**Amnon Cavari**

## **Presidential Responsiveness And Public Policy Making:**

**Presidential Responsiveness and Public Policy-Making** Jeffrey E. Cohen, 2010-05-07 We expect a president to respond to public opinion as an elected official in a democracy. Indeed, the president needs public support to overcome opposition to his policies in Congress and the bureaucracy. At the same time, the president may want to pursue policies that do not have widespread support. How does public opinion affect presidential policy making? Jeffrey Cohen finds that presidents are responsive to the public in selecting issues to focus on. If an issue has captured the interest of the people, then the president will focus on that issue. Cohen finds that having chosen to work on an issue, presidents pay less attention to public opinion when making a policy. The president will try to maintain control over the details of the policy so that the outcome fits his policy agenda. Cohen examines the way presidents from Eisenhower through Clinton have dealt with public opinion in policy making. He uses case studies of issues such as Clinton and gays in the military, Bush and the extension of unemployment benefits, and Kennedy and cutting the income tax to explore the relationship between presidents and public opinion. In addition, Cohen uses a quantitative analysis of State of the Union addresses and positions on roll call votes of presidents from Eisenhower through George Bush to test his theories. This book should appeal to political scientists and historians interested in the presidency and in public opinion, as well as general readers interested in the history of the American presidency. Jeffrey Cohen is Professor of Political Science, Fordham University.

**Presidential Responsiveness and Public Policy-making** Jeffrey E. Cohen, 1997      Presidential Rhetoric on Terrorism under Bush, Obama and Trump Gabriel Rubin, 2020-03-21 Through the analysis of eighteen years of presidential data, this book shows how Presidents Bush, Obama, and Trump have conducted and framed the war on terror since its inception in 2001. Examining all presidential speeches about terrorism from George W. Bush's two terms as President, Barack Obama's two terms as President, and Donald Trump's first year as President, this book is the first to compare the three post-9/11 presidents in how they have dealt with the terror threat. *Presidential Rhetoric on Terrorism under Bush, Obama and Trump* argues that when policies need to be sold to the public and Congress, presidents make their pertinent issues seem urgent through frequent speech making and threat inflation. It further illustrates how, after policies are sold, a new President's reticence may signify quiet acceptance of the old regime's approach. After examining the conduct of the war on terror to date, it concludes by posing policy suggestions for the future.

*The Party Politics of Presidential Rhetoric* Amnon Cavari, 2017-03-10 By bringing together two bodies of literature, the presidency and political parties, this book makes two important contributions. First, it addresses the gap between presidential public actions and the perceived limited effect they have on public opinion. By examining the short-term effect of speeches of presidents on the entire public, the long-term effect of the speeches on their partisans, and on the reputations of their parties for handling policy, the book shows that presidents are effective leaders of public opinion. Second, the book adds to the scholarly interest in how political parties are viewed by the electorate in terms of policy substance. It suggests that

Americans possess coherent reputations of the parties for handling policy challenges and that these reputations contribute to the party identifications of Americans The effect of presidents on the reputations and in turn party attachments position them as leaders of the party system

**The President on Capitol Hill** Jeffrey E. Cohen,2019-06-11 Can presidents influence whether Congress enacts their agenda Most research on presidential congressional relations suggests that presidents have little if any influence on Congress Instead structural factors like party control largely determine the fate of the president s legislative agenda In The President on Capitol Hill Jeffrey E Cohen challenges this conventional view arguing that existing research has underestimated the president s power to sway Congress and developing a new theory of presidential influence Cohen demonstrates that by taking a position the president converts an issue from a nonpresidential into a presidential one which leads members of Congress to consider the president s views when deciding how to vote Presidential position taking also converts the factors that normally affect roll call voting such as party public opinion and policy type into resources that presidents can leverage to influence the vote By testing all House roll calls from 1877 to 2012 Cohen finds that not only do presidents have more influence than previously thought but through their influence they can affect the substance of public policy The President on Capitol Hill offers a new perspective on presidential congressional relations showing that presidents are not simply captives of larger political forces but rather major players in the legislative process

**The Oxford Handbook of Political Institutions** R. A. W. Rhodes,Sarah A. Binder,Bert A. Rockman,2008-06-12 The study of political institutions is among the founding pillars of political science With the rise of the new institutionalism the study of institutions has returned to its place in the sun This volume provides a comprehensive survey of where we are in the study of political institutions covering both the traditional concerns of political science with constitutions federalism and bureaucracy and more recent interest in theory and the constructed nature of institutions The Oxford Handbook of Political Institutions draws together a galaxy of distinguished contributors drawn from leading universities across the world Authoritative reviews of the literature and assessments of future research directions will help to set the research agenda for the next decade

**Presidential Road Show** Diane J. Heith,2015-12-03 In The Presidential Road Show Public Leadership in an Era of Party Polarization and Media Fragmentation Diane J Heith evaluates presidential leadership by critically examining a fundamental tenet of the presidency the national nature of the office The fact that the entire nation votes for the office seemingly imbues the presidency with leadership opportunities that rest on appeals to the mass public Yet presidents earn the office not by appealing to the nation but rather by assembling a coalition of supporters predominantly partisans Moreover once in office recent presidents have had trouble controlling their message in the fragmented media environment The combined constraints of the electoral coalition and media environment influence the nature of public leadership presidents can exercise Using a data set containing not only speech content but also the classification of the audience Diane J Heith finds that rhetorical leadership is constituency driven and targets audiences differently Comparing tone content and tactics of national

and local speeches reveals that presidents are abandoning national strategies in favor of local leadership efforts that may be tailored to the variety of political contexts a president must confront

**Engines of Change** Daniel DiSalvo, 2012-04-20 This title provides an account of the role of national intra party factions in American politics Drawing from the last 150 years of American political history DiSalvo explains how factions have shaped the parties ideologies impacted presidential nominations structured patterns of presidential governance and much more

*Breaking Through the Noise* Matthew Eshbaugh-Soha, Jeffrey S. Peake, 2011-08-15 Modern presidents engage in public leadership through national television addresses routine speechmaking and by speaking to local audiences With these strategies presidents tend to influence the media s agenda In fact presidential leadership of the news media provides an important avenue for indirect presidential leadership of the public the president s ultimate target audience Although frequently left out of sophisticated treatments of the public presidency the media are directly incorporated into this book s theoretical approach and analysis The authors find that when the public expresses real concern about an issue such as high unemployment the president tends to be responsive But when the president gives attention to an issue in which the public does not have a preexisting interest he can expect through the news media to directly influence public opinion Eshbaugh Soha and Peake offer key insights on when presidents are likely to have their greatest leadership successes and demonstrate that presidents can indeed break through the noise of news coverage to lead the public agenda

The Oxford Handbook of Political Leadership R. A. W. Rhodes, Paul 't Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is nigh endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities

## **Presidential Responsiveness And Public Policy Making** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Presidential Responsiveness And Public Policy Making**, a literary masterpiece that delves deep in to the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

## **Presidential Responsiveness And Public Policy Making Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Presidential Responsiveness And Public Policy Making has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidential Responsiveness And Public Policy Making has opened up a world of possibilities. Downloading Presidential Responsiveness And Public Policy Making provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidential Responsiveness And Public Policy Making has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidential Responsiveness And Public Policy Making. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presidential Responsiveness And Public Policy Making. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidential Responsiveness And Public Policy Making, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidential Responsiveness And Public Policy Making has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Presidential Responsiveness And Public Policy Making Books**

1. Where can I buy Presidential Responsiveness And Public Policy Making books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Presidential Responsiveness And Public Policy Making book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Presidential Responsiveness And Public Policy Making books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Presidential Responsiveness And Public Policy Making audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Presidential Responsiveness And Public Policy Making books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
