional economic and technological change In many instances the book draws parallels between Japan s urban experience and planning approach with those of Europe and North America Earlier versions of all but two of the chapters were published in issues of the Town Planning Review but not only does the book have the value of bringing these contributions together in one volume but it has also allowed the authors to revise and update their work and incorporate new developments The editors have contributed a substantial reflective introductory chapter and have also included a chronology of Japanese planning legislation and an annotated guide to selected English language literature on Japanese urban and regional planning While the main aim of the book is to provide a detailed interpretation of current urban planning issues and policies in Japan the chapters also provide a foundation for understanding how Japanese city planning may evolve in the future **Urban Forests, Trees, and Greenspace** L. Anders

Sandberg,Adrina Bardekjian,Sadia Butt,2014-07-25 Urban forests trees and greenspace are critical in contemporary planning and development of the city Their study is not only a question of the growth and conservation of green spaces but also has social cultural and psychological dimensions This book brings a perspective of political ecology to the complexities of urban trees and forests through three themes human agency in urban forests and greenspace arboreal and greenspace agency in the urban landscape and actions and interventions in the urban forest Contributors include leading authorities from North America and Europe from a range of disciplines including forestry ecology geography landscape design municipal planning environmental policy and environmental history Pilgrimage in the Marketplace Ian Reader,2013-09-11 The study of

pilgrimage often centres itself around miracles and spontaneous populist activities While some of these activities and stories may play an important role in the emergence of potential pilgrimage sites and in helping create wider interest in them this book demonstrates that the dynamics of the marketplace including marketing and promotional activities by priests and secular interest groups create the very consumerist markets through which pilgrimages become established and successful and through which the sacred as a category can be sustained By drawing on examples from several contexts including Japan India China Vietnam Europe and the Muslim world author Ian Reader evaluates how pilgrimages may be invented shaped and promoted by various interest groups In so doing he draws attention to the competitive nature of the pilgrimage market

revealing that there are rivalries borrowed ideas and alliances with commercial and civil agencies to promote pilgrimages The importance of consumerism is demonstrated both in terms of consumer goods souvenirs and pilgrimage site selection rather than the usual depictions of consumerism as tawdry disjunctions on the sacred As such this book reorients studies of pilgrimage by highlighting not just the pilgrims who so often dominate the literature but also the various other interest groups and agencies without whom pilgrimage as a phenomenon would not exist The SAGE Handbook of Modern Japanese Studies James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University **Brokered Homeland** Joshua Hotaka Roth, 2002 Faced with an aging workforce Japanese firms are hiring foreign workers in ever increasing numbers In 1990 Japan's government began encouraging the migration of Nikkeijin overseas Japanese who are presumed to assimilate more easily than are foreign nationals without a Japanese connection More than 250 000 Nikkeijin mainly from Brazil now work in Japan The interactions between Nikkeijin and natives says Joshua Hotaka Roth play a significant role in the emergence of an increasingly multicultural Japan He uses the experiences of Japanese Brazilians in Japan to illuminate the racial cultural linguistic and other criteria groups use to distinguish themselves from one another Roth's analysis is enriched by on site observations at festivals in factories and in community centers as well as by interviews with workers managers employment brokers and government officials Considered both essentially Japanese and foreign nikkeijin benefit from preferential immigration policy yet face economic and political strictures that marginalize them socially and deny them membership in local communities Although the literature on immigration tends to blame native blue collar workers for tense relations with migrants Roth makes a compelling case for a more complex definition of the relationships among class nativism and foreign labor Brokered Homeland is enlivened by Roth's own experience in Japan he came to think of himself as nikkeijin rather than as Japanese American **Historical Dictionary of Tokyo** Roman Cybriwsky, 2011-02-18 Tokyo is Japan's largest city and its capital It is also one of the largest cities in the world and a major center of global economic influence The origins of human settlement in what is today Tokyo are lost in prehistory The city started out quite modestly as a small castle town of Edo in 1457 then the center of the Tokugawa shogunate from 1603 1868 the rapidly modernizing and

Westernizing capital of the nation during the Meiji Period 1868 1912 and the capital of a prosperous nation and growing empire thereafter Tokyo was utterly devastated during World War II but this was not the first time Tokyo had to start seemingly from new Due to many fires and earthquakes the city has constantly rebuilt itself and today it outdoes all its previous emanations by far The second edition of the Historical Dictionary of Tokyo is a much needed reference source on the city This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on people places events and other terminology about the city of Tokyo This book is a must for anyone interested in Japan and Tokyo

Native And Newcomer Making And Remaking A Japanese City Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Native And Newcomer Making And Remaking A Japanese City free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Native And Newcomer Making And Remaking A Japanese City free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type.

By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Native And Newcomer Making And Remaking A Japanese City free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Native And Newcomer Making And Remaking A Japanese City. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Native And Newcomer Making And Remaking A Japanese City any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Native And Newcomer Making And Remaking A Japanese City Books

What is a Native And Newcomer Making And Remaking A Japanese City PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Native And Newcomer Making And Remaking A Japanese City PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Native And Newcomer Making And Remaking A Japanese City PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Native And Newcomer Making And Remaking A Japanese City PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Native And Newcomer Making And Remaking A Japanese City PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting,

Native And Newcomer Making And Remaking A Japanese City

merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
