

Pretexts Reflections on Literature and Morality
1st Edition Andre Gide (Editor)

Pretexts Reflections On Literature Mor

Philip Stevick

Pretexts Reflections On Literature Mor:

Pretexts Andr   Gide, 2010-08-01 Most of Andr   Gide's richly varied literary output has long been available to American readers. Only one aspect of his protean career has been lacking in translation: the essays, the publication of which will go far to explain why Gide holds in France such high rank as a critic. Many of the essays in *Pretexts: Reflections on Literature and Morality* were provoked by events in the cultural and political world of twentieth-century France, a turbulent setting that produced a lasting literature. These essays are vintage Gide, informed by his characteristic spirit, his hard brilliance, pointed honesty, and the enduring relevance of his concerns. Readers of his *Journals* will be prepared for the style, intelligence, and marksmanship that Gide brings to bear in these forty-two articles on life as well as on letters. His range, as always, is broad: a long and moving memoir of his encounters with Oscar Wilde; a series of combats against reactionary nationalists and self-appointed purifiers of morals; estimates of Mallarm  , Baudelaire, Proust, Gautier, and Val  ry among others; letters to Jacques Riv  re, Jean Cocteau, and Francis Jammes; and general essays on art, literature, the theater, and politics. Justin O'Brien, famous for his studies in modern French literature, has written that Gide is related to La Fontaine and Racine by his essential conciseness and crystalline style; to Montaigne and Goethe by his inquiring mind, which reconciled unrest and serenity; to Baudelaire by his lucid prophetic criticism. O'Brien, who has done so much to bring contemporary French literature to America, supervised the translations in *Pretexts: Reflections on Literature and Morality*, prepared several of them himself, and contributes an informative general introduction and additional commentary to preface the various sections of this major book.

Global Modernists on Modernism Alys Moody, Stephen J. Ross, 2020-01-23 Winner of the Modernist Studies Association MSA Edited Volume Prize. Bringing together works by writers from sub-Saharan Africa, Turkey, central Europe, the Muslim world, Asia, South America, and Australia, many translated into English for the first time, this is the first collection of statements on modernism by writers, artists, and practitioners from across the world. Annotated throughout, the texts are supported by critical essays from leading modernist scholars exploring major issues in the contemporary study of global modernism. *Global Modernists on Modernism* is an essential resource for students and scholars of modernism and world literature, and one that opens up a dazzling new array of perspectives on the field.

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic, such as sermons, aphorisms, individual major works, notable writers, and periodicals that created a market for essays, and particularly famous or significant essays. The preface details the historical development of the essay, and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings, list of additional readings, and anthologies.

The Hand of the Interpreter G. F. Mitrano, Eric Jarosinski, 2009 This collection of essays by scholars and artists of different disciplines and from different countries is designed to navigate the labyrinth of

contemporary aesthetic ideologies with the aim of reassessing how we read both the way in which texts touch us and we them Theory has transformed texts into mute interlocutors exposed to infinite indeterminacy While the response to this sense of silence that undermines meaning is often informed by a nostalgia for older notions of close reading the essays in this volume work towards a re evaluation of key subjects such as reader writer and text The contributors engage with topics such as digital books popular culture alternative ways of book making visual verbal collaborations and thematic explorations of the hand in literature French News ,1960 The Discipline of Architecture ,2001 **Theory of the Novel** Philip Stevick,1967-10 Comprehensive collections of theoretical essays on various facets of the novel **Britain, France and the Gothic, 1764-1820** Angela Wright,2013-04-18 In describing his proto Gothic fiction *The Castle of Otranto* 1764 as a translation Horace Walpole was deliberately playing on national anxieties concerning the importation of war fashion and literature from France in the aftermath of the Seven Years War In the last decade of the eighteenth century as Britain went to war again with France this time in the wake of revolution the continuing connections between Gothic literature and France through the realms of translation adaptation and unacknowledged borrowing led to strong suspicions of Gothic literature taking on a subversive role in diminishing British patriotism Angela Wright explores the development of Gothic literature in Britain in the context of the fraught relationship between Britain and France offering fresh perspectives on the works of Walpole Radcliffe Monk Lewis and their contemporaries **Just Words** Robert W. Greene,2010-11 Are the words that a novelist uses adequate to his or her elusive subject the human condition Are they pertinent accurate invariably fair unflinchingly honest Or do the novelist s words execute essentially formal maneuvers engaging our interest through their patterns rather than their reach And what about a possible third synthesizing option Robert W Greene discovers that the two apparently divergent intentions in question metalinguistic vs moralistic often paradoxically coexist in French fiction Also no doubt because it is more consistently self conscious than that of any previous era the fiction of twentieth century France seems to illustrate this convergence with special brilliance From *L Immoralist* 1902 to *L Usage de la parole* 1980 Greene explores combinations and permutations of moralistic analysis and metalinguistic commentary in a particular sequence of prose narrative Along the way he observes Gide Proust Malraux Camus Duras and Sarraute each in his or her own fashion moving ceaselessly back and forth between soundings of the heart and diagnoses of the tongue *A Primer of the Novel* David Madden,Charles Bane,Sean M. Flory,2006-06-22 When the first edition of David Madden s *A Primer of the Novel For Readers and Writers* was published more than twenty five years ago there were no other books of its kind available Since then many authors and editors have produced works that attempt the same comprehensive coverage of the genre However these works tend to be either written solely for writers or solely for readers More often than not those written for readers tend to be aimed at advanced students or critics of the novel In this revised edition David Madden Charles Bane and Sean Flory have produced an updated work that is intended for a general readership including writers teachers and students who

are just being introduced to the genre This unique handbook provides a definition and history of the novel a description of early narratives and a discussion of critical approaches to this literary form A Primer of the Novel also identifies terms definitions commentary and examples in the form of quotations for almost 50 types of novels and 15 artistic techniques A chronology of narrative in general and of the novel in particular from 850 B C to the present is also included along with indexes to authors titles novel types and techniques as well as a selective bibliography of criticism Although all novel types present in the first edition are still represented many have become more clearly defined This revised edition also cites several types of novels that did not appear in the first edition such as the graphic novel and the novel of Magical Realism As well as keeping all of the original examples from representative texts the authors have added new examples of more recent works While this book was conceived for a general audience it will be a valuable resource for students teachers and libraries It may be used in any English literature courses at any level including graduate and is suited for creative writing courses as well With its clear and immediately accessible features this handbo

Pretexts Reflections On Literature Mor Introduction

In today's digital age, the availability of Pretexts Reflections On Literature Mor books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pretexts Reflections On Literature Mor books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pretexts Reflections On Literature Mor books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pretexts Reflections On Literature Mor versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pretexts Reflections On Literature Mor books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pretexts Reflections On Literature Mor books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pretexts Reflections On Literature Mor books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pretexts Reflections On Literature Mor books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pretexts Reflections On Literature Mor books and manuals for download and embark on your journey of knowledge?

FAQs About Pretexts Reflections On Literature Mor Books

1. Where can I buy Pretexts Reflections On Literature Mor books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
