

Presidents First Ladies

Nancy Hendricks

Presidents First Ladies:

The Presidents' First Ladies Rae Lindsay, 2001 Describes the various First Ladies that have lived in the White House and discusses their duties and privileges *American First Ladies* Lewis L. Gould, 2021-10-28 An historical survey of the impact of individual First Ladies impact on America and the American woman A selection of each woman s own writings is given along with a commentary on her influence and a biography of her life and the narrative covers all the presidents wives from Martha Washington to Hillary Rodham Clinton

The Presidents' Wives Robert P. Watson, 2000 Traces the development of the First Lady s role from obscurity into an influential force in politics complete with office staff and budgetary resources to rival those of key presidential advisors The author also explores the paradoxes surrounding activism in the office

American First Ladies Salem Press, 2015 Provides a biographical essay on each of the First Ladies from Martha Washington to Michelle Obama including family members who served as First Lady for bachelor or widowed Presidents and includes overviews of the widely varied roles they have played **First Lady, Public Wife** James S. Rosebush, 1987 **Our**

Country's First Ladies Ann Bausum, 2007 Short biographies of our nation s fascinating first ladies **A Genealogy of the Wives of the American Presidents and Their First Two Generations of Descent** Craig Hart, 2014-11-01 From Martha Washington to Laura Bush the wife of each U S president has found her place in history often setting trends and doing important work for the nation This reference work traces the lineage of all presidents wives arranged alphabetically from Abigail Adams to Jane Wyman Genealogy reveals that some of the women are connected to one another through common ancestry sometimes even through royal blood for example the bloodlines of Laura Bush and Abigail Adams join at King Henry II and can then be traced to King Pepin the Short born in 714 Several others can be traced back to King John William the Conqueror Charlemagne and Lady Godiva Clearly organized and easy to use the work includes not only ancestors but offspring listing children and grandchildren for each woman Dates of birth death and marriage of ancestors children and grandchildren are included where known First Ladies Betty Boyd Caroli, 1995-09-28 As we move toward the year 2000

Americans continue to debate the job of First Lady How much power does the position actually hold How publicly should that power be wielded *First Ladies* tells the story of this curious institution and the evolution of these women s role from ceremonial backdrop to substantive world figure This expanded edition brings us up to the present examining the legacies of our three most recent First Ladies Nancy Reagan credited with raising the job to that of Associate President Barbara Bush who took a more traditional approach and Hillary Rodham Clinton widely billed as changing the job completely Covering all thirty nine women from Martha Washington to Hillary Rodham Clinton and including the daughters daughters in law and sisters of presidents who sometimes served as First Ladies Betty Boyd Caroli explores the background marriage and accomplishments and failures in office of each woman This remarkably diverse lot included Abigail Adams whose remember the ladies became a twentieth century feminist refrain Edith Wilson who alone controlled access to the President when he

suffered a stroke Jane Pierce who prayed her husband would lose the election Helen Taft who insisted on living in the White House although her husband would have preferred a judgeship and Pat Nixon who perfected what some have called the robot image They ranged in age from early 20 s to late 60 s some received superb educations for their time while others had little or no schooling Including the courageous and adventurous the emotionally unstable the ambitious and the reserved these women often did not fit the traditional expectations of a presidential helpmate Depicting how these women used the magic wand given to them Caroli reveals not only how each First Lady altered the role but also how the role changed in response to American culture Because of their prominence these women left remarkably complete records and their stories offer us an insider s view not only of their lives as holders of what sociologists now call derivative power but also of the history of American women in general

The Presidents, First Ladies, and Vice Presidents Daniel C. Diller, Stephen L. Robertson, 2001 Takes a brief look at what life is like for the president and first lady in the White House and features biographies and photographs of all the presidents first ladies and vice presidents from 1789 through 2001

America's First Ladies Nancy Hendricks, 2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America s hostesses many of the nation s First Ladies played vital roles in shaping their husband s presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America s First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon s army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady s legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public
