Prepare Your Church For The Future:

Prepare Your Church for the Future Carl F. George, 1991-07-01 By analyzing the present day church and examining societal trends Carl George presents a model that can mobilize your church for outreach Becoming a Future-Ready Church Daniel Yang, Adelle M. Banks, Warren Bird, 2024-10-22 Are Church Leaders Missing the Generational Handoff There's Still Hope Are we building institutions that will meaningfully serve the next generation of believers and their leaders How does a church thrive in a culture where we have to earn credibility How do we create a sense of belonging to the body of Christ and a strong sense of identity for the next generation Becoming a Future Ready Church is a blueprint to guide you through eight critical shifts to help lead your church into the future with wisdom and hope It describes several major converging trends that will greatly impact the church in America over the next few decades the Great Resignation of Boomer leaders from churches the shrinking percentage of Christians in America and the change in felt needs among rising generations shaped heavily by anxiety skepticism and fragmentation Missiologist and pastor Daniel Yang religion journalist Adelle Banks and church researcher Warren Bird have come together in Becoming a Future Ready Church to help church leaders evaluate whether their ministries are entrenched in strategies that worked well in the past but need to be adapted for the future By helping us ask better questions about the issues and needs facing the church they reveal practical ways in which the next generation of church leaders can gain a sturdier foothold as they navigate into the future **The Book of Church Growth** Thom S. Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't The Message of the Church Don Carson, 2013-04-23 The Bible begins and ends with God dwelling with his people from Adam and Eve in the garden of Eden to the great multitude in the New Jerusalem in the book of Revelation At each step God gathered his people together to speak to them hear from them and change them to be more like him God assembling his people whom he loves is what the Bible calls church The church should aspire to be a group of vibrant loving risk everything people who are passionately committed to living out the values of God's Word and looking forward to the new creation Churches and their pastors and leaders need to hear what the Bible says about who they are and what they are to do Chris Green takes the message of the church to mean first that the church has a message which is that God has saved his people through Christ second that the church is the created and saved result of that message and third that the church is a message which is that he has saved broken people like us and by belonging to his people we are trying to respond to him in the ways he requires His stimulating and insightful exposition begins with a survey of the church from eternity to Eden to exodus to exile to eternity and then focuses on various dimensions of the church's life and ministry including its worship unity maturity servants gifts holiness boundaries and future Church Planting Made Easy Samuel Ukomadu, PhD, 2014-03 Church planting is the heartbeat of God Church is a place

where every worshipper looks up to every worship moment to exercise their faith in terms of prayer and worship Peter Paul and James were church planters The need to plant churches cannot be over emphasized Many souls have turned to Christ because someone preached to them I have planted churches and preaching is what I do I am the lead pastor in Firebrand Assembly of God in Sugar Land Texas a church I planted in 2007 A Bible school has been established in the church and by God s grace it is a privilege to be a teacher in the theological seminary We established a study center for Global University and ministers of God are being trained in the study center Biblical Counseling and the Church Bob Kellemen,2015-11-03 As people face addictions deal with loss and grief and seek help in restoring broken relationships where can they turn for counsel and assistance The local church has been uniquely blessed with the gift of the gospel and is able to offer hope and counsel that no other institution on earth can In Biblical Counseling and the Church Bob Kellemen and Kevin Carson have assembled over twenty respected ministry leaders who examine the relationship between counseling and the church This comprehensive resource part of the Biblical Counseling Coalition series helps leaders and counselors develop a vision that goes beyond being a church with a biblical counseling ministry to becoming a church of biblical counseling a church culture that is saturated by one another ministry Divided into five parts Biblical Counseling and the Church will help church leaders Unite the pulpit ministry of preaching the Word with the personal ministry of the Word in counseling Offer practical and theological training to equip counselors Launch and lead a counseling ministry regardless of the size of your church Bring together the relational focus of small group ministry with the ministry of care and counseling Better understand the relationship between biblical counseling church discipline and conflict resolution Learn how to use counseling in outreach through missional biblical counseling moving biblical counseling beyond the doors of the church and into the world **The Essence of the Church** Craig Van Gelder,2000-05-01 This fresh perspective on the church explores its essential nature as a community of people governed by the Word and led and taught by the Spirit **Revolutionary Churches in Revolutionary Seasons:** Dagmawi M. Wube,2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This

has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government

Planting Growing Churches for the 21st Century Aubrey Malphurs, 2004-10-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States Planting Growing Churches for the 21st Century is still virtually the only available text on church planting in North America and beyond In this third edition readers will find material on the importance of healthy biblical change in our churches updated appendixes insight on our postmodern ministry context and strategies for reaching new population demographics such as Generations X and Y Pastors ministry leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries
