Shoshana Felman

Premises Essays On Philosophy And Literature From Kant To Celan:

Premises Werner Hamacher, 1999 Poetry does not impose it exposes itself wrote Paul Celan Werner Hamacher's investigations into crucial texts of philosophical and literary modernity show that Celan's apothegm is also valid for the structure of understanding and for language in general In *Premises* Hamacher demonstrates that the promise of a subject position is not only unavoidable and thus operates as a structural imperative but is also unattainable and therefore by necessity open to possibilities other than that defined as position to redefinitions and unexpected transformations of the merely thetical act Proceeding along the lines of both philosophical argument and critical reading Hamacher presents the fullest account of the vast disruption in the theories and ethics of positional and propositional acts a disruption first exposed by Kant's analysis of the minimal requirements for linguistic and practical action Focusing on the double trait of every premise that it is promised but never attained Hamacher analyzes nine decisive themes topics and texts of modernity the hermeneutic circle in Schleiermacher and Heidegger the structure of ethical commands in Kant Nietzsche's genealogy of moral terms and his exploration of the aporias of singularity the irony of reading in de Man the parabasis of positing acts in Fichte and Schlegel Kleist's disruption of narrative representation the gesture of naming in Benjamin and Kafka and the incisive caesura that Paul Celan inserts into temporal and linguistic reversals There is no book that so fully brings the issues of both critical philosophy and critical literature into reach Reviews Werner Hamacher's *Premises* is the heir and successor to the most important theoretical and critical work done in American departments of comparative literature from the 1960s through the 1980s Yet *Premises* is no more a work of literary scholarship than one of philosophical submission to philosophy With the gesture that is genuinely called post structural which is the suspicion and suspension of every code the book's act of freedom is freedom to read and write language tout court Timothy Bahti University of Michigan Hamacher's project can be described as the retracing of the epistemological ground upon which the modern conception of the literary was erected It is quite clear to me that there is nothing presently available to rival this book Wlad Godzich University of Geneva

On the Brink Werner Hamacher, 2020-08-27 This collection of essays by one of the foremost figures in contemporary theory takes as its theme the edge or limit between language time history and politics These are essays that are all on the brink the very extreme at which one can no longer define where one is located neither on the cliff say nor over the edge To be on the brink is to take up that extreme limit the point of contamination or indetermination where language time history and politics all converge upon one another *On the Brink* begins with a consideration of Kant's treatment of time as representation and of Hegel's treatment of the writing of history and the end of art all while taking up other key figures in the history of philosophy The book then moves to an exploration of language in a variety of manifestations from translation to complaint and greeting It concludes by analyzing political and social questions that continue to haunt us today the conception of work not least in National Socialism and our relationship to democracy Taken together Werner Hamacher's essays offer trenchant historical

political and rhetorical interventions into the history of philosophy literature and our contemporary political situation

Constellation James McFarland, 2012-12-31 The first extended exploration of the relationship between the Weimar era revolutionary cultural critic and the radical philosopher In five chapters *Constellation* presents the changing figure of Friedrich Nietzsche as Walter Benjamin encountered him an inspiration to his student activism an authority for his skeptical philology a manifestation of his philosophical nihilism a companion in his political exile and ultimately a subversive collaborator in his efforts to think beyond the hopeless temporality new and always the same of the present moment in history

Philosophy and Kafka Brendan Moran, Carlo Salzani, 2013-04-19 The relationship of philosophy with Kafka's oeuvre is complex It has been argued that Kafka's novels and stories defy philosophic extrapolation conversely it has also been suggested that precisely the tendency of Kafka's writings to elude discursive solution is itself a philosophical tendency one that is somehow contributing to a wiser relationship of human beings with language These matters are the focus of the proposed volume on *Philosophy and Kafka* The proposed collection brings together essays that interrogate the relationship of philosophy and Kafka and offer new and original interpretations The volume obviously cannot claim completeness but it partially does justice to the multiplicity of philosophical issues and philosophical interpretations at stake This variety informs the composition of the volume itself A number of essays focus on specific philosophical commentaries on Kafka's work from Adorno's to Agamben's from Arendt's to Benjamin's from Deleuze and Guattari's to Derrida's A number of essays consider the possible relevance of certain philosophical outlooks for examining Kafka's writings here Kafka's name goes alongside those of Socrates Kant Kierkegaard Nietzsche Wittgenstein Buber Heidegger Blanchot and Levinas Finally a number of essays consider Kafka's writings in terms of a specific philosophical theme such as communication and subjectivity language and meaning knowledge and truth the human animal divide justice and freedom In all contributions to the volume such themes motifs and interpretations arise To varying degrees all essays are concerned with the relationship of literature and philosophy and thus with the philosophical significance of Kafka's writings

George Eliot's Pulse Neil Hertz, 2003 Ranging over all George Eliot's fiction and drawing as well on her letters essays and translations in this book the distinguished critic Neil Hertz documents Eliot's lifelong questioning of the nature of authorship and of what it might mean in the language of one of her early letters for her not simply to be but to utter Pursuing oddities of diction and figuration of plotting and characterization Hertz finds everywhere in Eliot's works passages of high mimetic realism that ask to be read as allegories of writing or as characters whose actions and destinies can only be understood if they are seen as disguised surrogates of their author Each essay begins with an intriguing or problematic bit of language then moves about within a particular work of fiction or criss cross to other writings of Eliot's as well as to works by philosophers psychoanalysts and literary theorists

Technics and Time, 2 Bernard Stiegler, 1998 *Technics and Time 2* Disorientation continues Stiegler's interrogation of prosthetic and ortho thetic memory in light of the crisis that arises when speed and delay are irreconcilable

the crisis of human being itself **The Scandal of the Speaking Body** Shoshana Felman, 2003 Imagining an encounter between Moliere's Don Juan and Austin this bold yet subtle meditation contemplates the seductive promises of speech and of love in a telling exchange among philosophy linguistics literature and Lacanian theory Ashes Taken for Fire Kevin Bell, 2007 *Jean-Luc Nancy among the Philosophers* Irving Goh, 2023-02-21 This volume focuses on the relational aspect of Jean Luc Nancy's thinking As Nancy himself showed thinking might be a solitary activity but it is never singular in its dimension Building on or breaking away from other thoughts especially those by thinkers who had come before thinking is always plural relational This singular plural dimension of thought in Nancy's philosophical writings demands explication In this book some of today's leading scholars in the theoretical humanities shed light on how Nancy's thought both shares with and departs from Descartes Hegel Marx Heidegger Weil Lacan Merleau Ponty and Lyotard elucidating the sharing of voices in Nancy's phrase between Nancy and these thinkers Contributors Georges Van Den Abbeele Emily Apter Rodolphe Gasch Werner Hamacher Eleanor Kaufman Marie Eve Morin Timothy Murray Jean Luc Nancy and John H Smith **Performatives After Deconstruction** Mauro Senatore, 2013-05-09 What has happened since de Man and Derrida first read Austin How has the encounter between deconstruction and the performative affected each of these terms In addressing these questions this book brings together scholars whose works have been provoked in different ways by the encounter of deconstruction and the performative Following Derrida's appeal to any rigorous deconstruction to reckon with Austin's theorems and his ever growing commitment to rethink and rewrite the performative and its multiple articulations it is now urgent that we reflect upon the effects of a theoretical event that has profoundly marked the contemporary scene The contributors to this book suggest various ways of re-reading the heritage and future of both deconstruction and the performative after their encounter bringing into focus both the constitutive aporia of the performative and the role it plays within the deconstruction of the metaphysical tradition

Premises Essays On Philosophy And Literature From Kant To Celan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Premises Essays On Philosophy And Literature From Kant To Celan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Premises Essays On Philosophy And Literature From Kant To Celan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Premises Essays On Philosophy And Literature From Kant To Celan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
