This is the ground-breaking BookPage story of how a housewife became an artist and how generations of empowered fans are her legacy today more than ever. Judy Blume Jen Jones Donatelli, 2007-01-01. A biography of author Judy Blume. Provided by publisher. **Judy Blume** Elisa Ludwig, Dennis Abrams, Elisa Ludwig and Dennis Abrams, Kyle Zimmer, 2014-05-14. Judy Blume is one of America's most popular authors of books for teens and adults. Fans of her work may not be aware, however, that this successful author was a wife and a mother before she tested her writing abilities. Blume's perseverance eventually landed this keenly observant author a publishing contract. Readers have laughed at the adventures of Peter Hatcher and his brother Fudge in Blume's *Tales of a Fourth Grade Nothing* and preteen readers found the trials and tribulations of puberty eased by reading *Are You There God? It's Me, Margaret* or *Then Again, Maybe I Won't*. Blume's characters convey how it truly feels to be a teenager facing doubts, fears, and anxiety about life. This new edition brings readers up to date on this active author. **Who Is Judy Blume?**

Kirsten Anderson, Who HQ, 2018-10-02. Learn how Judy Blume went from a stay-at-home mother to one of the most beloved American authors of the twentieth century. Readers adore Judy Blume for her personal stories about the journey from childhood to adolescence. She has always been an imaginative person and an avid reader. As a child, Judy spent time looking through library shelves for the perfect books, and if she couldn't find the right ones, she entertained herself by making up stories in her head. When she got older, Judy started writing her stories down. Although readers fell in love with characters like Margaret Simon and Fudge Hatcher, some parents challenged some of her titles, including *Are You There God? It's Me, Margaret*, for discussing sensitive issues. Despite all the controversy, this award-winning author and her books have remained popular among fans both old and new. *Women Who Broke the Rules: Judy Blume* Kathleen Krull, 2015-06-09. A new biography series complete with full-color illustrations that celebrates amazing women from acclaimed author Kathleen Krull.

Thematic Guide to Young Adult Literature Alice L. Truie, 2006-05-30. Contemporary young adult literature is a relatively new genre. This guide provides an overview of the burgeoning field, focusing primarily on fiction. Each of the 32 chapters is devoted to a theme of special significance to young adults and provides brief critical discussions of several related literary works. Chapters close with lists of fiction for further reading. An appendix groups works according to additional themes, and a selected bibliography cites relevant critical studies. **Contemporary American Women Fiction Writers**

Laurie Champion, Rhonda Austin, 2002-11-30. American women writers have long been creating an extraordinarily diverse and vital body of fiction, particularly in the decades since World War II. Recent authors have benefited from the struggles of their predecessors who broke through barriers that denied women opportunities for self-expression. This reference highlights American women writers who continue to build upon the formerly male-dominated canon. Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II. Each entry is written by an expert contributor and includes a DBLA brief biography. DBLA
