Prevail A Handbook For The Overcomer:

Prevail Kelley H. Varner, 1982-12-01 Varner believes that the key principle to moving on in God is a balance of two extremes You must have both a solid foundation in biblical principles and a knowledge of how to make them practical in your life Here you ll learn three basic ways to be an overcomer **The Revelation of Jesus Christ** Lynn Hiles, 2011-07-28 For anyone struggling to understand John s writings in Revelation this book provides true Biblically based answers Through detailed insight into the letters John wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first Adam mentality to overcome today s trials and tribulations The more you understand the Book of Revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon s mouth This overflow of propaganda has kept the human family afraid to even read the Book of Revelation when in fact it is the only book in the Bible that declares a built in blessing to those who read and understand it *Secrets of the Ascended Life* Kelley Varner, 2006 Perspectives in Pentecostal Eschatologies Peter Althouse, Robby Waddell, 2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right

Freedom from Twelve Deadly Sins Kelley Varner, 2011-07-28 Wherefore seeing we also are compassed about with so great a cloud of witnesses let us lay aside every weight and the sin which doth so easily beset us and let us run with patience the race that is set before us Hebrews 12:1 KJV How well do you know the isms that have stealthily invaded the Christian world and your world How prepared are you to recognize and resist their tempting lures Those who press into maturity during this Third Day must hurdle over man made teachings to reach the goal of eternal freedom False teachings have hindered the individual and corporate advancement of God s Kingdom From his extensive knowledge of the Scriptures and his own personal testimony author Kelley Varner clearly identifies and explains twelve deadly sins and how they have manifested in the post modern church TWELVE DEADLY SINS Cessationism Stoicism Easy Believism Legalism Asceticism Dualism Elitism Tribalism Traditionalism Futurism Mysticism Gnosticism **Climb the Mountain** Pearl P.

Glasgow, 2012-06 It explores the possibility of a new beginning even after one experiences what they consider to be failure It starts off by looking at the number 8 as the number of new beginnings the eighth day was the dawn of a new beginning for Adam in the garden That was the beginning of God releasing His creation over to Adam to take care of it and cultivate it taking Adam s life to a new standard of living There are seven days in a week but the eighth day is a completely new beginning to a new week of new possibilities and new opportunities The author encourages the reader If for any reason you felt that you have failed in the past now is the time to begin again with a view to climbing those mountains in your life The mountain peaks of achievement and advancement are never crowded Not many people aspire to climb because it is hard

work But what most people fail to realize is the significance of just being on the mountain The climb is usually difficult but the benefits are overwhelming You must have the vision to dream big the strength and courage to reach what others describe as impossible and the determination and will to transform your life into a miracle *Phoenix Horizons Ministry & Music Magazine (Vol. 1-2) : Coffee Table Edition 2010* Rebecca Michael, Sound the Alarm Kelley Varner, 2005-04 Are you burning with a passion to pursue the high call of God and earn the eternal prize Sound the Alarm is a prophetic cry to forsake religious tradition and usher in a Third Day revelation of the Lord Discover how to sanctify yourself to His purpose to emerge from desolation consecration and reformation as a champion for Christ Now is the time for the Church to return to the power of preaching a pure Gospel With its in depth look at the Book of Joel Sound the Alarm sounds the trumpet for a radical movement of apostolic reform Win the Race Pearl P. Glasgow, 2012 The first volume in a three part motivational series covers the actual dynamics of the preparation and performance of a runner and relates this athletic activity to the human condition On one level Glasgow assumes the role of an athletic coach to guide the reader as a type of trainee from a point of uncertainty to self assurance and from pessimism to supreme optimism **Profiles in Sanctification** Chris S. Sherrerd, 2003
