Dodson, Brad Watson, 2014-02-25 Did Jesus really beat death That s what Christians for hundreds of years have believed that Jesus Christ returned to life after death and burial in a stone tomb To the modern mind resurrection is utterly implausible but it was also doubtful to many first century Greeks Jews and even some Christians With such an incredible assertion at the heart of the Christian faith it s no wonder that some people struggle to believe Unlike any other book on the resurrection Raised encourages you to doubt in order to believe Too often Christians look down on doubt but in Christ we see a person who welcomes doubt and encourages faith Jonathan Dodson and Brad Watson don t shy away from the hard questions or settle for easy answers They help you to see how the resurrection offers hope for the future and answers for the life and death questions we all face I encourage Christians and non Christians alike to read this book provocative illuminating and succinct Eileen Flynn former religion reporter for Austin American Statesman and Journalism and religion lecturer at the University of Texas Wonderfully demonstrates the plausibility of the resurrection of Jesus and the possibilities for a life of hope Sean McDonough professor of New Testament at Gordon Conwell Theological Seminary and author of Christ as Creator Origins of a New Testament Doctrine *Raised with Christ* Adrian Warnock, 2009-12-22 Jesus truly is alive today But compared to his atoning death Jesus resurrection sparks relatively little discussion in the church Inadvertently we can become so focused on the good news that Christ died for our sins that we almost forget he was raised for our justification Romans 4 25 In *Raised with Christ* author Adrian Warnock exhorts Christians not to neglect the resurrection in their teaching and experience Warnock takes his cue from Acts where every recorded sermon focuses on Jesus resurrection He stresses that Christians who faithfully proclaim both the death and the bodily resurrection of Jesus and live out the implications of that message in vibrant grace filled churches will be enabled to reach a world that lives in death s dark shadow The power of the risen Christ is active in every true Christian transforming our lives *Raised with Christ* will help you discover afresh the massive implications of the empty tomb Jesus resurrection really has changed everything *Inside Peyton Place: The Life of Grace Metalious* , Grace refused to be confined by the fifties notion of a woman s place In her struggle to find herself she lifted the lid off sex and violence power and powerlessness truth and hypocrisy and became known as the Pandora in Blue Jeans *Guarding Grace* Ann Omasta, 2023-08-10 The puppy that stole their hearts is missing Grace Wilson loves the wonderful life she has created with her daughter Clover in picturesque Sierra Bay California Yet as a single mom she sometimes struggles with a hint of loneliness Enter Star an adorable golden retriever puppy who wiggles her way into their lives bringing joy and an
