Presence of Grace Vivian Horne, 2003-09-29 Brian Murphys future is full of purpose and rich promise He and his fiancée Deanna become engaged after his graduation When Deanna contracts leukemia and dies suddenly those purposes and promises die too A devastated Brian drops out of law school and enters a Catholic retreat Soon after he decides to become a priest This new life takes him on a roller coaster that even he can't easily get off of This new life involved Grace the social worker and two little orphaned boys Grace ignited a fire in his belly that engulfed into a real presence of Grace **Promise and Presence** John E. Colwell, 2011-09-22 John Colwell presents a robust sacramental theology for Protestant churches He maintains that a doctrine of the Trinity leads us to conceive of God's gracious engagement with his creation as one that is mediated through that creation And this lies at the foundation for an understanding of the sacraments Colwell further argues that the Church and Scripture confer context definition and validity on all other sacramental events The final section reconsiders the seven Sacraments of the Catholic tradition in the light of the understanding of sacramentality developed earlier in the book baptism confirmation the Lord's Supper cleansing healing ministry and marriage Colwell discusses the Sacraments from an evangelical perspective but with a committed ecumenical intent Mystical Love in the German Baroque Isabella van Elferen, 2009 Mystical Love in the German Baroque Theology Poetry Music identifies the cultural and devotional conventions underlying expressions of mystical love in poetry and music of the German baroque It sheds new light on the seemingly erotic overtones in settings of the Song of Songs and dialogues between Christ and the faithful soul in late 17th and early 18th century cantatas by Heinrich Schütz Dieterich Buxtehude and Johann Sebastian Bach While these compositions have been interpreted solely as a secularizing tendency within devotional music of the baroque period Isabella van Elferen demonstrates that they need to be viewed instead as intensifications of the sacred Based on a wide selection of previously unedited or translated 17th and 18th century sources van Elferen describes the history and development of baroque poetic and musical love discourses from Schütz's early works through Buxtehude's cantatas and Bach's cantatas and Passions This long and multilayered discursive history of these compositions considers the love poetry of Petrarch European reception of petrarchan imagery and traditions its effect on the madrigal in Germany and the role of Catholic medieval mystics in baroque Lutheranism Van Elferen shows that Bach's compositional technique based on the emotional characteristics of text and music rather than on the depiction of single words allows the musical expression of mystical love to correspond closely to contemporary literary and theological conceptions of this affect **Expressive Love Of God: Book 3** Dr. Thomas L. Driver, Ph.D., DMIN, 2025-10-09 The Expressive Love of God book series delves deeply into the profound and multifaceted nature of God's love as it is intricately revealed throughout Scripture This series also vividly demonstrates how God's love is powerfully manifested through the life sacrificial death and miraculous resurrection of Jesus Christ highlighting its enduring and transformative power for believers This idea emphasizes that God's love is not just a distant or abstract
