Christian Galan, Harald Salomon

Premodern Japan A Historical Survey:

Premodern Japan Mikiso Hane,1991 This newly revised volume drawn from Professor Hane s classic text presents a rich account of early Japanese history for students Hane traces the key developments of early Japanese history including

Premodern Japan Mikiso Hane,1990-11-29 This newly revised volume drawn from Professor Hane s classic text Japan A Historical Survey presents a rich account of early Japanese history for students Important elements of early Japanese history persist in present day Japan more tenaciously than is sometimes realized Hane traces the key developments of Japanese history in the premodern period including the establishment of the imperial dynasty early influences from China and Korea the rise of the samurai class and the establishment of feudalism the culture and society of the long Tokugawa period the rise of Confucianism and Shinto nationalism and finally the end of Tokugawa rule Although the book is structured around major political developments Hane also carefully integrates the social economic cultural and intellectual aspects of Japanese history His revisions incorporate important recent scholarship on this formative period of Japan s history

Premodern Japan Mikiso Hane,Louis G. Perez,2014-12-02 Japanese historian Louis Perez brings Mikiso Hane s rich and beloved account of early Japanese history up to date in this thoroughly revised Second Edition of Premodern Japan The text traces the key developments of Japanese history in the premodern period including the establishment of the imperial dynasty early influences from China and Korea the rise of the samurai class and the establishment of feudalism the culture and society of the long Tokugawa period the rise of Confucianism and Shinto nationalism and finally the end of Tokugawa rule While the text provides many political developments through the early modern period it also integrates the social cultural and intellectual aspects of Japanese history as well Perez s updates to the text provide a comprehensive overview of the major social political and religious trends in premodern Japan as well as offering the most current scholarship

Premodern Japan Mikiso Hane,2013 **PREMODERN JAPAN** MIKISO. HANE,2019-06-14 **Routledge Handbook of Premodern**

Japanese History Karl F. Friday,2017-07-14 Scholarship on premodern Japan has grown spectacularly over the past four decades in both sophistication and volume The new scholarship sees a higher reliance on primary documents a shift away from the history of elites to broader exploration of social structures and a reexamination of many of the key tenets which were once the received wisdom Providing a primarily historiographical review this handbook highlights the recent innovations and major themes that have developed in the study of premodern Japanese history Covering Japanese history to 1600 The Routledge Handbook of Japanese History is an essential reference work for any student and researcher on Japanese Asian and World History

Globalizing the Prehistory of Japan Ann Kumar,2008-11-24 This iconoclastic work on the prehistory of Japan and of South East Asia challenges entrenched views on the origins of Japanese society and identity The social changes that took place in Japan in the time period when the Jomon culture was replaced by the Yayoi culture were of exceptional magnitude going far beyond those of the so called Neolithic Revolution in other parts of the world They

included not only a new way of life based on wet rice agriculture but also the introduction of metalworking in both bronze and iron and furthermore a new architecture functionally and ritually linked to rice cultivation a new religion and a hierarchical society characterized by a belief in the divinity of the ruler Because of its immense and enduring impact the Yayoi period has generally been seen as the very foundation of Japanese civilization and identity In contrast to the common assumption that all the Yayoi innovations came from China and Korea this work combines exciting new scientific evidence from such different fields as rice genetics DNA and historical linguistics to show that the major elements of Yayoi civilization actually came not from the north but from the south

Histories of Children and Childhood in Meiji Japan Christian Galan, Harald Salomon, 2024-02-29 This book bridges the gap between historical research on Japan and the field of childhood history by writing children and childhood into the general historical record of the Meiji period To explore the widely varying circumstances of childhood during the Japanese transition to modernity the volume presents survey studies and snapshots of historical moments by authors from Europe Japan and North America These histories of children and childhood address various thematic aspects from birth and child rearing to the representation of childhood in literary works and these are approached from differing angles in terms of theoretical perspectives and methodology The contributions display a particular awareness for the problem of sources in writing the history of childhood and youth In doing so they provide precious insights into children's living circumstances and notions of childhood also beyond the urban centres of evolving modern Japan Exploring a wealth of sources including autobiographies educational essays government documents children's literature youth journals and medical manuals this will be a valuable resource to students and scholars of Japanese history children's studies the history of education and social policy more broadly

The History of Japan Louis G. Perez, 2009-04-30 This history based on the most recent scholarship provides a chronological narrative examining the political cultural philosophical and religious continuities in Japan's long rich history in an exploration of why the Japanese are who they are today

Handbook to Life in Medieval and Early Modern Japan William E. Deal, 2007 This book is an introduction the Japanese history culture and society from 1185 the beginning of the Kamakura period through the end of the Edo period in 1868

The Enthralling Realm of E-book Books: A Detailed Guide Revealing the Pros of Kindle Books: A Realm of Ease and Versatility
