**George C. Edwards, III, Stephen J.
Wayne**

Presidential Leadership Politics And Policy Making:

Presidential Leadership George C. Edwards III, Kenneth R. Mayer, Stephen J. Wayne, 2024-01-24 This classic text on the American presidency analyzes the institution and the presidents who hold the office through the key lens of leadership. Edwards, Mayer, and Wayne explain the leadership dilemma presidents face and their institutional, political, and personal capacities to meet it. Two models of presidential leadership help us understand the institution: one in which a strong president dominates the political environment as a director of change, and another in which the president performs a more limited role as a facilitator of change. Each model provides an insightful perspective to better understand leadership in the modern presidency and to evaluate the performance of individual presidents. With no simple formula for presidential success and no partisan perspective driving the analysis, the authors help us understand that presidents and citizens alike must understand the nature of presidential leadership in a pluralistic system in which separate institutions share powers. This fully revised thirteenth edition is fully updated through the Biden administration with recent policy developments, the 2022 midterm elections, changes to the media environment, and the latest data. *Presidential Leadership: Politics and Policy Making* George C. Edwards, III, Stephen J. Wayne, 2013-07-05 Written by two renowned presidential scholars, this comprehensive best-selling text examines all aspects of the presidency in rich detail. With a special emphasis on policy, the new edition surveys the most up-to-date scholarship on the topic and includes an examination of the midterm presidential election. Taking a theoretical approach, the authors use engaging analysis and timely, fascinating examples to view the presidency from two theoretical standpoints: the president as facilitator and the president as director of change. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. **Presidential Leadership Politi** George C. Edwards, III, Kenneth R. Mayer, Stephen J. Wayne, 2020-01-03 With a focus on presidential leadership, Edwards, Mayer, and Wayne address the capacity of chief executives to fulfill their tasks, exercise their powers, and utilize their organizational structures to affect the output of government. Richly illustrated with timely, fascinating examples, this text examines all aspects of the presidency. **Presidential Leadership** George C. Edwards, Kenneth R. Mayer, Stephen J. Wayne, 2022-04-06 With a focus on presidential leadership, the authors address the capacity of chief executives to fulfill their tasks, exercise their powers, and utilize their organizational structures to affect the output of government. This text examines all aspects of the presidency up to and including the administration of President Joe Biden. *The Presidency and Rhetorical Leadership* Leroy G. Dorsey, 2008-03-26 Successful presidential leadership depends upon words as well as deeds. In this multifaceted look at rhetorical leadership, twelve leading scholars in three different disciplines provide in-depth studies of how words have served or disserved American presidents. At the heart of rhetorical leadership lies the classical concept of prudence, practical wisdom that combines good sense with good character. From their disparate treatments of a range of presidencies, an underlying agreement emerges among the historians, political scientists, and communication

scholars included in the volume To be effective they find presidents must be able to articulate the common good in a particular situation and they must be credible on the basis of their own character Who they are and what they can do are thus twin pillars of successful rhetorical leadership Leroy G Dorsey introduces these themes and David Zarefsky picks them up in looking at the historical development of rhetorical leadership within the office of the presidency Each succeeding chapter then examines the rhetorical leadership of a particular president often within the context of a specific incident or challenge that marked his term in office Chapters dealing with George Washington John Adams Thomas Jefferson Theodore Roosevelt Woodrow Wilson Franklin Roosevelt Dwight Eisenhower Ronald Reagan and Bill Clinton offer the specifics for a clearer understanding of how rhetoric serves leadership in the American presidency This book provides an indispensable addition to the literature on the presidency and in leadership studies

Cram 101 Textbook Outlines to Accompany Presidential Leadership, 2007 **Guide to the Presidency and the Executive Branch** Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief
