Present Tense Living On The Edge:

Margaret Atwood Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2014-05-14 Presents a collection of critical essays about the works of Margaret Atwood **The Lighthouse at the Edge of the World** J.R. Dawson, 2025-07-29 The Lighthouse at the Edge of the World is a powerful and poignant contemporary Queer fantasy perfect for fans of Hadestown and Under the Whispering Door At the edge of Chicago nestled on the shores of Lake Michigan there is a waystation for the dead Every night the newly departed travel through the city to the Station guided by its lighthouse There they reckon with their lives before stepping aboard a boat to go beyond Nera has spent decades watching her father the ferryman of the dead sail across the lake each night just like the last But tonight something is wrong The Station's lighthouse has started to flicker out The terrifying ghostly Haunts have multiplied in the city And now a person a living person has found her way onto the boat Her name is Charlie She followed a song And she is searching for someone she lost Gorgeous lyrical heartfelt and true in all the ways that matter This is an achingly beautiful book that is as much about life as it is about death Sarah Beth Durst New York Times bestselling author of The Spellshop At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Present Tense**, 1989 **A Journey to the Cross** David L. Packer, 2016-02-04 For serious followers of Jesus Christ Lent is an opportunity to confront our own selfish tendencies and to humble ourselves before God Since the seventh century Christians have discovered real spiritual benefit as they have observed a season of spiritual emphasis before Easter a forty day fast over six weeks from Ash Wednesday to Easter This book is a devotional guide based on the Sermon on the Mount to help believers examine themselves and to deepen in their love and commitment for Christ Despite persecution in many places on the globe Christians today have a greater share of this world's wealth than previous generations Wise believers have always been more concerned about the pollution of the church by the world from within than the threats against the church from without Materialism pride and self centeredness are issues that every generation of Christ followers must address this is where the real spiritual battle takes place This devotional guide is personal and introspective guiding the believer to examine himself against the biblical standard and to refocus his life on Christ It is a celebration of the Savior's constant love and mercy that forgives our sins cleanses us within lifts us up and draws us to His face and His heart **American Lonesome** Gavin Cologne-Brookes, 2018-11-14 American Lonesome The Work of Bruce Springsteen begins with a visit to the Jersey Shore and ends with a meditation on the international legacy of Springsteen's writing music and performances Gavin Cologne-Brookes's innovative study of this popular musician and his position in American culture blends scholarship with personal reflection providing both an academic examination of Springsteen's work and a moving account of how it offers a way out of emotional solitude and the potential lonesomeness of modern life Cologne-Brookes proposes that the American philosophical tradition of pragmatism which assesses the value of ideas and arguments based on their practical applications provides a lens for understanding the diversity of perspectives and

emotions encountered in Springsteen's songs and performances Drawing on pragmatist philosophy from William James to Richard Rorty Cologne Brookes examines Springsteen's formative environment and outsider psychology arguing that the artist's confessed tendency toward a self-reliant isolation creates a tension in his work between lonesomeness and community He considers Springsteen's portrayals of solitude in relation to classic and contemporary American writers from Frederick Douglass Nathaniel Hawthorne and Emily Dickinson to Richard Wright Flannery O'Connor and Joyce Carol Oates As part of this critique he discusses the difference between escapist and pragmatic romanticism the notion of multiple selves as played out both in Springsteen's work and in our perception of him and the impact of performances both recorded and live By drawing on his own experiences seeing Springsteen perform including on tours showcasing the album *The River* in 1981 and 2016 Cologne Brookes creates a book about the intimate relationship between art and everyday life Blending research cultural knowledge and creative thinking *American Lonesome* dissolves any imagined barriers between the study of a songwriter literary criticism and personal testimony

The Russian Jewish Diaspora and European Culture, 1917-1937 Jörg Schulte, Olga Tabachnikova, Peter Wagstaff, 2012-04-03 This book traces the impact on Jewish culture in Western Europe of the migration of Russian Jews following the 1917 Revolution as they enabled the creation of a single sphere of Jewish culture common to all parts of the European diaspora

Bursting The Bubble - The Story of Being 'Lost Without Her': A journey of growing through tragedy & loss Mark Oborn, 2020-08-01 This book is for you if you have lost a significant other This book is for you if you find yourself on a journey through grief or are supporting someone else through their journey The book charts my first year of being a widower its chapters are a series of blog posts I wrote immediately after my beautiful wife Claire died This book is ordered chronologically by days then weeks then months this allows you to dip into any time after your event which feels relevant to you and see what I was saying and thinking at that same time Each blog post I wrote and therefore each chapter in this book is tagged the website is searchable by each of those tags and I've used the same tags here for each chapter The tags represent feelings emotions and events If you go to the index at the back of the book you can find those tags or themes and discover which of the chapters blog posts will be most relevant to how you are feeling right now As with the blog I feel like I'm with you on your journey as you read this book Just know you are not alone

At the Edge of Existence Brandon West, 2021-12-13 Few scary stories begin with a disclaimer that they are fictional Instead they claim to be true even when they are not Such stories blur the line between fiction and reality pushing audiences to consider where fiction ends and reality begins These kinds of horror stories comprise the understudied subgenre of liminal horror As the first book on this subject this volume surveys a variety of liminal horror films It discusses the different variations within liminal horror's subgenres and considers why horror films are obsessed with the natures of and borders between fiction and reality After first laying out the basic traits of the horror genre in the context of liminality this book then dives into film more specifically and how the medium is uniquely situated to explore the movement

between the fictional and the real Through lenses such as dreaming memory and perception the following chapters explore the role liminal horror plays in the the human psyche s subconscious unconscious and the various functions of the human mind in perceiving or misperceiving reality
