Preparing For Baptism A Personal Diary:

Baptism in Times of Change Harald Hegstad, Steinunn Arnþrúður Björnsdóttir, Magnus Evertsson, Jonas Adelin Jorgensen, Jyri Komulainen, 2025-04-10 What happened to baptism in Nordic countries Traditionally most newborns were baptized into the Lutheran majority churches The rapid decline of this practice in recent decades has sparked reflection on the church's role in society and on the cultural and theological meaning of baptism in a secularized society The decline of infant baptism has made way for new practices and ecclesial strategies This book analyzes these developments from historical social scientific and theological perspectives comparing material from the five Nordic Lutheran folk churches The essays gathered here provide an extensive overview of research and resources connected to baptism in the Nordic folk churches over the last two decades but they also contribute constructive theological reflection on baptism's wider implications This anthology emerged from the larger joint Nordic project Baptism in Times of Change conducted between 2020 and 2022 The project was part of the joint Nordic initiative Churches in Times of Change focusing on changes in ecclesial practice and theology in the Nordic region

Melanesians and Missionaries Darrell L. Whiteman, 2002-05-10 In *Melanesians and Missionaries* one of the best of the younger generation of missionary anthropologists demonstrates that a commitment to the missionary enterprise on the part of a solid scholar facilitates rather than hinders the anthropological study of a missionary topic This is better anthropology because Dr Whiteman is able to probe more deeply into his topic and demonstrates that he understands and appreciates both Melanesians and missionaries Charles H Kraft Professor of Anthropology School of World Mission Fuller Theological Seminary Pasadena

The ^AOxford Guide to ^IThe Book of Common Prayer^R Charles Hefling, Cynthia Shattuck, 2006-07-01 The Book of Common Prayer runs like a golden thread through the history of the Church of England and the worldwide Anglican Communion The Oxford Guide to the Book of Common Prayer is the first comprehensive guide to the history and usage of the original Book of Common Prayer and its numerous descendants throughout the world It shows how a seminal text for Christian worship and devotion has inspired a varied family of religious resources that have had an influence far beyond their use in the churches of a single tradition
