

Preparing for the AP Biology Exam

Great job! You made it! Now it is time to develop a study plan to review the major topics covered in the course. Establish how many days you have available before the test; then, match the major topics you learned in the course with the time available. Choose the time to spend on each topic based on two criteria: percentage of the topic covered on the AP Exam, and your level of comfort with the topic at hand. This unit will help you prepare for your final exam for this course as well as the AP Biology exam in May.

Essential Questions
